#

MINUTES
OF THE
SPECIAL MEETING
CLAYTON CITY COUNCIL

TUESDAY, June 29, 2010

Agenda Date: 7-6-10

Agenda Item: 4a

1. **CALL TO ORDER & ROLL CALL** – The special meeting of the City Council was called to order at 6:17 p.m. by Mayor Stratford in Hoyer Hall of the Clayton Community Library, 6125 Clayton Road, Clayton, CA. Councilmembers present: Mayor Stratford, Vice Mayor Shuey, Councilmembers Geller, Medrano, and Pierce. Staff present: City Manager Gary Napper, City Attorney Dan Adams, Finance Manager Merry Pelletier, and City Clerk Laci Jackson.
2. **CLOSED SESSION** Mayor Stratford announced the following purpose for Closed Session and then adjourned into Closed Session at 6:17 p.m.
 - (a) Conference with Labor Negotiator
Government Code Section 54957.6.
Instructions to City-designated negotiator: City Manager
 - (1) Employee Organization: Clayton Police Officers Association (CPOA)

7:10 p.m. **Report Out from Closed Session:** Mayor Stratford reported the Council gave direction to the City-designated negotiator.
3. **PLEDGE OF ALLEGIANCE** – led by Mayor Stratford.
4. **CONSENT CALENDAR-** It was moved by Vice Mayor Shuey, seconded by Councilmember Geller to approve the Consent Calendar as submitted (Passed; 5-0 vote).
 - (a) Approved the minutes of the regular meeting of June 15, 2010.
5. **RECOGNITIONS AND PRESENTATIONS**
 - (a) Service recognition to outgoing Trails and Landscaping Committee members: JoAnn Caspar, Victor Geisler, and Jerry Kosel.

Mayor Stratford presented service recognition awards to JoAnn Caspar and Victor Geisler and thanked them for their work on the Trails and Landscaping Committee. He especially thanked them for their hard work on the Measure B campaign. Victor Geisler stated he enjoyed serving and looks forward to serving in another capacity in the future. JoAnn Caspar stated she learned a lot while on the committee and felt she contributed to the community.
6. **REPORTS**
 - (a) Planning Commission – Commissioner Tuija Catalano reported on the June 22nd meeting of the Planning Commission. She stated the Commission discussed a Tree Removal Permit for an Italian Cypress in The Grove park. The Commission approved the removal of the dead tree but asked staff to look at tree replacement options other than London Plane sycamore for site consideration at a future meeting. The Commission also reviewed the Capital Improvement (CIP) Budget and found it to be consistent with the General Plan. Lastly, she thanked the Council for re-appointing her to the Commission.

- (b) Trails and Landscaping Committee – No meeting held.
- (c) City Manager- no report.
- (d) City Council

Councilmember Geller reminded citizens about the Concert in The Grove on July 3rd.

Councilmember Pierce attended a Transportation Authority meeting.

Mayor Stratford attended an East Contra Costa Habitat Conservancy meeting, a Library Foundation meeting, and conference call meeting for unsecured debtors of the YMCA.

- (e) Other – None.

7. PUBLIC COMMENT ON NON-AGENDA ITEMS – None.

8. PUBLIC HEARINGS

- (a) Public Hearing on the proposed City of Clayton Budget for Fiscal Year 2010-2011 and its 5-Year Capital Improvement Project Budget (CIP) for Fiscal Years 2010-2015.

The City Manager presented the Budget and stated the numbers had not changed since the June 15th meeting. He stated the State Budget situation has not changed since the last meeting. City Budget has a 2% increase overall due to spending in the Landscape District but that General Fund revenues are static. He stated there is an existing gap of \$18,410 to fund operations and that Trust and Agency interest earnings will fill the void. He stated the Police Department operations are now 50% of the General Fund Budget and the Budget in general is labor driven. He stated the City has a healthy reserve to be used for unallocated purposes. He stated a reserve is to help pay for unexpected expenses and the in a perfect world the City would have a sinking fund for replacement of infrastructure but such is not realistic at this time. He then outlined some of the upcoming purchases and projects for the next fiscal year. He concluded by stating the City is a long way from reaching its Gann Taxation Limit.

Mayor Stratford opened the Public Hearing at 7:38 p.m

Howard Kaplan, Clayton resident asked if a sinking fund is not a viable financial approach for the City because there are not sufficient funds? The City Manager responded that was correct.

Mr. Kaplan stated the reserve is there so that replacements of infrastructure will be possible when needed. He stated he like the transparency in the Budget Message but questioned the unfunded liability to CalPERS. The City Manager stated the CalPERS unfunded liability is being paid by the portion of the CalPERS rates (8-10 years).

Mr. Kaplan desired the weed cutting along the trails to be done more frequently and therefore would save time because the weeds would not be as thick. The Mayor stated he would relay Mr. Kaplan's comments to the Trails and Landscaping Committee.

Mr. Kaplan asked what the \$12,000 City Promotional Activity was for? The City Manager stated the money is used to help produce and support community events like Memorial Day and the 4th of July parade where there is no return on the dollar.

With no other public comments, Mayor Stratford closed the Public Hearing at 7:50 p.m.

It was moved by Councilmember Geller, seconded by Vice Mayor Shuey to adopt Resolution 19-2010 approving a City Budget for FY 2010-2011 and a 5-Year CIP for FY 2010-2015 (Passed; 5-0 vote).

9. ACTION ITEMS

- (a) Consideration of recommended appointments of citizens to the Trails and Landscaping Committee for a two year term of office expiring on June 30, 2012.

It was moved by Councilmember Pierce, seconded by Councilmember Medrano to appoint Kelly Marshall, Jake Pauline, and Bob Steiner to the Trails and Landscaping Committee for terms of office expiring June 30, 2012 (Passed; 5-0 vote).

- 11. ADJOURNMENT**– On call by Mayor Stratford the meeting adjourned at 7:53 p.m.

Respectfully submitted,

Laci J. Jackson, City Clerk

STAFF REPORT

TO: HONORABLE MAYOR AND COUNCILMEMBERS

FROM: Laura Hoffmeister, Asst. to the City Manager

MEETING DATE: July 6, 2010

SUBJECT: Approval of Resolution authorizing the levy for fiscal year 2010-11 for Community Facility District No. 1990-1R, 2007 Special Tax Revenue Refunding Bonds (Middle School)

RECOMMENDATION

Adoption of Resolution No. __-10 Placing Special Tax for Community Facilities District 1990-1R (Middle School) on the fiscal year 2010-2011 Tax Assessment Roll.

BACKGROUND

In June 1990 the City established the district and levy in accordance with a lack of majority protest determination ballot process as required by state law. The approval of this district established this special tax for repayment of \$6.5 million in bonds that were for a portion of the construction of the Middle School, and of the Community Park. The district includes all of the Oakhurst developments. The collection of the tax is done by the County. The assessment and method of the levy is in compliance with the provisions of Proposition 218, and are fixed by the bond issuance and therefore cannot be altered.

In 1990 the original bond issuance had a interest rate of 8.6%. In November 1997 the bonds were refinanced to obtain a lower interest rate to 5.9%, and savings passed along to the District ratepayers. In May 2007 the bonds were again refinanced to obtain even a lower interest rate of 4.1% average. The costs savings were passed along to the Assessment District ratepayers beginning with the 2007/08 levies and amount to about a 7% average decrease from the 2006/07 levy rate. The bond duration did not change and is expected to be repaid by the year 2022-23.

FISCAL IMPACT

There is no fiscal cost to the City. The parcels property owners within the assessment district pay for all costs of bond repayment and minor administrative costs related to its collection by the county and management by the City. The reduced interest rate savings achieved with the last refinancing are still passed along to the rate payers. The savings vary by size of parcel however generally result in \$300 to \$500 in total savings from 2007-08 through 2022-23 the remaining bond duration, or on average about \$31 per parcel per year.

CONCLUSION

The City Council, by Ordinance 274, as authorized by Section 53340 of the Government Code of the State of California, authorized the levy of a special tax to pay for costs and expenses related to Community Facilities District 1990-1R (Middle School). This resolution sets the fees for fiscal year 2010-2011 and authorizes the Contra Costa County auditor to place these taxes on the next assessment roll on which the taxes will become due.

RESOLUTION NO. ____-2010

**A RESOLUTION LEVYING THE ANNUAL SPECIAL TAX
FOR FISCAL YEAR 2010-2011 FOR
COMMUNITY FACILITIES DISTRICT 1990-1R
2007 SPECIAL TAX REVENUE REFUNDING BONDS
(Middle School)**

**THE CITY COUNCIL
City of Clayton, California**

WHEREAS, the City Council of the City of Clayton, California, (hereinafter referred to as the "legislative body"), has previously initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors relating to the levy of a special tax in a community facilities district, all as authorized pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1982"; being Chapter 2.5, Part 1, Division 2, Title 5 of the Government Code of the State of California. This Community Facilities District shall hereinafter be referred to as "District"; and,

WHEREAS, the legislative body, by Ordinance as authorized by Section 53340 of the Government Code of the State of California, has authorized the levy of a special tax to pay for costs and expenses related to said Community Facilities Districts, and this legislative body is desirous to establish the specific rate of the special tax to be collected for the next fiscal year; and,

WHEREAS, the assessments are in compliance with all laws pertaining to the levy of special taxes, and the assessments are levied without regard to property valuation, and the assessments are in compliance with the provisions of Proposition 218.

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

SECTION 1. That the above recitals are all true and correct.

SECTION 2: That the specific rate and amount of the special tax to be collected to pay for the costs and expenses for the next fiscal year (2010-2011) for the referenced District is hereby determined and established as set forth in the attached, referenced and incorporated Exhibit "A".

SECTION 3. That the rate as set forth above does not exceed the amount as previously authorized by Ordinance of the legislative body, and is not in excess of that as previously approved by the qualified electors of the District.

SECTION 4. That the proceeds of the special tax shall be used to pay, in whole or part, the costs of the following:

- A. Payment of principal and interest on any outstanding authorized bonded indebtedness;
- B. Necessary replenishment of bond reserve funds or other reserve funds;

Attachment 1

- C. Repayment of costs and expenses of authorized public facilities;
- D. Repayment of advances and loans, if appropriate; and
- E. Payment of District administrative costs.

The proceeds of the special taxes shall be used as set forth above, and shall not be used for any other purpose.

SECTION 5. The special tax shall be collected in the same manner as ordinary ad valorem property taxes are collected, and shall be subject to the same penalties and same procedure and sale in cases of any delinquency for ad valorem taxes, and the Tax Collector is hereby authorized to deduct reasonable administrative costs incurred in collecting any said special tax.

SECTION 6. All monies above shall be paid into the Community Facilities District fund, including any bond fund and reserve fund.

SECTION 7. The Auditor of the County is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land effected in a space marked "public improvements, special tax" or by other suitable designation, the installment of the special tax, and for the exact rate and amount of said tax, reference is made to the attached Exhibit "A".

SECTION 8. The County Auditor shall then, at the close of the tax collection period, promptly render to this Agency a detailed report showing the amount and/or amounts of such special tax installments, interest, penalties and percentages retained for the expense of making any such collection.

PASSED, APPROVED and ADOPTED by the City Council of the City of Clayton at a regular meeting of said Council held on July 6, 2010 by the following vote:

EXECUTIVE SUMMARY/SPECIAL ISSUES

General Information Summary

Maturity Date	2010/11 Levy	Parcel Count	Delinquency Rate(1)	Assessed Value(2)	Outstanding Principal	Value to Outstanding Principal Ratio(3)
9/2/2022	\$548,185.14	1,358	2.60%	\$620,990,874.00	\$4,231,000.00	146.77:1

(1) Delinquency Rate for Fiscal Year 2009/10.

(2) The Assessed Value for all active parcels within the District as of January 1, 2010.

(3) Assessed Value as of January 1, 2010 of all active parcels, divided by the outstanding principal for the District after the Fiscal Year 2009/10 debt service has been paid.

The Community Facilities District No. 1990-1 Special Tax Bonds were refunded in 1997 by the Clayton Financing Authority 1997 Special Tax Revenue Refunding Bonds. In 2007, the Clayton Financing Authority refunded the 1997 Special Tax Revenue Bonds with the issuance of the 2007 Special Tax Revenue Refunding Bonds.

All taxable parcels within Community Facilities District No. 1990-1, Middle School (the "District") are levied a Special Tax of 87.73% of their respective Maximum Special Tax Rate for Fiscal Year 2010/11.

The delinquency rate for the District was 2.60% for Fiscal Year 2009/10. With the City's authorization, NBS sent reminder and demand letters to delinquent property owners. NBS recommends the City continue to take delinquency management action by sending letters to delinquent property owners in order to maintain a low delinquency rate.

1. FUND ANALYSIS

1.1. Fund Balances

Fund balances were not available at the time of writing this report.

1.2. Acquisition and Construction Fund Analysis

The Acquisition and Construction Fund is created upon formation of the District. All bond proceeds not associated with the financing and administrative costs of the bond issuance are deposited in this Fund to pay for the improvements to be constructed and/or acquired. Once the project has been completed, any remaining balance in the Fund must be treated in accordance with the Bond Indenture.

Some of the requirements of the Act are handled at the formation (bond issuance) of the District and others are handled through annual reports. This section of the report intends to comply with Section 53411 of the California Government Code that states:

"The chief fiscal officer of the issuing local agency shall file a report with its governing body no later than January 1, 2002, and at least once a year thereafter. The annual report shall contain all of the following:

- (a) The amount of funds collected and expended.
- (b) The status of any project required or authorized to be funded as identified in subdivision (a) of Section 53410."

All money in the Acquisition and Construction Fund is used for payment of the acquisition and construction of the authorized facilities of the District. The improvements have been completed and the City is reviewing records to confirm remaining funds. NBS will work with the City to handle the proper close out of the Fund.

1.3. Redemption Account

On or before the second day of each March and each September, the Fiscal Agent is to deposit in the Redemption Account the amount of money equal to the aggregate amount of interest due on all outstanding bonds on such dates. On or before the second day of each September, the Fiscal Agent is to deposit in the Redemption Account the amount of money equal to the aggregate amount of principal due on all outstanding bonds on such dates. Additionally, funds to be used for optional redemption of bonds are to be maintained in the Redemption Account until the respective bond call date. All money in the Redemption Account is used by the Fiscal Agent to pay the interest on the bonds as it becomes due, plus the principal of and redemption premiums, if any, as they become due.

1.4. Reserve Fund

Moneys in the Reserve Fund shall be used by the Fiscal Agent solely for the purpose of paying the interest on or principal of or redemption premiums, if any on the bonds in the event there is insufficient money in the Redemption Account available for these purposes. In such case, the Reserve Fund is to be replenished up to the Reserve Requirement as soon as funds become available. Excess funds in the Reserve Fund shall be transferred to the Redemption Account for use in payment of Bond debt service.

The Reserve Fund was established at the time the original bonds were issued. As a result of the refunding, a Reserve Fund is held by the Clayton Financing Authority for the new issue of bonds. NBS recommends verifying the balance periodically to determine if the fund balance is sufficient to meet the Reserve Requirement.

1.5. Expense Account

On or before the second day of each March and the second day of each September, the Fiscal Agent shall deposit in the Expense Account the amount required by the City for the payment of budgeted expenses related to administration of the District.

1.6. Investment Earnings Fund

Investment earnings are to be maintained in the fund/account to which they accrued, except for earnings which represent a yield greater than the Bond yield. Such earnings are to be deposited into this fund within 45 days following the end of each bond year.

2. 2010/11 LEVY

2.1. Special Tax Spread

All taxable parcels within the District were levied a Special Tax of 87.73% of their respective Maximum Special Tax for Fiscal Year 2010/11. The following table provides the Special Tax Levy breakdown for the District for 2010/11.

Total Amount Levied	Maximum Special Tax	Percentage of Maximum
\$548,185.14	\$624,874.00	87.73%

2.2. Annual Levy Components

Pursuant to the California Government Code, administrative expenses are identified by consultation with City staff to ensure that the District is self-supporting and is not being subsidized by the City's General Fund.

NBS assists the City with identifying and recovering the following general costs:

- Agency administrative costs. This includes the value of City staff time spent on the administration of the District, calculated by using a fully-loaded salary rate that includes benefits and overhead costs. Any City expenses that have been incurred, such as copying and mailing expenses, are also recovered as part of this calculation.
- Trustee or Paying Agent costs. Includes the total of Trustee/Paying Agent charges to the City for the annual processing of payments to the bondholders, as well as registration and transfer functions that have been performed.
- County Auditor-Controller collection fees. Fees charged by the County Auditor-Controller to place the Special Tax installments on the tax roll each year are identified and recovered if the charge is subtracted from the amount submitted by NBS. This charge is \$250 plus \$0.76 per parcel.
- Arbitrage Rebate calculation costs. Includes all fees and costs associated with the calculation of the District's arbitrage rebate amount in compliance with Internal Revenue Service Arbitrage Rebate Requirements.
- SEC-required disclosure costs. Administrative costs related to compliance with the Securities and Exchange Commission's requirements for continuing disclosure and dissemination of material events occurring within the District.
- Administration costs. Also fully recoverable are the costs incurred by NBS, as the administrator, in the year-round administration of the District, which includes the preparation of the annual levy, ongoing reporting to the City, and the tracking of activity within the District such as Special Tax prepayments, installment payments and parcel changes.
- Delinquency Management charges. The cost of any delinquency management actions taken on behalf of parcels with delinquencies, including the mailing of reminder, demand and/or foreclosure letters, and the work associated with the initiation of judicial foreclosure as required by the bond covenants.

- Manual adjustments. If special circumstances and/or formation errors are discovered, credits and/or charges are made as necessary to the annual Special Tax installment amount for the specific parcels affected by the situation.
- NBS analyzes the fund balances each year. Interest earnings and/or surplus funds that exist may be applied to the annual levy as a credit to reduce each parcel's annual installment. These balances must also be closely monitored to prevent violations of IRS arbitrage regulations.

2.3. Levy Summary

The following table summarizes the components that make up the 2010/11 Levy for the District. Information from the 2009/10 Levy is also included for comparison purposes.

City of Clayton
Community Facilities District 1990-1R
Final Budget for Fiscal Year 2010/11

Category/Item	FY 2010/11	FY 2009/10	Increase / (Decrease)
Principal and Interest	\$516,141.94	\$520,098.84	\$(3,956.90)
Admin. Expenses	31,955.50	34,250.95	(2,295.45)
Miscellaneous	87.70	77.05	10.65
Grand Total:	\$548,185.14	\$554,426.84	\$(6,241.70)
Total Accounts:	1,358	1,358	0

The Grand Total may be reduced by county collection fees if the county retains such fees from the apportionment of funds .

3. DELINQUENCY MANAGEMENT

3.1. Delinquency Summary

The following table shows the Fiscal Year 2009/10 delinquency rate for the District:

2009/10 Levy	2009/10 Delinquencies	2009/10 Delinquency Rate	Delinquency Management Steps Taken
\$554,426.84	\$14,404.71	2.60%	Reminder and Demand Letters sent

NBS monitors the delinquency rate and reviews the delinquency situation after each payment date. With the City's authorization, NBS sent reminder and demand letters were sent to delinquent property owners.

Refer to Section 7 of this report for the Delinquency Detail Report for the District.

3.2. Foreclosure Covenant

The City has covenanted that it will initiate judicial foreclosure against parcels with Special Tax delinquencies. In today's environment of higher delinquency rates and greater bondholder scrutiny of City activities, any non-compliance with foreclosure covenants may expose the City to bondholder lawsuits.

NBS assists the City by providing a comprehensive delinquency management program including discussion of the issuer's foreclosure covenant, providing delinquency information from the County's redemption tapes, and coordinating with the City on the necessary steps required to implement a delinquency management policy. Once a policy is established, City compliance is easier to document and complaints from affected parcel owners can be minimized by showing the City's even-handed, unbiased covenant enforcement.

The foreclosure covenant is defined as follows:

The City has covenanted that it will review the public records of the county relating to the collection of the Special Tax annually on or before June 1 in order to determine the delinquencies within the District. If the Special Tax delinquency rate is greater than 5%, the City shall commence judicial foreclosure proceedings within 30 days. In addition, the City has covenanted to commence judicial foreclosure proceedings against any property owner with a combined delinquency of \$25,000 or more.

5. RATE AND METHOD OF APPORTIONMENT

5.1. Special Tax Formula

A Special Tax shall be levied on and collected from each parcel in the District in each fiscal year commencing on July 1, 1991, in an amount determined by the City Council of the City of Clayton through the application of the appropriate Special Tax for Residences and Residential Land.

The Special Tax shall be levied upon those lots and parcels listed in Table 1 of the Rate and Method of Apportionment within Subdivision 6990 (filed of record on December 20, 1988, in Book 328 of Maps, at Page 21, in the Official Records of the Contra Costa County Recorder) included within the boundaries of the District.

The Special Tax shall be levied on Residences and Residential Land.

Residence means a residential dwelling, and the subdivided lot upon which it is constructed, for which a certificate of occupancy has been issued by the City.

Residential Land means those lots and parcels listed in Table 1 excepting (1) Residences and (2) any lands not zoned or designated by the City for the construction of a Residence.

Wherever it is stated that the City shall designate the number of Residences or the land on which Residences are to be constructed, such designation shall be made at the time a subdivision map is filed of record.

5.2. Residence Special Tax

The Special Tax will be levied against a Residence following the issuance of a certificate of occupancy. For each fiscal year (July 1 - June 30), the Special Tax on a Residence will be levied against each Residence for which a certificate of occupancy has been issued by July 15 of that year.

The Special Tax for a Residence on a parcel showing one residence under Estimated Number of Residences on Table 1 shall be the amount shown for that parcel under Maximum Special Tax on Table 1.

The Special Tax for Residences on parcels showing a number greater than one under Estimated Number of Residences on Table 1 of the Rate and Method of Apportionment shall be determined as follows: When a subdivision map for such parcel is filed of record, the Special Tax for Residences on such parcel shall be apportioned equally to each new lot and parcel created by the subdivision map based on the number of Residences to be constructed thereon as designated by the City; no Special Tax shall be apportioned to any lands not zoned or designated for the construction of a Residence. Upon any further re-subdivision of a parcel created by such subdivision map, a further apportionment shall be made in a manner consistent with the preceding apportionment rules.

5.3. Residential Land Special Tax

Beginning July 1, 1991, and ending when there is no Residential Land in the District, a Residential Land Special Tax may be annually levied on the Residential Land. The total Residential Land Special Tax so levied shall be one hundred percent (100%) of the annual debt service, on the bonds to be issued by the District, for the following bond year (increased to one hundred five percent (105%) commencing July 1, 1997), less the total of the following amounts:

- The total Residence Special Taxes to be levied for that fiscal year.
- Interest earnings available from unspent bond proceeds during the pre-development and construction period of the school, to the extent such earnings may be legally used to pay interest on the bonds for the following bond year pursuant to the Mello-Roos Community Facilities District Act of 1982.
- Any other funds which the City determines are available to the District for payment of the debt service for the following bond year other than those funds which are designated for other purposes.

The total Residential Land Special Tax resulting from the above calculation, but not more than such total tax, shall be apportioned to the Residential Land as follows:

- a. The Maximum Residential Land Special Tax for each subdivided lot zoned or designated by the City for the construction of a Residence shall be equal to the Maximum Residence Special Tax which would be levied on the lot if it were a Residence.
- b. The balance of the total Residential Land Special Tax shall be levied against all other parcels of Residential Land based on the anticipated number of Residences to be constructed thereon as determined by the City.

The Special Taxes of the District will be collected in the same manner and at the same time as ad valorem property taxes.

5.4. Teeter Plan Participation & County Revenue Apportionment Schedule

The District participates in the Contra Costa County Teeter Plan. Details of the apportionment of funds from the County to the City are provided below.

County Revenue Apportionment Schedule

Date	Percentage Apportioned
12/15	55%
4/15	40%
6/25	5%

6. BACKGROUND INFORMATION

6.1. Project Description

The District was formed for the following purposes:

- To pay a portion of the cost of construction of a middle school located within the jurisdiction of the Mt. Diablo School District.
- To acquire certain site preparation work on the ball and playing field property conveyed to the City.

As of June 30, 2009, construction improvements have been completed.

6.2. Resolutions

The resolution approved by the City Council authorizing the levy of the special tax was not available at the time of writing this report.

ORDINANCE NO. 274

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF
CLAYTON AUTHORIZING THE LEVY OF A SPECIAL TAX WITHIN
COMMUNITY FACILITIES DISTRICT NO. 1990-1 (MIDDLE SCHOOL)

WHEREAS, on May 1, 1990, the City Council of the City of Clayton, State of California (the "Council"), adopted its Resolution No. 30-90 (the "Resolution of Intention to Establish the District") stating its intention to form Community Facilities District No. 1990-1 of the City of Clayton (the "District") pursuant to Chapter 2.5 of Part 1 of Division 2 of Title 5 (commencing with Section 53311) of the California Government Code, commonly known as the "Mello-Roos Community Facilities Act of 1982" (the "Act"); and

WHEREAS, on May 1, 1990, the Council also adopted Resolution No. 31-90 (the "Resolution of Intention to Incur Bonded Indebtedness") stating its intention to incur bonded indebtedness in an amount not to exceed \$6,500,000 within the District for the purpose of financing the costs of certain facilities specified in the Resolution of Intention to Establish the District (the "Facilities"); and

WHEREAS, notice was published as required by law relative to the intention of this Council to form the proposed District and to incur bonded indebtedness in an amount not to exceed \$6,500,000 within the District; and

WHEREAS, on May 31, 1990, this Council convened noticed public hearings as required by law, (1) to determine whether it

should proceed with the formation of the District and authorize the rate, method of apportionment, and manner of collection of a special tax to be levied within the District for the purpose of paying for the Facilities, including the payment of interest on and principal of and other periodic costs on the bonds proposed to be issued to finance the Facilities, and the repayment of funds advanced to the District, and the annual administration expenses of the City and the District in determining, apportioning, levying and collecting such special tax and all incidental expenses authorized under the Act, and (2) on the proposal to incur the bonded indebtedness; and

WHEREAS, at said hearings all persons desiring to be heard on all matters pertaining to the formation of the District, the levy of the special tax, the proposed issuance of the bonded indebtedness, and all other matters set forth in the Resolution of Intention to Establish the District and the Resolution of Intention to Incur Bonded Indebtedness, were heard and considered and full and fair hearings were held thereon; and

WHEREAS, this Council, subsequent to said hearings, adopted Resolution No. 50-90 (the "Resolution of Formation") which established the District, determined the validity of prior proceedings relative to the formation of the District and the incurring of bonded indebtedness, authorized the levy of a special tax within the District and called an election for June 12, 1990, on the propositions of levying a special tax and establishing an appropriations limit within the District; and

WHEREAS, this Council, subsequent to said hearings, adopted Resolution No. 51-90 (the "Resolution to Incur Bonded Indebtedness") which determined the necessity of incurring bonded indebtedness in an amount not to exceed \$6,500,000 and called an election within the District for June 12, 1990, on the proposition of incurring bonded indebtedness; and

WHEREAS, on June 12, 1990, in accordance with the Resolution of Formation and the Resolution to Incur Bonded Indebtedness, a consolidated election was held within the District in which the qualified electors approved by more than a two-thirds vote the propositions of incurring the bonded indebtedness, levying a special tax, and establishing an appropriations limit within the District;

NOW, THEREFORE, the City Council of the City of Clayton, DOES ORDAIN as follows:

Section 1. The above recitals are all true and correct and this Council so finds and determines.

Section 2. By the passage of this Ordinance, this Council authorizes the levy of a special tax pursuant to the rate and method of apportionment set forth in Exhibit "A" attached hereto and incorporated by reference herein, being the rate and method of apportionment specified in the Resolution of Formation.

Section 3. This Council is hereby further authorized each year by resolution adopted within the time period, if any,

provided in the Act, to determine the specific special tax rate and amount to be levied for the next fiscal year, except that the special tax rate to be levied shall not exceed that set forth in Exhibit "A" hereto, but the special tax may be levied at a lower rate.

Section 4. Properties or entities of the state, federal or other local governments shall, except as otherwise provided in Sections 53317.3 and 53317.5 of the Act, be exempt from the special tax. No other properties or entities are exempt from the special tax unless the properties or entities are expressly exempted in the Resolution of Formation (and Exhibit "A" hereto), or in a resolution of consideration to levy a new special tax or special taxes or to alter the rate or method of apportionment or an existing special tax as provided in Section 53334 of the Act.

Section 5. All of the collections of the special tax shall be used as provided for in the Act and the Resolution of Formation. The special tax shall be levied only so long as needed for its purpose as described in the Resolution of Formation and the Resolution to Incur Bonded Indebtedness.

Section 6. The special tax shall be collected in the same manner as ordinary ad valorem property taxes are collected and shall be subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for ad valorem taxes, as such procedure may be modified by law from time to time.

Section 7. This Ordinance shall become effective thirty (30) days from and after its passage.

Section 8. Within fifteen (15) days after the passage of this Ordinance the City Clerk is hereby ordered and directed to certify to the passage of this Ordinance and, because there is no newspaper of general circulation published and circulated in the City, to cause the same to be posted in the following three public places in the City:

City Hall, 1007 Oak Street

Endeavor Hall, Oak at Center Street

Ohms Board in front of U.S. Post Office

CITY OF CLAYTON
CLAYTON MIDDLE SCHOOL FINANCING PROGRAM
COMMUNITY FACILITIES DISTRICT NO. 1990-1
SPECIAL TAX FORMULA

A special tax shall be levied on and collected from each parcel in Community Facilities District No. 1990-1, of the City of Clayton, in each fiscal year commencing on July 1, 1990, in an amount determined by the City Council of the City of Clayton through the application of the appropriate special tax for Residences and Residential Land.

The special tax shall be levied upon those lots and parcels listed in Table 1 within Subdivision 6990 (filed of record on December 20, 1988, in Book 328 of Maps, at Page 21, in the Official Records of the Contra Costa County Recorder) included within the boundaries of the community facilities district.

The special tax shall be levied on Residences and Residential Land.

Residence means a residential dwelling, and the subdivided lot upon which it is constructed, for which a certificate of occupancy has been issued by the City of Clayton.

Residential Land means those lots and parcels listed in Table 1 excepting (1) Residences and (2) any lands not zoned or designated by the City of Clayton for the construction of a Residence.

Wherever it is stated that the City of Clayton shall designate the number of Residences or the land on which Residences are to be constructed, such designation shall be made at the time a subdivision map is filed of record.

Residence Special Tax

The special tax will be levied against a Residence following the issuance of a certificate of occupancy. For each fiscal year (July 1 – June 30), the special tax on a Residence will be levied against each Residence for which a certificate of occupancy has been issued by July 15 of that year.

The Special Tax for a Residence on a parcel showing one residence under ESTIMATED NUMBER OF RESIDENCES on Table 1 shall be the amount shown for that parcel under MAXIMUM SPECIAL TAX on Table 1.

The Special Tax for Residences on parcels showing a number greater than one under ESTIMATED NUMBER OF RESIDENCES on Table 1 shall be determined as follows: When a subdivision map for such parcel is filed of record, the Special Tax for Residences on such parcel shall be apportioned equally to each new lot and parcel created by the subdivision map based on the number of Residences

to be constructed thereon as designated by the City of Clayton; no Special Tax shall be apportioned to any lands not zoned or designated for the construction of a Residence. Upon any further resubdivision of a parcel created by such subdivision map, a further apportionment shall be made in a manner consistent with the preceding apportionment rules.

Residential Land Special Tax

Beginning July 1, 1991, and ending when there is no Residential Land in the community facilities district, a Residential Land Special Tax may be annually levied on the Residential Land. The total Residential Land Special Tax so levied shall be one hundred percent (100%) of the annual debt service, on the bonds to be issued by the community facilities district, for the following bond year (increased to one hundred five percent (105%) commencing July 1, 1997), less the total of the following amounts:

- The total Residence Special Taxes to be levied for that fiscal year
- Interest earnings available from unspent bond proceeds during the pre-development and construction period of the school, to the extent such earnings may be legally used to pay interest on the bonds for the following bond year pursuant to the Mello-Roos Community Facilities District Act of 1982.
- Any other funds which the City of Clayton determines are available to the community facilities district for payment of the debt service for the following bond year other than those funds which are designated for other purposes.

The total Residential Land Special Tax resulting from the above calculation, but not more than such total tax, shall be apportioned to the Residential Land as follows:

- a. The Maximum Residential Land Special Tax for each subdivided lot zoned or designated by the City of Clayton for the construction of a Residence shall be equal to the Maximum Residence Special Tax which would be levied on the lot if it were a Residence.
- b. The balance of the total Residential Land Special Tax shall be levied against all other parcels of Residential Land based on the anticipated number of Residences to be constructed thereon as determined by the City of Clayton.

The special taxes of the community facilities district will be collected in the same manner and at the same time as ad valorem property taxes.

EXHIBIT A

COMMUNITY FACILITIES DISTRICT NO. 1990-1

Description of Facilities

1. The acquisition of 400 thousand dollars of the site preparation work on the school site referenced in 2 below, and on a ballfield and playground park site to be conveyed to the City adjacent to said school site.
2. The construction of a middle school facility on a site to be conveyed to the Mt. Diablo Unified School District, said site being located on the easterly side of Marsh Creek Road between Bigelow Street and Regency Drive.

However, in the event a contract has not been awarded for the construction of the school by August 1, 1992, (or the extension of said date if agreed to by the current owner of the site), then the payment of school facility impact fees to said School District, plus one or more of the following alternative facilities:

- (a) the acquisition or construction of a fire station on a site to be located on Oakhurst Drive southerly of Clayton Road;
- (b) the acquisition or construction of a portion of the improvements to the ballfield and playground park site, referenced in 1 above, including, but not limited to, turf, bleachers, restrooms and drainage facilities. It is estimated that the cost of such improvements will exceed 5.5 million dollars. After allowing for the funding of the first 400 thousand dollars thereof pursuant to 1, above, it is anticipated that the next 2.68 million dollars thereof will be funded from other sources (such as the Oakhurst Assessment District). The remaining 2.42 million dollar portion of said improvements is to be funded by Community Facilities District No. 1990-1.

It is recognized that, in the event the school is not constructed so that the City undertakes the acquisition and construction of the alternative facilities set forth in (a) and (b), above, there may not be sufficient monies from the proceeds of the sale of the bonds proposed to be issued to acquire and construct all of the alternative facilities. It is intended that the alternative facilities to be

acquired and constructed in the descending order of priority set forth above. To the extent any alternative facility has not been acquired or constructed at the time the City determines that all of the bond proceeds have been expended, then such facility not acquired or constructed shall, from the date of such determination, be deemed removed from this description of facilities.

3. The above-listed types of facilities are proposed to include incidental expenses as authorized by the Mello-Roos Community Facilities Act of 1982, including, but not limited to, the cost of planning and designing the facilities (including the cost of environmental evaluations thereof); costs associated with the creation of the District, issuance of the bonds thereof, determination of the amount of taxes, collection of taxes, payment of taxes, or costs otherwise incurred in order to carry out the authorized purposes of the District; and any other expenses incidental to the construction, completion, and inspection of the facilities.

MEETING DATE: July 6, 2010

SUBJECT: Approval of Resolution authorizing the levy for fiscal year 2010-11 for Community Facility District No. 1990-2R (Clayton Station)

RECOMMENDATION

Adoption of Resolution No. __-10 Placing Special Tax for Community Facilities District 1990-2R (Clayton Station) on the fiscal year 2010-2011 Tax Assessment Roll.

BACKGROUND

In November 1990 the City established the district and levy in accordance with a lack of majority protest determination ballot process as required by state law. The approval of this district established this special tax for repayment of \$1.46 million in bonds that were for the construction of public improvements and facilities for the Clayton Station Shopping Center. These improvements included: street improvements and a new traffic signal at Clayton Road and Washington Street; widening, turn pockets and closures, a bus stop and lane realignments on Kirker Pass Road; relocation of various public utilities in the public right of way; land cost, and financing thereof and landscaping installation of dedicated right of way; improvements made at the Mt. Diablo Creek re-channelization; the funding of the CFD's pro-rata share of arterial street improvements in the City of Clayton and surrounding communities; incidental expenses related to the facilities above as authorized by the Mello-Ross Community Facilities Act of 1982.

At the end of 1999 the bonds were refinanced to obtain lower interest rate to the current 5.9% from the previous 8.125%. These costs savings were in turn passed on to the Assessment District and the ratepayers of the district. The bonds are expected to be paid off in FY 2015/2016. The district includes four of the five parcels that make up the Clayton Station Shopping Center development. (Safeway is not included as its portion was paid at the time it purchased its parcel, or excluded by the developer as part their site purchase, prior to the final formation of the district). The collection of the tax is done by the County. The

RESOLUTION NO. ____-2010

**A RESOLUTION LEVYING THE ANNUAL SPECIAL TAX
FOR FISCAL YEAR 2010-2011 FOR
COMMUNITY FACILITIES DISTRICT 1990-2R
(Clayton Station)**

**THE CITY COUNCIL
City of Clayton, California**

WHEREAS, the City Council of the City of Clayton, California, (hereinafter referred to as the "legislative body"), previously initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors relating to the levy of a special tax in a community facilities district, all as authorized pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1982"; being Chapter 2.5, Part 1, Division 2, Title 5 of the Government Code of the State of California. This Community Facilities District shall hereinafter be referred to as "District"; and,

WHEREAS, the legislative body, by Ordinance as authorized by Section 53340 of the Government Code of the State of California, has authorized the levy of a special tax to pay for costs and expenses related to said Community Facilities Districts, and this legislative body is desirous to establish the specific rate of the special tax to be collected for the next fiscal year; and,

WHEREAS, the assessments are in compliance with all laws pertaining to the levy of special taxes, and the assessments are levied without regard to property valuation, and the assessments are in compliance with the provisions of Proposition 218.

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

SECTION 1. That the above recitals are all true and correct.

SECTION 2: That the specific rate and amount of the special tax to be collected to pay for the costs and expenses for the next fiscal year (2010-2011) for the referenced District is hereby determined and established as set forth in the attached, referenced and incorporated Exhibit "A".

SECTION 3. That the rate as set forth above does not exceed the amount as previously authorized by Ordinance of the legislative body, and is not in excess of that as previously approved by the qualified electors of the District.

SECTION 4. That the proceeds of the special tax shall be used to pay, in whole or part, the costs of the following:

- A. Payment of principal and interest on any outstanding authorized bonded indebtedness;
- B. Necessary replenishment of bond reserve funds or other reserve funds;

- C. Repayment of costs and expenses of authorized public facilities;
- D. Repayment of advances and loans, if appropriate; and
- E. Payment of District administrative costs.

The proceeds of the special taxes shall be used as set forth above, and shall not be used for any other purpose.

SECTION 5. The special tax shall be collected in the same manner as ordinary ad valorem property taxes are collected, and shall be subject to the same penalties and same procedure and sale in cases of any delinquency for ad valorem taxes, and the Tax Collector is hereby authorized to deduct reasonable administrative costs incurred in collecting any said special tax.

SECTION 6. All monies above shall be paid into the Community Facilities District fund, including any bond fund and reserve fund.

SECTION 7. The Auditor of the County is hereby directed to enter in the next County assessment role on which taxes will become due, opposite each lot or parcel of land effected in a space marked "public improvements, special tax" or by other suitable designation, the installment of the special tax, and for the exact rate and amount of said tax, reference is made to the attached Exhibit "A".

SECTION 8. The County Auditor shall then, at the close of the tax collection period, promptly render to this Agency a detailed report showing the amount and/or amounts of such special tax installments, interest, penalties and percentages retained for the expense of making any such collection.

PASSED, APPROVED and ADOPTED by the City Council of the City of Clayton at a regular meeting of said Council held on July 6, 2010 by the following vote:

9/2/2015	\$141,230.28	4	0.00%	\$9,184,568.00	\$537,000.00	17.10:1

(1) Delinquency Rate for Fiscal Year 2009/10.

(2) The Assessed value for all active parcels within the District as of January 1, 2010.

(3) Assessed value as of January 1, 2010 of all active parcels, divided by the outstanding principal for the District after the Fiscal Year 2009/10 debt service has been paid.

The City of Clayton borrowed \$1,269,000 from City National Bank, which is evidenced by a Note which shall constitute a "refunding bond" under the act, which shall be issued by the City in the form of a Note. The Loan and the Note are authorized to be entered into and issued by the City for this Community Facilities District under and subject to the terms of the Act, the Resolution, the Loan Agreement and other applicable laws of the state. For purposes of this report the words Loan and Bond are used interchangeably.

All taxable parcels within the Community Facilities District No. 1990-2R, Clayton Station (the "District") were levied a Special Tax of 75.90% of their respective Maximum Special Tax Rate for Fiscal Year 2010/11.

After transferring moneys from City Held Funds, the Redemption Account balance will be more than sufficient to meet the September 2, 2010 debt service payment leaving a surplus balance of approximately \$34,175. NBS will continue to work with the City to monitor the surplus funds in this District.

NBS monitors the delinquency rate and reviews the delinquency situation after each payment date. The District has no delinquencies and is not required to take delinquency management actions.

1. FUND ANALYSIS

1.1. Fund Balances

Fund balances as of May 31, 2010 for the District are shown in the following table:

Fund Name	Fund Balance
Redemption Account	\$0.00
Expense Account	0.00
Acquisition and Construction Fund	0.00
City Held Funds	159,191.69
Total	\$159,191.69

The Reserve Account was established at the time the original bonds were issued. As a result of the refunding, there is no Reserve Account required for the refunding bonds.

1.2. Redemption Account

On or before the second day of each March and each September, the Paying Agent is to deposit in the Redemption Account the amount of money equal to the aggregate amount of interest due on all outstanding Bonds on such dates. On or before the second day of each September, the Paying Agent is to deposit in the Redemption Account the amount of money equal to the aggregate amount of principal due on all outstanding Bonds on such dates. Additional funds to be used for optional redemption of Bonds are to be maintained in the Redemption Account until the respective bond call date. All money in the Redemption Account is used by the Paying Agent to pay the interest on the Bonds as it becomes due, plus the principal of and redemption premiums, if any, as they become due.

5/31/10 Balance(1)	9/2/10 Payment	9/2/09 Bond Call	Estimated Administrative Expenses	Surplus / Deficit
\$159,191.69	\$107,467.00	\$0.00	\$17,550.00	\$34,174.69

(1) The balance consists of City Held Funds available for transfer to the Redemption Account to cover debt service payments.

After transferring funds from City Held Funds, the Redemption Account balance will be more than sufficient to meet the September 2, 2010 debt service payment leaving a surplus balance of \$34,174.69. NBS will continue to work with the City to monitor the surplus funds in this District.

1.3. Expense Account

On or before the second day of each March and the second day of each September, the Fiscal Agent shall deposit in the Expense Account the amount required by the City for the payment of budgeted expenses related to administration of the District.

Estimated total administrative expenses for the Fiscal Year 2010/11 are \$17,547.29. NBS recommends verifying that moneys were transferred from City Held Funds to the Expense Account for payment of any expenses related to the District.

1.4. Special Tax Fund

The Special Taxes and other amounts constituting Gross Taxes collected by the District shall be transferred (exclusive of Prepaid Special Taxes Received which shall be deposited into the Prepayment Account of the Special Tax Fund), no later than 10 days after receipt thereof, to the Fiscal Agent and shall be held in trust in the Special Tax Fund for the benefit of the Owners of the Bonds and shall, exclusive of the Prepaid Special Taxes, be transferred from the Special Tax Fund in the following order of priority:

- A. The Administrative Expense Fund;
- B. The Bond Fund Interest Account;
- C. The Bond Fund Principal Account;
- D. The Bond Fund Sinking Fund Redemption Account;

A Special Tax Account is held by the City and consists of the Special Taxes received from the tax bill receipts provided to the City from Contra Costa County.

1.5. Acquisition and Construction Fund Analysis

The Acquisition and Construction Fund is created upon formation of the District. All bond proceeds not associated with the financing and administrative costs of the bond issuance are deposited in this Fund to pay for improvements to be constructed and/or acquired. Once the project has been completed, any remaining balance in the Fund must be treated in accordance with the Bond Indenture.

Some of the requirements of the Act are handled at the formation (bond issuance) of the District and others are handled through annual reports. This section of the report intends to comply with Section 53411 of the California Government Code that states:

"The Chief Fiscal Officer of the issuing local agency shall file a report with its governing body no later than January 1, 2002, and at least once a year thereafter. The annual report shall contain all of the following:

- (a) The amount of funds collected and expended.
- (b) The status of any project required or authorized to be funded as identified in subdivision (a) of Section 53410."

The following table shows the District's May 31, 2010 Acquisition and Construction Fund balance, the amount expended and the project status:

5/31/10 Balance	Project Status
\$0.00	Complete

All money in the original Acquisition and Construction Fund was used for payment of the acquisition and construction of the authorized facilities of the District.

2. 2010/11 LEVY

2.1. Special Tax Spread

All taxable parcels within the District were levied at 75.90% of their respective Maximum Special Tax for Fiscal Year 2010/11. The following table provides the breakdown of the Special Tax Levy for the District.

Total Amount Levied	Maximum Special Tax	Percentage of Maximum
\$141,230.28	\$186,086.00	75.90%

2.2. Annual Levy Components

Pursuant to the California Government Code, administrative expenses are identified by consultation with City staff to ensure that the District is self-supporting and is not being subsidized by the City's General Fund.

NBS assists the City with identifying and recovering the following general costs:

- Agency administrative costs. This includes the value of City staff time spent on the administration of the District, calculated by using a fully-loaded salary rate that includes benefits and overhead costs. Any City expenses that have been incurred, such as copying and mailing expenses, are also recovered as part of this calculation.
- Trustee or Paying Agent costs. Includes the total of Trustee/Paying Agent charges to the City for the annual processing of payments to the bondholders, as well as registration and transfer functions that have been performed.
- County Auditor-Controller collection fees. Fees charged by the County Auditor-Controller to place the Special Tax installments on the tax roll each year are identified and recovered if the charge is subtracted from the amount submitted by NBS. This charge is \$250 plus \$0.76 per parcel.
- SEC-required disclosure costs. Administrative costs related to compliance with the Securities and Exchange Commission's requirements for continuing disclosure and dissemination of material events occurring within the District.
- Administration costs. Also fully recoverable are the costs incurred by NBS, as the administrator, in the year-round administration of the District, which includes the preparation of the annual levy, ongoing reporting to the City, and the tracking of activity within the District such as Special Tax Prepayments, installment payments and parcel changes.
- Delinquency Management charges. The cost of any delinquency management actions taken on behalf of parcels with delinquencies, including the mailing of reminder, demand and/or foreclosure letters, and the work associated with the initiation of judicial foreclosure as required by the bond covenants.
- Manual adjustments. If special circumstances and/or formation errors are discovered, credits and/or charges are made as necessary to the annual Special Tax Installment amount for the specific parcels affected by the situation.

- NBS analyzes the fund balances each year. Interest earnings and/or surplus funds that exist may be applied to the annual levy as a credit to reduce each parcel's annual installment. These balances must also be closely monitored to prevent violations of IRS arbitrage regulations.

2.3. Levy Summary

The following page summarizes the components that make up the 2010/11 Levy for the District. Information from the 2009/10 Levy is also included for comparison purposes.

City of Clayton
Community Facilities District 1990-2R
Final Budget for Fiscal Year 2010/11

The Grand Total may be reduced by county collection fees if the county retains such fees from the apportionment of funds

3. DELINQUENCY MANAGEMENT

3.1. Delinquency Summary

The following table shows the Fiscal Year 2009/10 delinquency rate for the District:

2009/10 Levy	2009/10 Delinquencies	2009/10 Delinquency Rate	Delinquency Management Steps Taken
\$143,503.10	\$0.00	0.00%	No action necessary

NBS monitors the delinquency rate and reviews the delinquency situation after each payment date. The District has no delinquencies and is not required to take delinquency management actions.

3.2. Foreclosure Covenant

The City has covenanted that it will initiate judicial foreclosure against parcels with Special Tax Delinquencies. In today's environment of higher delinquency rates and greater bondholder scrutiny of City activities, any non-compliance with foreclosure covenants may expose the City to bondholder lawsuits.

NBS assists the City by providing a comprehensive delinquency management program including discussion of the issuer's foreclosure covenant, providing delinquency information from the County's redemption tapes, and coordinating with the Agency on the necessary steps required to implement a delinquency management policy. Once a policy is established, City compliance is easier to document and complaints from affected parcel owners can be minimized by showing the City's even-handed, unbiased covenant enforcement.

The foreclosure covenant is defined as follows:

The City has covenanted that it will review the public records of the county relating to the collection of the Special Tax annually on or before June 1 in order to determine the delinquencies within the District. If the Special Tax delinquency rate is greater than 5%, the City shall commence judicial foreclosure proceedings within 30 days. In addition, the City has covenanted to commence judicial foreclosure proceedings against any property owner with a combined delinquency of \$25,000 or more.

5. RATE AND METHOD OF APPORTIONMENT

5.1. Maximum Annual Special Tax Rate

The Maximum Annual Special Tax Rate for each parcel is based on the relevant square footage of the building as shown in the following table. The Notice of Special Tax lien was amended on August 19, 1994 and is in effect for Fiscal Year 1995/96 and each fiscal year thereafter.

Assessor Parcel Number	Leasable Square Feet	Maximum Special Tax	Percent of Total
118-031-049	47,028	\$132,403.00	71.15%
118-031-051	7,500	21,116.00	11.35%
118-031-052	8,367	23,558.00	12.66%
118-031-057	3,200	9,009.00	4.84%
Totals:	66,095	\$186,086.00	100.00%

If one hundred ten percent (110%) of the maximum annual debt service on the bonds issued by the District is less than the Special Tax, then, commencing in the fiscal year following the issuance of the bonds, the Special Tax shall be reduced to such lesser amount, and the amount thereof apportioned to each parcel shall be reduced *pro rata*.

5.2. Method of Apportionment

The Special Tax shall be apportioned each year up to the Maximum Rates as shown above. The Special Tax apportionment is based upon the square footage as built, or as planned in the case of an undeveloped parcel. If the Special Tax Requirement is less than the total Maximum Special Tax Total, the Special Tax shall be reduced on a *pro rata* basis.

5.3. Termination of the Special Tax

The Special Tax shall be levied as long as needed to make payments on the refunding debt, scheduled to continue until September 2, 2015.

5.4. Teeter Plan Participation & County Revenue Apportionment Schedule

The District participates in the Contra Costa County Teeter Plan. Details of the apportionment of funds from the County to the City are provided below.

County Revenue Apportionment Schedule

Date	Percentage Apportioned
12/15	55%
4/15	40%
6/25	5%

6. BACKGROUND INFORMATION

6.1. Project Description

The District was formed to provide funding for certain improvements including:

- Street improvements and a new traffic signal at Clayton Road and Washington Street.
- Widening, turn pockets, closures, a bus stop and lane realignments on Kirker Pass Road.
- Relocation of various public utilities in the public right of way.
- Land cost, and financing thereof, and landscaping of dedicated right of ways.
- Improvements made at the Mt. Diablo creek re-channelization.
- The funding of the District's pro rata share of arterial street improvements in the City and surrounding communities.
- Incidental expenses related to the facilities listed above as authorized by the Mello-Roos Community Facilities Act of 1982.

All construction improvements have been completed.

6.2. Resolution

The resolution approved by the City Council authorizing the levy of the special tax was not available at the time of writing this report.

ORDINANCE NO. 281

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF
CLAYTON AUTHORIZING THE LEVY OF A SPECIAL TAX WITHIN
COMMUNITY FACILITIES DISTRICT NO. 1990-2 (CLAYTON STATION)

WHEREAS, on September 18, 1990, the City Council of the City of Clayton, State of California (the "Council"), adopted its Resolution No. 94-90 (the "Resolution of Intention to Establish the District") stating its intention to form Community Facilities District No. 1990-2 of the City of Clayton (the "District") pursuant to Chapter 2.5 of Part 1 of Division 2 of Title 5 (commencing with Section 53311) of the California Government Code, commonly known as the "Mello-Roos Community Facilities Act of 1982" (the "Act"); and .

WHEREAS, on September 18, 1990, the Council also adopted , Resolution No. 95-90 (the "Resolution of Intention to Incur Bonded Indebtedness") stating its intention to incur bonded indebtedness in an amount not to exceed \$1,500,000 within the District for the purpose of financing the costs of certain facilities specified in the Resolution of Intention to Establish the District (the "Facilities"); and

WHEREAS, notice was published as required by law relative to the intention of this Council to form the proposed District and to incur bonded indebtedness in an amount not to exceed \$1,500,000 within the District; and

WHEREAS, on October 30, 1990, this Council convened noticed public hearings as required by law, (1) to determine whether it

should proceed with the formation of the District and authorize the rate, method of apportionment, and manner of collection of a special tax to be levied within the District for the purpose of paying for the Facilities, including the payment of interest on and principal of and other periodic costs on the bonds proposed to be issued to finance the Facilities, and the repayment of funds advanced to the District, and the annual administration expenses of the City and the District in determining, apportioning, levying and collecting such special tax and all incidental expenses authorized under the Act, and (2) on the proposal to incur the bonded indebtedness; and

WHEREAS, at said hearings all persons desiring to be heard on all matters pertaining to the formation of the District, the levy of the special tax, the proposed issuance of the bonded indebtedness, and all other matters set forth in the Resolution of Intention to Establish the District and the Resolution of Intention to Incur Bonded Indebtedness, were heard and considered and full and fair hearings were held thereon; and

WHEREAS, this Council, subsequent to said hearings, adopted Resolution No. 107-90 (the "Resolution of Formation") which established the District, determined the validity of prior proceedings relative to the formation of the District and the incurring of bonded indebtedness, authorized the levy of a special tax within the District and called an election for November 1, 1990, on the propositions of levying a special tax and establishing an appropriations limit within the District; and

WHEREAS, this Council, subsequent to said hearings, adopted Resolution No. 108-90 (the "Resolution to Incur Bonded Indebtedness") which determined the necessity of incurring bonded indebtedness in an amount not to exceed \$1,500,000 and called an election within the District for November 1, 1990, on the proposition of incurring bonded indebtedness; and

WHEREAS, on November 1, 1990, in accordance with the Resolution of Formation and the Resolution to Incur Bonded Indebtedness, a consolidated election was held within the District in which the qualified electors approved by more than a two-thirds vote the propositions of incurring the bonded indebtedness, levying a special tax, and establishing an appropriations limit within the District;

NOW, THEREFORE, the City Council of the City of Clayton, DOES ORDAIN as follows:

Section 1. The above recitals are all true and correct and this Council so finds and determines.

Section 2. By the passage of this Ordinance, this Council authorizes the levy of a special tax pursuant to the rate and method of apportionment set forth in Exhibit "A" attached hereto and incorporated by reference herein, being the rate and method of apportionment specified in the Resolution of Formation.

Section 3. This Council is hereby further authorized each year by resolution adopted within the time period, if any,

provided in the Act, to determine the specific special tax rate and amount to be levied for the next fiscal year, except that the special tax rate to be levied shall not exceed that set forth in Exhibit "A" hereto, but the special tax may be levied at a lower rate.

Section 4. Properties or entities of the state, federal or other local governments shall, except as otherwise provided in Sections 53317.3 and 53317.5 of the Act, be exempt from the special tax. No other properties or entities are exempt from the special tax unless the properties or entities are expressly exempted in the Resolution of Formation (and Exhibit "A" hereto), or in a resolution of consideration to levy a new special tax or special taxes or to alter the rate or method of apportionment or an existing special tax as provided in Section 53334 of the Act.

Section 5. All of the collections of the special tax shall be used as provided for in the Act and the Resolution of Formation. The special tax shall be levied only so long as needed for its purpose as described in the Resolution of Formation and the Resolution to Incur Bonded Indebtedness.

Section 6. The special tax shall be collected in the same manner as ordinary ad valorem property taxes are collected and shall be subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for ad valorem taxes, as such procedure may be modified by law from time to time.

Section 7. This Ordinance shall become effective thirty (30) days from and after its passage.

Section 8. Within fifteen (15) days after the passage of this Ordinance the City Clerk is hereby ordered and directed to certify to the passage of this Ordinance and, because there is no newspaper of general circulation published and circulated in the City, to cause the same to be posted in the following three public places in the City:

EXHIBIT A

RATE, METHOD OF APPORTIONMENT AND
MANNER OF COLLECTION OF SPECIAL TAX

The Special Tax rate for the District is established at \$186,086 per fiscal year. The apportionment of such amount to each parcel in the District is based on the square footage of buildings currently occupying each respective parcel or, in the instance where there is no building currently occupying the parcel, the maximum authorized square footage of buildings to be constructed thereon.

Notwithstanding any subsequent changes to the parcels, or the size of the buildings thereon, the dollar amount of the Special Tax apportioned to each parcel shall remain as set forth herein.

The Maximum Special Tax shall be apportioned as follows:

<u>Parcel Number/ Identification*</u>	<u>Amount</u>	<u>Building Square Feet</u>	<u>Percent of Total</u>
B	\$155,961	55,395	83.81%
C	21,116	7,500	11.35%
D	9,009	3,200	4.84%

If one hundred ten percent (110%) of the maximum annual debt service on the bonds issued by the District is less than the Special Tax, then, commencing in the fiscal year following the issuance of the bonds, the Special Tax shall be reduced to such lesser amount, and the amount thereof apportioned to each parcel shall be reduced pro-rata.

The special tax will be collected in the same manner and at the same time as ad valorem property taxes.

MEETING DATE: July 6, 2010

SUBJECT: Approval of resolution ordering the levy and collection of special taxes and setting forth the special tax amount for Community Facilities District (CFD) 2007-1 (City Wide Landscape Maintenance) on the fiscal year 2010-2011 Tax Assessment

RECOMMENDATION

Adoption of Resolution No. __-2010 ordering the levy and collection of special taxes and setting forth the special tax amount for Community Facilities District (CFD) 2007-1 (City Wide Public Landscape Maintenance) on the fiscal year 2010 - 2011 Tax Assessment Roll.

BACKGROUND

In June 2007 the electorate voted 82.94% approval to establish a special tax, known as Measure B, for the care and maintenance of City Wide Public Landscaping. Measure B was established for a 10-year period (through 2017). Measure B is the only funding source for the Citywide Public Landscape District-known as Community Facilities District (CFD) 2007-1.

The tax is for costs related to public roadway, trail, open space landscape maintenance, and the Clayton Fountain at the corner of Oakhurst Blvd. and Clayton Rd. These areas have 2 million square feet of landscaping and irrigation, 515 acres of open space, 2,871 street trees, and 27 miles of public trails. City parks are not maintained by this special tax but through the General Fund (except for the Grove Park Downtown which has its own separate special maintenance district funding source).

Since 1999 the City has employed only five permanent city maintenance employees who spend approximately 60% of their time on tasks in the Landscape Maintenance District. Necessity has required maintenance crews to spend more work hours maintaining District assets as landscaping matures, irrigation systems break, and vandalism or vehicle accidents that cause damage to trees and shrubs; along with increases in metered irrigation water, electricity increases which run the irrigation controllers and pumps to the fountain; professional services are used for open space weed abatement and tree trimming.

Meeting Date: July 6, 2010

Page 2 of 2

The collection of the tax is done by the County, and property owners' payments for this new District first occurred in November/December 2007. Established in the voter approved tax is an ability after the initial year, to increase the assessment by the CPI with a maximum of 3% annually. The Citizens Oversight Committee for this District, [known as the Trails and Landscape Committee (TLC)] recommended an increase based upon the CPI of 1.72% (\$3.50 increase per residential unit - equivalent). This CPI adjustment was reflected in the City Council adopted budget, which was also reviewed and recommended by the Trails and Landscape Committee.

FISCAL IMPACT

For the 2010-11 fiscal year the levy amount is \$207.56 per residential parcel, or per non residential acre or fraction thereof. For fiscal year 2010-11 there are 4,102 parcels that will be subject to the special tax. Of these 4,038 are residential and 64 are non residential. The total amount of revenue estimated to be received from this tax for FY 2010-11 is \$910,570.52. These tax revenues are placed into a Special Revenue Fund (No.210) through which all eligible expenses are tracked, paid and audited. Allowable expenses include only that for the purposes of the Landscape District Maintenance materials, supplies, equipment, utilities, labor, and administration. There is still apx. \$2.5 million in desired major landscape replacements/repairs and enhancements that are not funded through this tax amount. This amount is prior to any additional plant/turf loss due to the FY 09-10 Contra Costa Water District mandatory landscape water reductions (45%). Cost savings from water reductions were realized. The TLC recommended, and the City Council approved on June 1st, the use of \$260,000 in Landscape Maintenance District funds for hardscape of median island narrow noses, fountain area replanting and other targeted tree and shrub replanting. This work will occur over the FY 10-11 period.

The Citizens Oversight Committee will begin soon on its preparation of the 3rd Annual Report for FY 09-10 and expected to be provided to the City Council meeting in September/October. This report will include the highlights of the District and future direction as well as the District budget.

CONCLUSION

The City Council, by Ordinance 409, as authorized by Section 53340 of the Government Code of the State of California, has authorized the levy of a special tax to pay for costs and expenses related to Community Facilities District 2007-1. This resolution authorizes the Contra Costa County auditor to place unpaid direct bill taxes for the 2010 -2011 fiscal year on the next assessment roll.

SPECIAL TAXES AND SETTING THE SPECIAL
TAX AMOUNT FOR FISCAL YEAR 2010-11
FOR COMMUNITY FACILITIES DISTRICT NO. 2007-1
(CITYWIDE LANDSCAPE MAINTENANCE)**

**THE CITY COUNCIL
City of Clayton, California**

WHEREAS, the City Council of the City of Clayton, California, (hereinafter referred to as the "legislative body"), has initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors relating to the levy of a special tax in Community Facilities District No.2007-1(hereinafter referred to as "District"), all as authorized pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1982"; being Chapter 2.5, Part 1, Division 2, Title 5 of the Government Code of the State of California (the "Act"). ; and,

WHEREAS, this legislative body, by Ordinance No. 409 as authorized by Section 53340 of the Government Code of the State of California, has authorized the levy of a special tax to pay for costs and expenses related to said District, and this legislative body is desirous to establish the specific rate of the special tax to be collected for fiscal year 2010 -11; and,

WHEREAS, the special taxes are in compliance with all laws pertaining to the Act and the levy of special taxes; the special taxes are levied without regard to property valuation, and the special taxes are in compliance with the provisions of Prop 218.

NOW THEREFORE, IT IS HEREBY RESOLVED AS FOLLOWS:

SECTION 1. That the above recitals are all true and correct.

SECTION 2. That the specific rate and amount of the special tax to be collected to pay for the costs and expenses for the next fiscal year (2010 -11) for the referenced

District is hereby determined and established as set forth in the attached, referenced and incorporated Exhibit "A".

SECTION 3. That the rate as set forth above does not exceed the amount as previously authorized by Ordinance of this legislative body, and is not in excess of that as previously approved by the qualified electors of the District.

SECTION 4. That the proceeds of the special tax shall be used as provided in Ordinance No. 409, including, but not limited to, the payment of, in whole or in part, the costs of the following:

- A. Payment of costs and expenses of public landscape facilities;
- B. Payment of District administrative costs.
- C. Cost of collecting and administering the special tax

The proceeds of the special taxes shall be used as set forth above, and shall not be used for any other purpose.

SECTION 5. The special tax shall be collected in the same manner as ordinary ad valorem property taxes are collected, and shall be subject to the same penalties and same procedure and sale in cases of any delinquency for ad valorem taxes, and the Tax Collector is hereby authorized to collect the special tax and to deduct reasonable administrative costs incurred in collecting said special tax.

SECTION 6. All monies above collected shall be paid into the Community Facilities District 2007-1 fund.

SECTION 7. The Auditor of the County is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land effected in a space marked "public improvements, special tax" or by any other suitable designation, the installment of the special tax, and for the exact rate and amount of said tax, and assessor's parcel number (APN), reference is made to the attached Exhibit "A".

SECTION 8. The County Auditor shall then, at the close of the tax collection

period, promptly render to this City a detailed report showing the amount and/or amounts of such special tax installments, interest, penalties and percentages so collected and from what property collected, and also provide a statement of any percentages retained for the expense of making any such collection.

3. RATE AND METHOD OF APPORTIONMENT

3.1. Method of Apportionment

A Special Tax will be levied annually on each taxable parcel of land within the District and collected in the same manner as ordinary ad-valorem property taxes or in such manner as the City Council or its designee shall determine, including City-originated billing of the affected property owners.

3.2. Definitions

Taxable Parcels - Parcels of land within the boundaries of the District that are not included in the "Exempt Parcel" category listed below.

Exempt Parcels - Parcels of land owned by a public agency, right-of-way parcels, schools, hospitals, cemeteries, mortuaries, libraries, parks, mineral rights, private roads, pipelines, public parking facilities and common areas.

Residential Parcels - Taxable Parcels of land that are classified as single-family, condominium, townhouse, multi-family or rural residential parcels.

Non-residential Parcels - Taxable Parcels that are not classified as "Residential Parcels."

Special Tax - The Special Tax allowed to be levied on a property within the District, calculated pursuant to the Rate and Method of Apportionment of Special Tax.

3.3. Special Tax Formula

- A. **Residential Parcels** - An annual Special Tax will be levied on all Residential Parcels, as defined above, at the per parcel tax rate shown below for each Fiscal Year 2007/2008 through 2016/2017:

Residential Parcel Annual Special Tax Rate for Fiscal Year 2007/08: \$196.77 per parcel.

- B. **Non-residential Parcels** - An annual Special Tax will be levied on all Non-residential Parcels, as defined above, at the per acre rate shown below for each Fiscal Year 2007/08 through 2016/17:

Non-residential Parcel Annual Special Tax Rate for Fiscal Year 2007/08: \$196.77 per acre or fraction thereof.

3.4. Special Tax Escalator Factor

In Fiscal Years 2008/09 through 2016/17, the Special Annual Tax rate may be increased annually by the City of Clayton City Council in an amount not to exceed the full annual adjustment (April to April) in the Consumer Price Index – All Urban Consumers, San Francisco-Oakland-San Jose, CA Area (Base Period 1982-84 = 100). This escalation factor is applicable if determined by the City to be necessary due to expected or actual increases in the operational and maintenance expenses attributable to the District. Such determination shall be made by action of the City of Clayton City Council, which must occur at a regular public meeting thereof accompanied by a prior

recommendation of the citizens' Trails and Landscaping Committee established by the City Council in February 2006 (City Resolution No. 08-2006). In no event shall each annual Special Tax rate in any fiscal year increase by more than three percent (3%) over the previous year.

The Special Tax Escalation Factor for Fiscal Year 2010/11 is 1.71%.

3.5. Duration of Special Tax Levy

The Special Tax will be levied annually for a period of ten (10) years commencing with Fiscal Year 2007/08 through and including Fiscal Year 2016/17. After the ten (10) year duration has expired the Special Tax may no longer be collected unless extended pursuant to applicable laws, except that a Special Tax that was lawfully levied in or before the final tax year and that remains delinquent may be collected in subsequent years.

3.6. Relationship to Special Tax of Community Facilities District 1997-1

The District was created to replace Community Facilities District 1997-1 as the new district to levy an annual Special Tax for Citywide Landscape Maintenance purposes for duration of 10 years. The Community Facilities District 1997-1 had a maturity date of June 30, 2007. In order to continue landscaping maintenance for the City of Clayton, the City has adopted and approved Resolution 06-2007 on February 20, 2007.

**THE CITY COUNCIL
City of Clayton, California**

WHEREAS, on January 16, 2007, the City Council (the "Council") of the City of Clayton (the "City") adopted Resolution No. 04-2007 entitled "*A Resolution of Intention to Establish a Community Facilities District to Fund the Annual Operation and Maintenance of a Citywide Landscape Maintenance District for a Time Period of Ten Years, and to Authorize the Levy of Special Taxes Therein*" (the "Resolution of Intention") stating its intention to establish City of Clayton Community Facilities District No. 2007-1 (Citywide Landscape Maintenance) (the "CFD") pursuant to the Mello-Roos Community Facilities Act of 1962, Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing with Section 53311, of the California Government Code (the "Act"), to finance certain services (the "Services"); and

WHEREAS, notice was published as required by the Act relative to the intention of this City Council to form the CFD and to provide for the Services; and

WHEREAS, on February 20, 2007 this City Council held a noticed public hearing as required by the Act relative to the determination to proceed with the formation of the CFD and the rate and method of apportionment of the special tax to be levied within the CFD to finance the costs of the Services; and

WHEREAS, at said hearing all persons desiring to be heard on all matters pertaining to the formation of the CFD and the levy of said special taxes were heard, substantial evidence was presented and considered by this Council and a full and fair hearing was held; and

WHEREAS, subsequent to the public hearing, on February 20, 2007 this City Council adopted Resolution No. 06-2007 entitled "*A Resolution of Formation of a Community Facilities District (Citywide Landscape Maintenance District) For a Period of Ten Years, and Authorizing the Levy of a Special Tax Therein and Preliminarily Establishing an Appropriations Limit Therefor*" (the "Resolution of Formation"), and also adopted Resolution No. 07-2007 entitled "*A Resolution Calling Special Election in a Community Facilities District,*" which resolutions established the CFD, authorized the levy of a special tax with the CFD, and called an election within the CFD on the proposition of levying a special tax and establishing an appropriations limit within the CFD, respectively; and

WHEREAS, the election was held on June 5, 2007 within the CFD in which the eligible registered voters approved the propositions presented by more than the two-thirds vote required by the Act, which approvals were confirmed by Resolution No. - 2007 adopted by this City Council on June 19, 2007.

NOW THEREFORE, THE CITY COUNCIL OF CLAYTON, CALIFORNIA DOES ORDAIN as follows:

Section 1. Special Tax Authorized. By the passage of this Ordinance this City Council hereby authorizes and levies special taxes within the CFD pursuant to 53328 and 53340 of the Act, at the rates and in accordance with the method of apportionment set forth in Exhibit B to the Resolution of Formation (the "Rate and Method"). The special taxes are hereby levied commencing in fiscal year 2007-08 and in each fiscal year thereafter through fiscal year 2016-17 for the payment of all costs of the Services and payment of all costs of administering the CFD.

Section 2. Collection Official. Following the approval by the City Council of a budget for the CFD for each fiscal year after 2007-08, the City Manager (or his or her designee) (the "Collection Official") is hereby authorized and directed in each fiscal year to determine the specific special tax rate and amount to be levied for the next ensuing fiscal year for each parcel of real property within the CFD, in accordance with such approved budget and in the manner and as provided in the Rate and Method of Apportionment. In the event that this City Council has not adopted a budget for the CFD by July 31 of any year, the budget for that fiscal year shall be the same as the budget for the previous fiscal year.

Section 3. Exemptions. Properties or entities of the State, federal or local governments shall be exempt from any levy of the special taxes, to the extent set forth in the Rate and Method of Apportionment. In no event shall the special taxes be levied on any parcel within the CFD in excess of the maximum tax specified in the Rate and Method of Apportionment.

Section 4. Use of Special Tax. All of the collections of the special tax shall be used as provided for in the Act, the Rate and Method of Apportionment, and in the Resolution of Formation including, but not limited to, the payment of the costs of the Services, the payment of the costs of the City in administering the CFD and the costs of collecting and administering the special tax.

Section 5. Collection Method. The special taxes of the CFD shall be collected from time to time as necessary to meet the financial obligations of the CFD on the secured real property tax roll in the same manner as ordinary *ad valorem* taxes are collected. In each fiscal year commencing in the fiscal year 2007-08, the Collection Official is authorized and directed to provide all necessary information to the auditor/tax collector of the County of Contra Costa and to otherwise take all actions necessary in order to effect proper billing and collection of the special tax, so that the special tax shall be levied and collected in sufficient amounts and at the times necessary to satisfy the

financial obligations of the CFD in each fiscal year until the City shall cease to collect the special taxes and provision has been made for payment of all of the administrative costs of the CFD.

Notwithstanding the foregoing, the Collection Official may collect the special taxes by means of direct billing by the City to the property owners within the CFD if, in the judgment of the Collection Official such means of collection will reduce the administrative burden on the City in administering the CFD or is otherwise appropriate in the circumstances. In such event, the special taxes shall become delinquent if not paid when due as set forth in any such respective billing to the property owners.

Whether the special taxes are levied in the manner provided in the first or the second preceding paragraph, the special taxes shall have the same lien priority, and be subject to the same penalties and the same procedure and sale in cases of delinquency as provided for ad valorem taxes. In addition, the provisions of Section 53356.1 of the Act shall apply to delinquent special tax payments.

Section 6. Partial Invalidity. If for any reason any portion of this ordinance is found to be invalid, or if the special tax is found inapplicable to any particular parcel within the CFD, by a Court of competent jurisdiction, the balance of this ordinance and the application of the special tax to the remaining parcels within the CFD shall not be affected.

Section 7. Execution and Posting. The Mayor shall sign this Ordinance and the City Clerk, within fifteen (15) days after its passage, shall cause the same to be posted in three (3) public places as designated by Resolution of the Clayton City Council for the posting of ordinances and public notices.

RESOLUTION NO. 06-2007

**A RESOLUTION OF FORMATION OF A COMMUNITY FACILITIES DISTRICT
(CITYWIDE LANDSCAPE MAINTENANCE DISTRICT) FOR A PERIOD OF TEN
YEARS, AND AUTHORIZING THE LEVY OF A SPECIAL TAX THEREIN AND
PRELIMINARILY ESTABLISHING AN APPROPRIATIONS LIMIT THEREFOR**

**The City Council
City of Clayton, California
Community Facilities District 2007-1
(Citywide Landscape Maintenance)**

WHEREAS, on 16 January 2007 this City Council adopted Resolution No. 04 - 2007 entitled "*A Resolution of Intention to Establish a Community Facilities District to Fund the Annual Operation and Maintenance of a Citywide Landscape Maintenance District for a Time Period of Ten Years, and to Authorize the Levy of Special Taxes Therein*" (the "Resolution of Intention"), stating its intention to form the City of Clayton, Community Facilities District No. 2007-1 (Citywide Landscape Maintenance) (the "CFD"), pursuant to the Mello-Roos Community Facilities Act of 1982, Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing with Section 53311, of the California Government Code (the "Act"); and

WHEREAS, the Resolution of Intention, incorporating a map of the proposed boundaries of the CFD and stating the Services (as described herein) to be provided, the estimated maximum cost of providing such Services, and the rate and method of apportionment of the special tax to be levied within the CFD to pay for the Services (as hereafter defined) with respect to the CFD, is on file with the City Clerk and the provisions thereof are incorporated herein by this reference as if fully set forth herein; and

WHEREAS, on 20 February 2007 this City Council held a duly noticed public hearing as required by the Act on the Resolution of Intention relative to the proposed formation of the CFD; and

WHEREAS, at said public hearing all interested persons desiring to be heard on all matters pertaining to the formation of the CFD, the Services to be provided therein and the levy of said special tax were heard and a full and fair hearing was held; and

WHEREAS, at said hearing evidence was presented to this Council on said matters before it, including a report by the City Manager (the "Report") as to the Services to be provided through the CFD and the costs thereof, a copy of which is on file with the City Clerk, and this City Council at the conclusion of said hearing is fully advised in the premises; and

WHEREAS, written protests with respect to the formation of the CFD, the furnishing of specified types of Services and the rate and method of apportionment of the special taxes have not been filed with the City Clerk by fifty percent (50%) or more of the registered voters residing within the territory of the CFD or property owners of one-half (1/2) or more of the area of land within the CFD and not exempt from the special tax; and

WHEREAS, the special tax proposed to be levied in the CFD to pay for the proposed Services to be provided therein, as set forth in Exhibit A hereto, has not been eliminated by protest by fifty percent (50%) or more of the registered voters residing within the territory of the CFD or the owners of one-half (1/2) or more of the area of land within the CFD and not exempt from the special tax.

NOW, THEREFORE, the City Council of Clayton, California does hereby resolve as follows:

1. Recitals. The foregoing recitals are true and correct.
2. No Majority Protest. The proposed special tax to be levied within the CFD has not been precluded by majority protest pursuant to Section 53324 of the Act.
3. Prior Proceedings. All prior proceedings taken by this City Council in connection with the establishment of the CFD and the levy of the special tax have been duly considered and are hereby found and determined to be valid and in conformity with the requirements of the Act. This City Council hereby finds and determines that the CFD is in conformity with the goals and policies heretofore adopted by this City Council with respect to the formation of the CFD.
4. CFD Established. The community facilities district designated "City of Clayton, Community Facilities CFD No. 2007-1 (Citywide Landscape Maintenance)" is hereby established pursuant to the Act.
5. Boundaries Described. The boundaries of the CFD, as set forth in the map of the CFD heretofore recorded in the Contra Costa County Recorder's Office on 23 January 2007 in Book 81 at page 15 of Maps of Assessment and Community Facilities Districts, are hereby approved and incorporated herein by reference and shall be the boundaries of the CFD.
6. Services. The type of public Services proposed to be financed by the CFD and pursuant to the Act shall consist of those items listed as Services on Exhibit A attached hereto and by this reference incorporated herein (the "Services").
7. Special Taxes. Except to the extent that funds are otherwise available to the CFD to pay for the Services, a special tax sufficient to pay the costs thereof, secured by a continuing lien against all non-exempt real property in the CFD, will be levied annually within the CFD, and collected in the same manner as ordinary *ad valorem* property taxes or in such other manner as this City Council or its designee shall determine, including direct billing of the affected property owners. The proposed rate and method

of apportionment of the special tax among the parcels of real property within the CFD, in sufficient detail to allow each landowner within the proposed CFD to estimate the probable maximum amount such owner will have to pay, are described in Exhibit B attached hereto and by this reference incorporated herein.

8. Tax Collector For City. The City Manager, 6000 Heritage Trail, Clayton, California, 94517 telephone number (925) 673-7300 is the officer of the City who will be responsible for preparing annually a current roll of special tax levy obligations by assessor's parcel number and who will be responsible for estimating future special tax levies pursuant to Section 53340.2 of the Act.

9. Tax Lien. Upon recordation of a notice of special tax lien pursuant to Section 3114.5 of the California Streets and Highways Code, a continuing lien to secure each levy of the special tax shall attach to all nonexempt real property in the CFD and this lien shall continue in force and effect until the special tax obligation ceases and the lien canceled in accordance with law or until collection of the tax by the City ceases.

10. Appropriations Limit. In accordance with Section 53325.7 of the Act, the annual appropriations limit, as defined by subdivision (h) of Section 8 of Article XIII B of the California Constitution, of the CFD is hereby preliminarily established at \$850,550.00 and said appropriations limit shall be submitted to the voters of the CFD as hereafter provided. The proposition establishing said annual appropriations limit shall become effective if approved by the qualified electors voting thereon and shall be adjusted in accordance with the applicable provisions of Section 53325.7 of the Act.

11. Election. Pursuant to the provisions of the Act, the proposition of the levy of the special tax and the proposition of the establishment of the appropriations limit specified above shall be submitted to the qualified electors of the CFD at an election the time, place and conditions of which election shall be as specified by a separate resolution of this Council.

12. Effective Date. This Resolution shall take effect upon its adoption.

PASSED, APPROVED AND ADOPTED by the City Council of Clayton, California at a regular public meeting thereof held this 20th day of February 2007 on the following vote:

Definitions

“Maintenance” means the furnishing of services and materials for the ordinary and usual operation, maintenance and care of the public landscaping and appurtenant facilities, including repair, removal or replacement of all or part of any landscaping and appurtenant facilities providing for the life, growth, health and beauty of the landscaping, including cultivation, irrigation, trimming, spraying, fertilizing and treating for disease or injury; the removal of trimmings, rubbish, debris and other solid wastes; and the eradication of landscape pests, including but not limited to vermin and rodents, ground squirrels, gophers, moles and wild pigs. “Maintenance” also includes the furnishing of water for irrigation of the public landscaping, and the supply of electricity to operate the attendant irrigation systems.

The foregoing services shall be provided through and by the City of Clayton, either with its own labor forces or by contract with third parties, or any combination thereof, as determined solely by the City of Clayton.

“Costs” means the costs and expenses directly or indirectly incurred by the City in connection with the Maintenance described above. Allowable Costs payable from special taxes of the District also include the County’s imposed cost to levy and collect the District’s assessment through the annual property tax bill, the City’s shared equipment and facilities charges, City prorated overhead charges to administer and manage the District and collect the special taxes, and District reserve funds for replacement and major repairs.

EXHIBIT B

CITY OF CLAYTON Community Facilities District 2007-1 (Citywide Landscape Maintenance)

RATE AND METHOD OF LEVY OF SPECIAL TAX

A special tax will be levied annually on each taxable parcel of land not defined below as an "Exempt Parcel" within the Community Facilities District 2007-1 (Citywide Landscape Maintenance) (the "CFD") and collected in the same manner as ordinary ad-valorem property taxes or in such manner as the City of Clayton City Council or its designee shall determine, including City-originated billing of the affected property owners.

Definitions

Taxable Parcels: Parcels of land within the boundaries of the CFD that are not included in the "Exempt Parcel" category listed below.

Exempt Parcels: Parcels of land owned by a public agency, right-of-way parcels, schools, hospitals, cemeteries, mortuaries, libraries, parks, mineral rights, private roads, pipelines, public parking facilities and common areas.

Residential Parcels: Taxable parcels of land that are classified as either single-family, condominium, townhouse, multi-family or rural residential parcels.

Non-residential Parcels: Taxable parcels that are not classified as "Residential Parcels".

Special Tax: The special tax allowed to be levied on property within the CFD, calculated pursuant to this Rate and Method of Apportionment of Special Tax.

Special Tax Formula

A. Residential Parcels: An annual special tax will be levied on all Residential Parcels, as defined above, at the per parcel tax rate shown below for each fiscal year 2007-2008 through 2016-2017:

Residential Parcel Annual Special Tax Rate: \$196.77

B. Non-residential Parcels: An annual special tax will be levied on all Non-residential Parcels at the per acre rate shown below for each fiscal year 2007-2008 through 2016-2017:

Non-residential Parcel Annual Special Tax Rate: \$196.77 per acre or fraction thereof, based on parcel size as shown on the then-current County tax roll.

Duration of Special Tax Levy

The special tax will be levied annually for a period of ten (10) years commencing in fiscal year 2007-2008 through and including fiscal year 2016-2017. After the ten (10) year duration has expired the special tax may no longer be collected unless extended pursuant to applicable laws, except that a special tax that was lawfully levied in or before the final tax year and that remains delinquent may be collected in subsequent years.

Special Tax Escalator Factor

In fiscal years 2008-2009 through 2016-2017, the special tax may be increased annually by the Clayton City Council in an amount not to exceed the full annual adjustment (April to April) in the Consumer Price Index – All Urban Consumers, San Francisco-Oakland-San Jose, CA Area (Base Period 1982-84 = 100). This escalator factor is applicable if determined to be necessary due to expected increases in the operational and maintenance expenses attributable to the CFD. Such determination shall be made by action of the Clayton City Council, which must occur at a regular public meeting thereof accompanied by a prior recommendation of the citizens' Trails and Landscaping Committee established by the City Council in February 2006 (City Resolution No. 08-2006). In no event shall each annual special tax rate in any fiscal year increase by more than three percent (3%) over the previous year.

Relationship to Special Tax of Community Facilities District 1997-1

An intent of the new Community Facilities District 2007-1 is to replace the City's Community Facilities District 1997-1 that levied an annual special tax for Citywide Landscape Maintenance purposes during the last ten years and which special tax automatically expires on June 30, 2007. No further special tax can be levied by CFD 1997-1.

RESOLUTION NO. 07- 2007

**A RESOLUTION CALLING SPECIAL ELECTION
IN A COMMUNITY FACILITIES DISTRICT**

**THE CITY COUNCIL
CITY OF CLAYTON, CALIFORNIA
Community Facilities District 2007-1
(Citywide Landscape Maintenance)**

WHEREAS, on this date, this City Council adopted its Resolution No. 06 -2007 entitled "A Resolution of Formation of a Community Facilities District (Citywide Landscape Maintenance District) for a Period of Ten Years, and Authorizing the Levy of a Special Tax Therein and Preliminarily Establishing an Appropriations Limit Therefor" (the "Resolution of Formation"), ordering the formation of City of Clayton Community Facilities District No. 2007-1 (Citywide Landscape Maintenance) (the "CFD"), authorizing the levy of a special tax on property within the CFD and preliminarily establishing an appropriations limit for the CFD, all pursuant to the Mello-Roos Community Facilities Act of 1982, Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing with Section 53311, of the California Government Code (the "Act"); and

WHEREAS, pursuant to the provisions of the Resolution of Formation, the propositions of the levy of the special tax and the establishment of the appropriations limit shall be submitted to the qualified electors of the CFD at a special election as required by the Act; and

WHEREAS, this City Council desires that the special election be consolidated with any other election to occur in the City on June 5, 2007 and that the proposition be included on the ballot for such election which ballot is prepared by the officer charged with the duty of conducting the general and special elections for the County of Contra Costa, such official being the Registrar of Voters of the County of Contra Costa (the "Election Official"); and

WHEREAS, Section 9280 of the Elections Code of the State of California authorizes the filing of an impartial analysis and Sections 9281 to 9287 of said code authorize the filing of written arguments for or against any ballot proposition, and, if adopted by the City Council, rebuttal arguments.

NOW, THEREFORE, the City Council of Clayton, California does hereby resolve as follows:

1. Issues Submitted. Pursuant to Sections 53326 and 53325.7 of the Act, the issues of the levy of said special tax and the establishment of the appropriations limit shall be submitted to the qualified electors (as defined below) of the CFD at an election called therefor as provided below. The question to be voted upon as it shall appear on ballot shall be as follows:

Shall a new Community Facilities District 2007-1 (Citywide Landscape Maintenance District) be funded to replace the expiring District for a period of ten years to operate and maintain public roadway landscaping, trails system, open space weed abatement and related costs, with an annual levy of a special tax in the initial amount of \$196.77 per residential parcel and per non-residential acre or fraction thereof, and with an initial yearly appropriations limit of \$850,550?

The full text of the measure to be printed in the Voter Pamphlet shall include the "Description of Services to be Financed by the CFD" and the "Rate and Method of Levy of Special Tax", attached as Exhibits "A" and "B", respectively, to the Resolution of Formation of a Community Facilities District (Resolution No. 06 -2007).

2. Qualified Electors. Pursuant to Section 53326 of the Act, the vote shall be by the registered voters of the proposed CFD, with each voter having one vote.

3. Conduct of Election. This City Council hereby calls a special election (the "Election") to consider the measure described in paragraph 1 above, which election shall be held on June 5, 2007, and conducted by the Election Official. Within three business days of the adoption of this Resolution, the City Clerk shall provide to the Election Official a copy of this Resolution, a certified map of the proposed boundaries of the CFD, and a sufficient description to allow the Election Official to determine the boundaries of the CFD.

The Election is hereby ordered consolidated with any other election to be held within the City on said date, and within the territory affected by the consolidation; the election shall be held and conducted, election officers appointed, voting precincts designated, ballots printed, polls opened and closed, ballots counted and returned, returns canvassed, results declared, and all other proceedings incidental to and connected with the election shall be regulated and done in accordance with the provisions of law regulating general and special elections in the City and State and specified herein. The precincts used at the election shall be those used for citywide municipal elections, and, where necessary, the County Clerk may adjust precinct lines to coincide with the boundaries of the City. The Board of Supervisors of the County of Contra Costa is hereby requested to order the consolidation of the Election hereby called with any other election held in the City on said date, and to permit the County Clerk and the County Election Department to render services relating to the conduct of said election, which services will be determined by the City and the County Election Department, and the Board of Supervisors of the County of Contra Costa is hereby authorized to canvass the returns of said special municipal election, and said election shall be held in all respects as if there were only one election, only one form of ballot shall be used and the returns of the election need not be canvassed by the City Council. The City Clerk is hereby authorized and directed to work with the Elections Official and other appropriate officials of the County to ensure that the applicable requirements of the Elections Code are met.

4. Ballot Materials. The City Attorney is hereby requested to prepare and to provide to Election Official the ballot material described in Section 53327 of the Act.

Impartial Analysis. The City Clerk is hereby directed to submit to the City Attorney a certified copy of the measure set forth above. The City Attorney is hereby authorized and directed to prepare an impartial analysis of the measures showing the effect of the measures on the existing law and the operation of the measures, said analysis to be submitted by the City Attorney to the Election Official for printing before the arguments for and against the measure. The analysis shall not exceed 500 words in length and shall otherwise comply in all respects with the applicable provisions of the Elections Code of the State of California. The deadline date for the submittal of the analysis and primary arguments shall be March 13, 2007.

5. Filing of Primary and Rebuttal Arguments. The deadline for filing primary arguments concerning the ballot measure is March 13, 2007. Provisions for Rebuttal Arguments have been previously adopted by the Council. Rebuttal arguments must be filed by March 23, 2007.

6. Effective Date. This Resolution shall take effect upon its adoption.

**THE CITY COUNCIL
City of Clayton, California
Community Facilities District 2007-1
(Citywide Landscape Maintenance)**

WHEREAS, in proceedings heretofore conducted by this City Council pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, sections 53311, *et. seq.*, of the California Government Code (the "Act"), this City Council on February 20, 2007 adopted Resolution No. 07-2007 entitled "A Resolution Calling Special Election in the Community Facilities District", calling a special election of the qualified electors within Community Facilities District No. 2007-1 (Citywide Landscape Maintenance) of the City (the "CFD") to occur on June 5, 2007; and

WHEREAS, pursuant to the terms of said resolution, which are by this reference incorporated herein, the propositions of the levy of the special tax and the establishment of the appropriations limit was submitted to the qualified electors of the CFD at a special election as required by the Act, which special election occurred on June 5, 2007, and the City Clerk has on file a Certificate of Canvass and Statement of Results of Election from the Election Department of the County of Contra Costa; and

WHEREAS, this Council has reviewed said canvass and hereby approves it.

NOW, THEREFORE, BE IT RESOLVED by the City Council of Clayton, California, as follows:

1. The issues presented at said special election were the levy of a special tax within the CFD to be levied in accordance with the formula heretofore approved by the City Council by its Resolution No. 06-2007 adopted February 20, 2007 entitled "A Resolution of Formation of a Community Facilities District (Citywide Landscape Maintenance District) For a Period of Ten Years, and Authorizing the Levy of a Special Tax Therein and Preliminarily Establishing an Appropriations Limit Therefor."

2. The issues presented at said special election were approved by the qualified electors of the CFD by more than two-thirds (2/3) of the votes cast at said special election, as evidenced by the Canvass performed by the Contra Costa County Elections Office with a copy of the official results thereof attached hereto as "Exhibit A" and incorporated herein by such reference, the original being on file with the City Clerk.

3. Pursuant to said voter approval, the CFD is hereby ordered and declared to be fully formed with the authority to levy special taxes as heretofore provided in these proceedings and in the Act.

4. It is hereby found that all prior proceedings and actions taken by this City Council with respect to the CFD were valid and in conformity with the Act.

5. The City Clerk is hereby directed to execute and cause to be recorded in the office of the County Recorder of the County of Contra Costa a Notice of Special Tax Lien in the form required by the Act, said recording to occur no later than fifteen (15) days following adoption by the Council of this resolution.

Memo

To: Honorable Mayor and City Council

From: Virginia Siegel, Chairperson – Trails and Landscape Committee (TLC)

Date: June 15, 2010

Re: City Proposed 2010-2011 Budget – Landscape Maintenance District (Fund 210)

The Trails and Landscape Committee met on May 17, 2010. At this meeting the TLC reviewed the staff proposed preliminary Landscape Maintenance District Budget. After its review and discussion, The TLC voted unanimously (of those present at the meeting) to recommend approval to the City Council of the Landscape Maintenance District Budget as proposed for fiscal year 2010-2011.

At this meeting the TLC also reviewed deferred landscape maintenance district project and recommended that \$260,000 be used for the Landscape District reserves for median nose hardscape, fountain re-landscaping, and targeted shrub and tree replacements.

B. Citywide Landscape Maintenance District – Fund No. 210

In June 2007, Clayton voters approved a replacement real property tax to continue funding the operation and maintenance of our citywide public landscaped areas. This annual tax is restricted to costs associated with roadway medians and parkways, our trails system, open space weed abatement, irrigation and also funds the "Clayton Fountain". Maintenance of City Parks *is not* included as an authorized expense under the District's Act; park maintenance obligation falls to the City's General Fund. *Citywide public landscaping services have always been funded by a special revenue tax levied on private properties throughout the City.* The District is completing its third year of a 10-year approved operation (Measure B), and its citizens' oversight committee (Trails and Landscaping Committee, or TLC) meets quarterly to ensure the promised maintenance standards and efficiencies are achieved with these special-purpose tax revenues.

Pursuant to the terms of voter-approved Measure B, the special tax rate may be modified annually by the change in the Consumer Price Index (CPI; San Francisco – Bay Area) from April to April. In no event shall the tax rate be increased by more than 3% each year. The CPI change (from April 2009 to April 2010) arrived at 1.7%. The District's revenue projection was increased by that factor accordingly and is set at \$910,434 for FY 2010-11 (add interest earnings of \$5,000 for total revenue of \$915,434).

The Landscape Maintenance District opens the fiscal year with a projected positive equity of \$631,593, up significantly from last year by \$247,864 (65%) due to under-expending. There are several underlying causes for this return of District monies to the District's reserve:

- 1) Measure B's approved Budget allowed for the funding of one (1) more permanent Maintenance Worker to the organization to manage irrigation system controls and leaks. The District has not filled the position during the first two years of operation, relying instead on seasonal and temporary workers to manage this need. By doing so, the District "saves" approximately \$80,000 each year in salary and compensation benefits; and
- 2) The Contra Costa Water District imposed a mandatory 45% water reduction on outdoor irrigation users last year (in contrast to a 15% reduction on homeowners). This mandate necessitated City Council action to halt irrigation of water-intensive landscape to sustain the more valuable plant and mature signature trees of the District within allotted rations. Metered water expense savings of approximately \$97,000 (overlapping fiscal years) were realized yet at a more expensive cost to now replace with the lifting of the drought restrictions.

Noteworthy expenses of the District include its annual weed abatement Citywide (\$31,296 for the fire season), and the huge expense of \$55,016 to abate noxious and exotic weeds in the Oakhurst Hills (a condition of project approval for the Oakhurst residential development). Metered water service is restored at its traditional expense of \$180,000 per year, and personnel services for this labor-intensive work accounts for 33% of the District's budget this year (\$347,219).

Recognizing deliberate and cyclical dying of landscape and turf occurred in the District last year, the citizens Trails and Landscaping Committee (TLC) met on May 17th to consider staff proposition to commence replacement of dead and dying landscape using portions of the District's reserves. The TLC's recommendations were approved by the City Council on May 28th and call for the allocation and expense of \$260,000 from District reserves for the following replacement and improvement projects:

Oakhurst Drive decorative pavers in narrow medians	\$ 70,000
Clayton Fountain replanting project	\$ 70,000
Restore plants: Oakhurst Dr., old Marsh Creek Rd. & Clayton Rd.	\$ 45,000
Deferred Tree Trimming	\$ 20,000
Marsh Creek Circle replanting/headlight glare mitigation	\$ 19,400
Tree Replacements on Keller Ridge Drive	\$ 16,600
Replant Jeffry Ranch Court island	\$ 2,500
Project contingencies	<u>\$ 16,500</u>
Total:	\$260,000

Expense Account No. 7316 – Landscape Replacement contains this \$260,000 allocation from the District reserves to fund the approved landscape improvement project. The City Council further instructed staff to prioritize the replanting of the Clayton Fountain area.

The District also contributes its annual allocation of \$12,936 to the City's Capital Equipment Replacement Fund (CERF), from which Maintenance vehicles and equipment are purchased for use in maintaining the Landscape District. An expense of \$29,918 (3.3% of annual revenue) is transferred to the City's General Fund to pay for administration and overhead of the City (e.g. telephones; payroll processing; accounts receivable and payable; District direction) attributable to the District's annual operations.

With these actions, District's ending fund balance on 30 June 2011 will still be a healthy \$484,756, which equates to a reserve of 53% of its annual revenue. This reserve status is confirmation the City does not siphon "surplus" monies of the District into its General Fund; all revenues received are restricted use funds.

- (a) Consideration of the Trails and Landscaping Committee's recommendations for re-landscaping and improvement projects within the Landscape Maintenance District, and allocation of funds from the District's available reserves to fund the improvements.

The Maintenance Supervisor presented the staff report and outlined 7 proposed Landscape District projects and improvements. The first project is the replacement of landscaping with sienna colored pavers in the long narrow end sections of the medians on Oakhurst Drive. Second, replacing the landscaping at Marsh Creek Circle to prevent glare of the roadway traffic to the homes. Third, replanting the Jeffery Ranch Court island that died during the drought. Fourth, renovation of the Clayton Fountain area by removing and replacing turf, planting more trees and planting drought tolerant plants. Fifth, the replacement of arterial street plants with drought tolerant plants. Sixth, replacement of dying trees on Keller Ridge Drive with Columbia Sycamores. Seventh, allocating money toward deferred tree trimming to get back on track after the drought. The City Manager noted staff is asking the Council to allocate \$260,000 from the Landscape District reserves to cover the costs of these improvements. There are sufficient monies in the District's reserves (\$582,164).

Councilmember Geller asked why staff had not considered stamped concrete in the median noses? The Maintenance Supervisor responded that due to the stormwater regulations that option is not feasible; it must be a pervious surface.

Councilmember Geller also asked why other plants were not considered for the medians? The Maintenance Supervisor responded that different plants require more labor to maintain. Councilmember Pierce stated when the bushes are thriving, not in drought years, they look great. Councilmember Geller stated he thinks the roadway medians and plants should be more colorful, like Concord.

The Maintenance Supervisor stated the Trails and Landscaping Committee created a sub-committee to add color to the entryways and other areas but noted the medians are long, and watering high maintenance plants is not feasible.

Councilmember Medrano stated the Fountain area needs to be looked at as soon as possible because he receives complaints frequently about it. He stated volunteer labor could be used to get it done at a lesser cost.

Councilmember Pierce thanked the Trails and Landscaping Committee and staff for the work they put into these plans.

The City Manager stated staff would prioritize the Fountain re-landscaping and will determine the best way to approach the project.

It was moved by Councilmember Pierce, seconded by Councilmember Medrano to approve the re-landscaping and improvement plans as submitted by the citizens' Trails and Landscaping Committee, with priority timing for the Fountain area, and authorized the allocation and expenditure of \$260,000 from the Citywide Landscape Maintenance District reserves (restricted use funds) to install the landscape improvements (Passed; 5-0 vote).

STAFF REPORT

TO: HONORABLE MAYOR AND COUNCILMEMBERS

FROM: Maintenance Supervisors

DATE: May 28, 2010

SUBJECT: Proposed Landscape District Improvements

RECOMMENDATION

It is staff's recommendation the City Council allocate \$260,000 from the Landscape Maintenance District Reserve Funds to make the following improvements to the landscaping within the Landscape District. This action was presented to, and approved by the citizens' Trails and Landscape Committee at its May 17 meeting.

BACKGROUND

At the last Trails and Landscape Committee Meeting, staff prepared a list of desirable projects that staff would like to complete to continue to improve the City's landscaping, within the Landscape District, and decrease our landscape water usage:

1. Oakhurst Drive Decorative Pavers

Replace landscaping in the median noses along Oakhurst Drive from the City Limits to Clayton Road with decorative pavers. There are long narrow median noses located within the left turn lanes which have insufficient room to support long-term plants. Bids have come in between \$70,000 to \$125,000 for this project. The cost is higher than staff previously estimated since these medians are long and narrow, requiring a lot of cutting and fitting of the bricks which is more labor intense. At this time staff recommends that Council budget the monies at the lowest price quoted. Some of the ways staff may be able to reduce cost would be to do all the prep work for installation in house, and /or buy the bricks, and/or hire someone to lay the bricks in house. Start date would be summer of 2010.

(A couple samples will be provided for basic color choices.)

2. Marsh Creek Circle Replant Mitigation

With the widening of Marsh Creek Road 17 years ago, the City Council approved the installation of a landscape berm to serve as a buffer to reduce car headlight glare into the adjacent homes in this cul-de-sac. Since that time the landscape area has deteriorated and left many bare areas. After receiving many concerns from the residents in this area, staff brought this matter to the attention of the TLC. This project was recommended by the TLC on the November 16 2009 meeting. This recommendation includes the cost to complete the entire project in the fall of 2010.

3. Jeffry Ranch Court Replant

The project replaces the existing water-intensive lawn in the island median on Jeffry Ranch Court with drought tolerant plants. This lawn is one of three lawns in the Clayton Greens Subdivision that homeowners have personally paid a gardener to maintain over the past seventeen years in exchange for the City keeping it as lawn. With CCWD water restrictions imposed last year, the residents taking care of this lawn returned it to the Landscape District for upkeep when the City turned off its irrigation water to save allowable water for the District's larger landscape. Staff recommends waiting until 2011 to possibly replace the lawn with drought resistant plants to take advantage of the Contra Costa Water District's restart program paying fifty cents per sq ft to remove lawns. Cost savings related to this work would be a reduction in water use and restored City labor for biweekly mowing. The estimated savings for this conversion would be around \$675 a year. A discussion with the neighborhood residents would need to take place prior to any final decision to determine if the Landscape District will continue maintain the median island or if the residents still want turf and agree to resume responsibility for maintenance and a proportionate share of increased water consumption. In the event that the residents decide to resume responsibility a written agreement between the Landscape District and residents should be drafted and approved.

4. Clayton Fountain Renovation

Replant and redesign the Clayton Fountain area with work to start in 2011 or possibly the fall of 2010. This project would include the upgrade of irrigations systems and the elimination of approximately half the lawn area. This would be accomplished by replacing lawn with hardscape, trees, shrubs, and possible alternative grasses. This project will require a detailed set of construction plans for the hardscape, landscape, and irrigation. The budget amount is only an estimate for this project based on feedback from the TLC review of the conceptual plan shown at its February 8, 2010 meeting. This price could move lower or higher after a final plan is approved. Staff will once again look into the possibility of taking advantage of the Contra Costa Water District's restart program for the removal of lawns. (Note: *The Concept Plan will be displayed at the meeting*).

Staff researched the possibility of using artificial turf to replace the existing 22,000 sq. ft. of lawn area, but the TLC determined the probable cost of \$181,000 to \$237,000, was not a good use of District funds.

5. Arterial Replant Project

Staff would like to replant and infill bare areas in the landscape with drought tolerant plants. Replanting would only be done in areas where irrigation systems have been upgraded and/or give adequate coverage. The following areas have been targeted for this project: Old Marsh Creek Road, Oakhurst Drive, and select portions of Clayton Road.

6. Keller Ridge Drive Tree Replacement

Replace and trim street trees on Keller Ridge Drive. There are 114 London Plane trees ('Bloodgood' variety) planted along Keller Ridge Drive within the Landscape District. These trees are not as resistant to disease as the newer "Columbia Sycamore" species and many have not matured during the past fifteen years since they were first planted. Out of the 114 trees 32 will be replaced with the more appropriate 'Columbia' species of the London Plane tree. At the same time the remaining trees would be structurally trimmed removing dead wood and weak branches. This area will continue to be an on-going problem as many of the remaining trees may weaken from the continued assault of disease forcing us to remove and replace them in the future. The start of this project would be over the summer of 2010. (*A map of tree locations will be displayed*). Several years ago the City replaced diseased and dead London Plane trees within arterial medians with the hardier Columbia Sycamore tree, and few but the experts can see the difference between the mixed trees.

7. Deferred Tree Trimming

Add funding to do catch up of structural trimming of the large mature trees in the City. The annual budget amount for tree work is now \$15,000 a year based on the following criteria: emergency trimming, safety trimming and structural pruning of trees within the Landscape District. Applying extra funding for this project would allow for some backlogged areas to get the necessary structural trimming, such as the median trees located on Clayton Road between Oakhurst Drive and Regency Drive. Additionally, various London Plane, Oaks, and Eucalyptus trees will be trimmed within the Landscape District. This project will start over the summer of 2010. This would be a one time expense and not ongoing year to year maintenance. There may be times periodically in the future that staff would recommend deferred maintenance project funding for added pruning of this type. This would be based upon the trees growth, health, and funds availability.

CONCLUSION

With the Landscape Maintenance District entering its 4th year staff believes it is time to start creating projects to beautify and improve the landscaping. The recent drought has taken a toll on many of the trees and shrubs throughout the Landscape District which will require extra attention and possible replacement. In anticipation of future droughts staff also believes that we should redesign some of the more high profile landscape areas in the district with improved irrigation, drought resistant plantings, and decorative hardscape. Money available within the Landscape District Funds will make these projects possible.

Breakdown of costs associated with each respective project

#	PROJECT	PROPOSED BUDGET	PROJECT START
1	Oakhurst Dr Decorative Pavers	\$70,000	Summer 2010
2	Marsh Creek Cir. Replant Mitigation	\$19,400	Fall 2010
3	Jeffry Ranch Ct. Replant	\$2,500	2011
4	Water Feature Replant	\$70,000	2011
5	Arterial Replant Project	\$45,000	Fall 2010
6	Keller Ridge Dr. Tree Replacement	\$16,600	Fall 2010
7	Deferred Tree Trimming	\$20,000	2010
	*Contingency	\$16,500	(apx 6.7%)
	TOTAL ESTIMATED COST	\$260,000	

***Contingency:** Many of these projects will need to be specifically designed out and the actual costs for materials and labor may vary from the estimate. Typical projects of this size would have a 5% -10% contingency. Staff used an estimate of 6.7% for contingency at this time for the budget estimates.

FISCAL IMPACT

It is projected there is approximately \$582,164 in the FY 2009-2010 ending fund balance of the Landscape Maintenance District. A combination of conservative spending, water savings and labor savings has allowed a reserve, giving the District resources needed to fund projects to improve the landscaping in the City. Leaving a reserve balance of \$200,000 to operate the District until real property assessments are paid in December 2010, the District can use \$382,164 of its reserves to fund these improvement projects.

Bella Bluegrass is the only dwarf, vegetative bluegrass in the turf industry! Originally developed by the University of Nebraska over a decade ago, *Bella only grows 3 to 4 inches tall, reducing mowing by 50 to 80 percent! This saves you time on maintenance and helps to keep our air clean!*

The most striking features of Bella is its dark green color, slow and low growth habit, and its ability to spread laterally. With its dense turf canopy, Bella also helps prevent weed growth.

INSTALLATION TIPS

When to Plant

Eco-Lawn is best planted in late summer or early spring as this allows for the longest periods of optimum growing conditions.

Seed Bed Preparation for New Lawns

Loosen soil to a depth of 3 inches (7.5 cm). Remove debris and any rocks golf ball size or larger. Rake and smooth seed bed.

Sowing the Seed

Distribute seed evenly. A fertilizer spreader set 1/2 way open works well. Apply 1/2 of the seed in a North to South direction and the other 1/2 in an East to West direction. Ensure good seed to soil contact after sowing by raking the area gently, which lightly covers the seed and then roll it with an empty lawn roller. For large areas either hydro-seed or use a mechanical planter such as a Brillson seeder.

Converting Existing Lawns

To convert an old lawn to all Eco-Lawn by overseeding, start by mowing the area as short as possible. Hard rake to loosen the soil to a depth of 1/2 inch (1.25 cm) and sow Eco-Lawn seed. For a full conversion repeat every year for 3 - 5 years. Or for a quick conversion, mow the old lawn with an organic vinegar or citrus based herbicide. When it is dead mow the debris as short as possible. Hard rake the soil to a depth of 1/2 inch (1.25 cm). Sow Eco-Lawn seed.

Watering

Water daily for the first few weeks to a depth of 1 inch (2.5 cm). It is best to water in the early morning. When your Eco-Lawn "greens up" watering can be cut back to every 2 to 3 days in the first year or growth depending on weather conditions. Once Eco-Lawn has grown for a full year, you will likely only need to water during extremely dry periods. If you feel that you do need to water, deep soakings are better than frequent light sprinkles.

Mowing

If you mow Eco-Lawn, set the mower height to 3 inches (7.5 cm). Use sharp blades to prevent damage. Mowing too short will damage your Eco-Lawn. Left alone, Eco-Lawn will form a gentle, flowing carpet of grass.

Fertilizing

Although fertilizer is not necessary, if you choose to apply a fertilizer, do so sparingly in early spring or late fall.

Weeds

Most weeds germinate in spring and early summer and this will inevitably result in some weed competition with a newly seeded lawn. Once your Eco-Lawn is about 3 inches (7.5 cm) tall, you can tackle weeds with a variety of organic methods including:

- ▶ Regular mowing will prevent any weeds from forming seeds.
- ▶ When Eco-Lawn is at least three months old you can, if you choose, apply traditional weed killers.
- ▶ As Eco-Lawn matures, it kills weeds naturally. How? Eco-Lawn is allelopathic. This means it emits a natural, safe herbicide that prevents weeds from germinating, resulting in a weed free lawn!

Here's what our customers are saying about Eco-Lawn!

"We started using Eco-Lawn 2 years ago, top-seeding a large area of lawn that was burnt out and several medium size areas that had been plowed to virgin dirt. We have a lot of shade on our property, but Eco-Lawn grows well everywhere. It's a big relief from the fertilize-water-mow cycle we had been on"

Rob Pyke, MD PhD., Fairfield, CT

"After experimenting with other grass seeds and getting poor results, we offered Eco-Lawn to the residents of the City of Kelowna as a way to reduce water consumption during our very dry summers. Our residents are thrilled with their new Eco-Lawns as they have reduced their lawn maintenance, reliance on pesticides and fertilizers, and now enjoy beautiful lawns. And WaterSmart is thrilled since we are reaching our goal of reduced water consumption. We couldn't ask for better results"

Neal Klassen, WaterSmart, Kelowna, BC

"I think the Eco-Lawn ought to be planted as widely as possible. These grasses are better for the environment, use less fertilizer and water and require less mowing. If you like mowing every five days in the spring, plant Kentucky blue and knock yourself out. But if you only want to mow a few times a year, Eco-Lawn might be a good choice for you."

Paul Tukey, Founder, SafeLawns.org

"It's great to find an innovative product like Eco-Lawn that's ready to help us adapt to climate change."

Unmowed Eco-Lawn

Eco-Lawn is a blend of seven carefully selected fine fescue grasses. It produces a healthy, thick green lawn with minimal care. Eco-Lawn is highly drought tolerant, once established, and has a beautiful green colour.

Experience what thousands of people across North America already know about Eco-Lawn!

Key Benefits of Eco-Lawn:

- **Environmentally friendly** - since you only need to mow Eco-Lawn once a month at the most, you will be reducing harmful greenhouse gas emissions.
 - **Drought Tolerant** - Eco-Lawn's grass blades are very thin and thus don't require the amount of water that the thick blades of traditional lawns demand.
 - **No Fertilizers Required** - Eco-Lawn creates a deep root system that enables access to ground source water and nutrients naturally.
 - **Reduced Mowing Time** - Eco-Lawn is a slow growing turf that needs mowing only once a month, or Eco-Lawn can be left unmown for a free-flowing carpet-like effect.
 - **Grows in most conditions** - Eco-Lawn grows to form a dense turf on loam, well drained clay and even in dry soils! Eco-Lawn thrives in full sun, part shade and even deep shade!
 - **Less vulnerable to lawn pests** - Eco-Lawn's naturally occurring endophytes enhance resistance to surface feeding pests including sod webworm and chinch bugs. Once mature Eco-Lawn requires very little, if any, watering. This allows the soil to remain hard, creating less attractive conditions for grubs.
- Eco-Lawn has been on the market for over a decade and during this time tens of thousands of North American homeowners, businesses and municipalities have enjoyed the benefits of reduced mowing and reduced watering while at the same time eliminating the use of potentially dangerous lawn chemicals.

WHAT IS YOUR PRIORITY?

We all know that going green is good for the planet. But if you ask people to do more to protect the environment, they often think they have to sacrifice. Doing the right thing means giving up conveniences while paying for eco-friendly alternatives, right?

Not at all!

With Eco-Lawn you too can...

SAVE TIME!

Eco-Lawn germinates quickly but turns into a slow growing grass once it takes root. Which means you only need to mow once a month! Its deep reaching roots make it drought resistant too, eliminating the need for time consuming watering, fertilization or aerating. Making Eco-Lawn virtually maintenance free!

SAVE MONEY!

Say goodbye to harsh lawn chemicals and reduce your mowing costs at the same time! Thanks to the unique properties of this hardy fine fescue blend, Eco-Lawn forms a dense, low growing turf even under extreme conditions. This ensures the lowest annual maintenance costs of all forms of landscaping and great savings for you!

SAVE THE ENVIRONMENT!

This all natural, all organic blend of fine fescue grasses eliminates the need for chemically based fertilizers and pesticides; seldom requires watering or mowing and thrives in all conditions and environments. Ideal for regions where water conservation is a necessity, Eco-Lawn is the dream lawn for today's ecologically conscious society!

Frequently Asked Questions

Q: What is the germination rate for Eco-Lawn?

A: As required by law, Eco-Lawn is independently tested for germination, purity and weed seed content. These test results show that Eco-Lawn is 99% pure seed with a germination rate of 88% and 0% weed seed content. So you can be assured that Eco-Lawn is weed free and exceptionally viable.

Q: When is the best time to sow Eco-Lawn?

A: Eco-Lawn is best sown in cool, moist conditions (approx. 18C or 65F). For most of North America this is in late summer or early spring.

Q: Do I need new topsoil?

A: Eco-Lawn will thrive in any soil ranging from sandy soil to compacted clay. You don't need topsoil unless you are attempting to grow Eco-Lawn in pure beach sand. Beware though all topsoil is chock full of weed seeds!

Q: Can I overseed my existing lawn?

A: You can convert an old lawn to an Eco-Lawn by overseeding. But simply overseeding once will not result in an instant conversion. You will need to overseed for a period of 3 - 4 years for it to become a true Eco-Lawn.

Q: Is Eco-Lawn genetically modified (GMO)?

A: No! Eco-Lawn is an all natural, organic blend of seven fine fescue grasses.

STAFF REPORT

TO: HONORABLE MAYOR AND COUNCILMEMBERS

FROM: Laura Hoffmeister, Asst. to the City Manager

MEETING DATE: July 6, 2010

SUBJECT: Approval of resolution ordering the levy and collection of special taxes and setting forth the special tax amount for Community Facilities District (CFD) 2006-1 (Downtown "The Grove" Park Maintenance) on the fiscal year 2010-2011 Tax Assessment

RECOMMENDATION

Adoption of Resolution No. __-2010 ordering the levy and collection of special taxes and setting forth the special tax amount for Community Facilities District (CFD) 2006-1 (Downtown "The Grove" Park Operation and Maintenance) on the fiscal year 2010-2011 Tax Assessment Roll.

BACKGROUND

In November 2006 the electorate voted 68.19% approval to establish a special tax, known as Measure O, for the care and maintenance of Downtown Park, known as "The Grove". Measure O was established for a 10 year period (through 2017).

This special tax serves as the only funding source for the Downtown Park Operation and Maintenance - known as Community Facilities District (CFD) 2006-1. To levy the tax the city conducted a general election in the November 2006 consolidated election and received more than the minimum vote threshold (66.66%) to enact the tax.

The tax is for costs related to costs of the operation, maintenance, repair and replacement landscaping, irrigation, hardscape, lights, public restroom, gazebo, playground, water, electricity, etc. Other City parks are not maintained by this special tax but through the General Fund.

The collection of the tax is done by the County, and property owners' payments first payment occurred in November/December 2007. The Grove was opened to public use in January 2008.

Meeting Date: July 6, 2010

Page 2 of 2

The collection of the tax is done by the County, and property owners' payments for this new District first occurred in November/December 2007. Established in the voter approved tax is an ability after the initial year, to increase the assessment by the CPI with a maximum of 3% annually. It is recommended and included in the proposed levy rates to apply the annual CPI increase of 1.72%. This CPI adjustment was reflected in the City Council adopted budget.

FISCAL IMPACT

For fiscal year 2010-11 fiscal year the levy amount proposed is \$17.28 per residential parcel (an increase of 30 cents from last year rate of \$16.98). The non residential parcels for 2010-10 fiscal year are to be levied as follows: Downtown Core, \$233.18 per ¼ acre or fraction thereof (an increase of \$3.93); Other Commercial \$102.23 per ¼ acre or fraction thereof (an increase of \$1.73); Recreation Open Space \$51.11 per ¼ acre or fraction thereof (an increase of \$0.87). Multifamily Residential Care Facilities \$53.71 per ¼ acre or fraction thereof (an increase of \$.91)

For fiscal year 2010-11 there apx. 4105 parcels that are subject to the special tax. Of these 4044 are residential and apx. 61 are non residential. The total amount of revenue estimated to be received from this tax for FY 2010-11 is \$109,009.42 (an increase of \$2,861.70 over FY 09-10). These tax revenues are placed into a Special Revenue Fund (No. 211) through which all eligible expenses are tracked, paid and audited. Allowable expenses include only that for the purposes of the Downtown Park Operation and Maintenance District such as materials, supplies, equipment, utilities, labor, and administration.

CONCLUSION

The City Council, by Ordinance 401, as authorized by Section 53340 of the Government Code of the State of California, has authorized the levy of a special tax to pay for costs and expenses related to Community Facilities District 2006-1. This resolution authorizes the Contra Costa County auditor to place unpaid direct bill taxes for the 2010-2011 fiscal year on the next assessment roll.

City of Clayton, California**

WHEREAS, the City Council of the City of Clayton, California, (hereinafter referred to as the "legislative body"), has initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors relating to the levy of a special tax in Community Facilities District No.2006-1(hereinafter referred to as "District"), all as authorized pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1982"; being Chapter 2.5, Part 1, Division 2, Title 5 of the Government Code of the State of California (the "Act"). ; and,

WHEREAS, this legislative body, by Ordinance No. 401 as authorized by Section 53340 of the Government Code of the State of California, has authorized the levy of a special tax to pay for costs and expenses related to said District, and this legislative body is desirous to establish the specific rate of the special tax to be collected for fiscal year 2010-11; and,

WHEREAS, the special taxes are in compliance with all laws pertaining to the Act and the levy of special taxes; the special taxes are levied without regard to property valuation, and the special taxes are in compliance with the provisions of Prop 218.

NOW THEREFORE, IT IS HEREBY RESOLVED AS FOLLOWS:

SECTION 1. That the above recitals are all true and correct.

SECTION 2. That the specific rate and amount of the special tax to be collected

Attachment 1

to pay for the costs and expenses for the next fiscal year (2010-2011) for the referenced District is hereby determined and established as set forth in the attached, referenced and incorporated Exhibit "A".

SECTION 3. That the rate as set forth above does not exceed the amount as previously authorized by Ordinance 401 of this legislative body, and is not in excess of that as previously approved by the qualified electors of the District.

SECTION 4. That the proceeds of the special tax shall be used as provided in Ordinance No. 401, including, but not limited to, the payment of, in whole or in part, the costs of the following:

- A. Payment of costs and expenses of the operation, maintenance, repair and replacement of the downtown park facilities;
- B. Payment of District administrative costs.
- C. Cost of collecting and administering the special tax

The proceeds of the special taxes shall be used as set forth above, and shall not be used for any other purpose.

SECTION 5. The special tax shall be collected in the same manner as ordinary ad valorem property taxes are collected, and shall be subject to the same penalties and same procedure and sale in cases of any delinquency for ad valorem taxes, and the Tax Collector is hereby authorized to collect the special tax and to deduct reasonable administrative costs incurred in collecting said special tax.

SECTION 6. All monies above collected shall be paid into the Community Facilities District 2006-1 fund.

SECTION 7. The Auditor of the County is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land effected in a space marked "public improvements, special tax" or by any other suitable designation, the installment of the special tax, and for the exact rate and amount of said tax, and assessor's parcel number (APN), reference is made to the attached Exhibit "A".

SECTION 8. The County Auditor shall then, at the close of the tax collection period, promptly render to this City a detailed report showing the amount and/or amounts of such special tax installments, interest, penalties and percentages so collected and from what property collected, and also provide a statement of any percentages retained for the expense of making any such collection.

EXECUTIVE SUMMARY/SPECIAL ISSUES

General Information Summary

Maturity	2010/11 Levy (1)	Parcel Count	Delinquency Rate (2)
Fiscal Year 2016/17	\$109,009.42	4,301	2.63%

(1) Includes a rounding adjustment for tax submittal purposes.

(2) Delinquency Rate for Fiscal Year 2009/10.

Community Facilities District No. 2006-1, Downtown Park Operation and Maintenance Tax (the "District") was created to finance the costs of operation, maintenance, repair and replacement of an approximate 1-acre public park (APN 119-015-005 and 006) adjacent to the western edge of (old) March Creek Road between Main and Center Streets located in Town Center Clayton.

For Fiscal Year 2010/11, all taxable parcels within this District will be levied at 100% of their respective Maximum Special Tax. The Maximum Special Tax rates for Fiscal Year 2010/11, which have been escalated by 1.71%, are as follows:

Residential Parcels:	\$17.28 per parcel
Downtown Core Parcels:	\$233.18 per ¼ acre or fraction thereof
Other Commercial Parcels:	\$102.23 per ¼ acre or fraction thereof
Recreational Open Space Parcels:	\$51.11 per ¼ acre or fraction thereof
Multi-Family Residential Care Facilities Parcels:	\$53.71 per ¼ acre or fraction thereof

The delinquency rate for the District was 2.63% for Fiscal Year 2009/10. With the City's authorization, NBS sent reminder and demand letters to delinquent property owners to encourage the immediate payment of delinquent property tax bills.

3. RATE AND METHOD OF APPORTIONMENT

3.1. Method of Apportionment

A Special Tax will be levied annually on each taxable parcel of land within the District and collected in the same manner as ordinary ad valorem property taxes or in such manner as the City Council or its designee shall determine, including City-originated billing of the affected property owners.

3.2. Definitions

Taxable Parcels - Parcels of land within the boundaries of the District that are not included in the "Exempt Parcel" category listed below.

Exempt Parcels - Parcels of land owned by a public school district, and parcels of land owned by the City of Clayton or the Clayton Redevelopment Agency outside the boundaries of the defined Downtown Core area.

Residential Parcels - Taxable Parcels of land in the District that are classified in the City of Clayton General Plan as either single-family, multi-family or rural estate residential parcels.

Downtown Core Parcels - Taxable Parcels within the Downtown Core area that are not classified as "Residential Parcels."

Other Commercial Parcels - Taxable Parcels outside the boundaries of the Downtown Core area that are not classified as "Residential Parcels," "Recreational Open Space Parcels" or "Multi-Family Residential Care Facilities Parcels."

Recreational Open Space Parcels - Taxable Parcels classified as "Private Golf Course" in the City of Clayton General Plan.

Multi-Family Residential Care Facilities Parcels - Taxable Parcels having institutional or congregate care residential units within a facility with an on-site manager.

Special Tax - The Special Tax allowed to be levied on property within the District, calculated pursuant to the Rate and Method of Apportionment of Special Tax.

3.3. Special Tax Formula

- A. **Residential Parcels** - An annual Special Tax will be levied on all Residential Parcels, as defined above, at the per parcel tax rate shown below for each Fiscal Year 2007/08 through 2016/17:

Residential Parcel Annual Special Tax Rate for Fiscal Year 2007/08: \$16.39 per parcel.

- B. **Downtown Core Parcels** - An annual Special Tax will be levied on all non-Residential Parcels within the Downtown Core area, as defined above, at the per ¼ acre or fraction thereof, parcel rate shown below for each Fiscal Year 2007/08 through 2016/17:

Downtown Core Parcel Annual Special Tax Rate for Fiscal Year 2007/08: \$221.05 per ¼ acre or fraction thereof parcel size as shown on the County tax roll.

- C. **Other Commercial Parcels** - An annual Special Tax will be levied on all non-Residential Parcels outside the Downtown Core area, as defined above, at the per ¼ acre or fraction thereof parcel rate shown below for each Fiscal Year 2007/08 through 2016/07:

Other Commercial Parcel Annual Special Tax Rate for Fiscal Year 2007/08: \$96.92 per ¼ acre or fraction thereof parcel size as shown on the County tax roll.

- D. **Recreational Open Space Parcels** - An annual Special Tax will be levied on all Private Golf Course Parcels, as defined above, at the per ¼ acre or fraction thereof parcel rate shown below for each Fiscal Year 2007/08 through 2016/17:

Recreational Open Space Parcel Annual Special Tax Rate for Fiscal Year 2007/08: \$48.46 per ¼ acre or fraction thereof parcel size as shown on the County tax roll.

- E. **Multi-Family Residential Care Facilities Parcels** - An annual Special Tax will be levied on all Multi-Family Residential Care Facilities Parcels, as defined above, at the per ¼ acre or fraction thereof parcel rate shown below for each Fiscal Year 2007/08 through 2016/17:

Multi-Family Residential Care Facilities Parcel Annual Special Tax Rate for Fiscal Year 2007/08: \$50.92 per ¼ acre or fraction thereof parcel size as shown on the County tax roll.

3.4. Special Tax Escalator Factor

In Fiscal Years 2008/09 through 2016/17, each annual Special Tax rate may be increased annually by the City of Clayton City Council in an amount not to exceed the full annual adjustment (April to April) in the Consumer Price Index – All Urban Consumers, San Francisco-Oakland-San Jose, CA Area (Base Period 1982-84 =100). This escalation factor is applicable if determined by the City to be necessary due to expected or actual increases in the operational, maintenance, repair and replacement expenses attributable to the District. In no event shall each annual Special Tax rate in any fiscal year increase by more than three percent (3%) over the previous year.

The Special Tax Escalation Factor for Fiscal Year 2010/11 is 1.71%.

3.5. Duration of Special Tax Levy

The Special Tax will be levied annually for a period of ten (10) years commencing with Fiscal Year 2007/08 through and including Fiscal Year 2016/17. After the ten (10) year duration has expired the Special Tax may no longer be levied or collected unless extended pursuant to applicable laws, except that a Special Tax that was lawfully levied in or before the final tax year and that remains delinquent may be collected in subsequent years.

4. BACKGROUND INFORMATION

4.1. Project Description

The services that are proposed to be financed by the District shall include the attributable costs of operation, maintenance, repair and replacement of:

Downtown Park – which includes, but is not limited to:

Costs of operation, maintenance, repair and replacement of an approximate 1-acre public park (APN 119-015-005, 006) abutting the western edge of (old) Marsh Creek Road between Main and Center Streets located in Town Center Clayton.

Definitions

“Costs of Operation, Maintenance, Repair and Replacement” of the foregoing public park improvements means the furnishing of services and materials for the ordinary and usual operation, maintenance and care of a downtown public park with its appurtenant facilities, public restroom, gazebo, playground equipment and improvements, including repair, removal or replacement of all or part of any landscaping or turf or appurtenant facilities providing for the life, growth, health and beauty of the landscaping, including cultivation, irrigation, trimming, pruning, spraying, fertilizing and treating for disease or injury; the removal of trimmings, rubbish, debris, litter and other solid wastes; and the eradication of landscape pests, including but not limited to vermin and rodents, ground squirrels, gophers, and moles.

“Maintenance” also means the furnishing of water for public health purposes and irrigation of the park turf, trees and landscaping, and the supply of the electricity to operate the attendant irrigation systems, park lights and electrical outlets. In addition, allowable expenses include the County's cost to levy and collect the District's assessment through the annual property tax bill, the City's shared equipment and facilities charges, City prorated overhead charges to administer and manage the District, and District reserve funds for capital replacements, vandalism and major repairs.

The foregoing services shall be provided through and by the City, either with its own labor forces or by contract with third parties, or any combination thereof, as determined solely by the City.

4.2. Resolutions

The resolution approved by the City Council authorizing the levy of the special tax was not available at the time of writing this report.

ORDINANCE NO. 401

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CLAYTON LEVYING SPECIAL
TAXES WITHIN COMMUNITY FACILITIES DISTRICT NO. 2006-1
(Downtown Park Operation and Maintenance District)**

**THE CITY COUNCIL
City of Clayton, California**

WHEREAS, on May 16, 2006, the City Council (the "Council") of the City of Clayton (the "City") adopted City Resolution No. 19-2006 entitled *"A Resolution of Intention to Establish a Community Facilities District to fund the Annual Operation and Maintenance of a Downtown Park for the time period of Ten Years, and to Authorize the Levy of Special Taxes Therein"* (the "Resolution of Intention") stating its intent to establish City of Clayton Community Facilities District No. 2006-1 (Downtown Park Operation and Maintenance District) (the "CFD") pursuant to the Mello-Roos Community Facilities Act of 1982, Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing with Section 53311, of the California Government Code (the "Act"), to finance certain services (the "Services"); and

WHEREAS, notice was duly published as required by the Act relative to the intention of this Council to form the CFD and to provide for the Services; and

WHEREAS, this Council held a noticed public hearing on June 20, 2006 as required by Act relative to the determination to proceed with the formation of the CFD and the rate and method of apportionment of the special tax to be levied within the CFD to finance the costs of the Services; and

WHEREAS, at said public hearing all persons desiring to be heard on all matters pertaining to the formation of the CFD and the levy of said special taxes were heard, substantial evidence was presented and considered by this Council and a full and fair hearing was held: and

WHEREAS, subsequent to said public hearing, on June 20, 2006 this Council adopted City Resolution No. 23-2006 entitled *"A Resolution of Formation of a Community Facilities District, Authorizing the Levy of a Special Tax Therein and Preliminarily Establishing an Appropriations Limit Therefor"* (the "Resolution of Formation"), and further adopted City Resolution No. 24-2006 entitled *"A Resolution Calling a Special Election in a Community Facilities District."* which resolutions established the CFD, authorized the levy of a special tax with the CFD, and called an election within the CFD on the propositions of levying a special tax and establishing an appropriations limit within the CFD, respectively; and

WHEREAS, the November 7, 2006 election was held within the CFD in which the eligible registered voters approved the propositions presented by more than the two-thirds vote required by the Act, which approval was confirmed by City Resolution No. 59-2006 of this Council.

NOW THEREFORE, THE CITY COUNCIL OF THE CITY OF CLAYTON DOES ORDAIN as follows:

Section 1. Special Tax Authorized. By the passage of this Ordinance this Council hereby authorizes and levies special taxes within the CFD pursuant to 53328 and 53340 of the Act, at the rates and in accordance with the method of apportionment set forth in Exhibit B to the Resolution of Formation (the "Rate and Method"). The special taxes are hereby levied commencing in fiscal year 2007-08 and in each fiscal year thereafter through fiscal year 2016-17 for the payment of all costs of the Services and payment of all costs of administering the CFD.

Section 2. Collection Official. Following the approval by the Council of a budget for the CFD for each fiscal year after 2007-08, the City Manager (or his or her designee) (the "Collection Official") is hereby authorized and directed in each fiscal year to determine the specific special tax rate and amount to be levied for the next ensuing fiscal year for each parcel of real property within the CFD, in accordance with such approved budget and in the manner and as provided in the Rate and Method of Apportionment. In the event that this Council has not adopted a budget for the CFD by July 31 of any year, the budget for that fiscal year shall be the same as the budget for the previous fiscal year.

Section 3. Exemptions. Properties or entities of the State, federal or local governments shall be exempt from any levy of the special taxes, as are certain other properties, to the extent set forth in the Rate and Method of Apportionment. In no event shall the special taxes be levied on any parcel within the CFD in excess of the maximum tax specified in the Rate and Method of Apportionment.

Section 4. Use of Special Tax. All of the collections of the special tax shall be used as provided for in the Act, the Rate and Method of Apportionment, and in the Resolution of Formation including, but not limited to, the payment of the costs of the Services, the payment of the costs of the City in administering the CFD and the costs of collecting and administering the special tax.

Section 5. Collection Method. The special taxes of the CFD shall be collected from time to time as necessary to meet the financial obligations of the CFD on the secured real property tax roll in the same manner as ordinary *ad valorem* taxes are collected. In each fiscal year commencing in the fiscal year 2007-08, the Collection Official is authorized and directed to provide all necessary information to the auditor/tax collector of the County of Contra Costa and to otherwise take all actions necessary in order to effect proper billing and collection of the special tax, so that the special tax shall be levied and collected in sufficient amounts and at the times necessary to satisfy the financial obligations of the CFD in each fiscal year until the City shall cease to collect the special taxes and provision has been made for payment of all of the administrative costs of the CFD.

Notwithstanding the foregoing, the Collection Official may collect the special taxes by means of direct billing by the City to the property owners within the CFD if, in the judgment of

the Collection Official such means of collection will reduce the administrative burden on the City in administering the CFD or is otherwise appropriate in the circumstances. In such event, the special taxes shall become delinquent if not paid when due as set forth in any such respective billing to the property owners.

Whether the special taxes are levied in the manner provided in the first or the second preceding paragraph, the special taxes shall have the same lien priority, and be subject to the same penalties and the same procedure and sale in cases of delinquency as provided for ad valorem taxes. In addition, the provisions of Section 53356.1 of the Act shall apply to delinquent special tax payments.

Section 6. Partial Invalidity. If for any reason any portion of this ordinance is found to be invalid, or if the special tax is found inapplicable to any particular parcel within the CFD, by a Court of competent jurisdiction, the balance of this ordinance and the application of the special tax to the remaining parcels within the CFD shall not be affected.

Section 7. Execution and Posting. The Mayor shall sign this Ordinance and the City Clerk, within fifteen (15) days after its passage, shall cause the same to be posted in three (3) public places as designated by Resolution of the Clayton City Council for the posting of ordinances and public notices.

RESOLUTION NO. 23-2006

**A RESOLUTION OF FORMATION OF A COMMUNITY FACILITIES DISTRICT,
AUTHORIZING THE LEVY OF A SPECIAL TAX THEREIN AND PRELIMINARILY
ESTABLISHING AN APPROPRIATIONS LIMIT THEREFOR**

**City of Clayton, California
Community Facilities District 2006-1
(Downtown Park Operation and Maintenance District)**

WHEREAS, on May 16, 2006, this Council adopted Resolution No. 19-2006 entitled "A Resolution of Intention to Establish a Community Facilities District to Fund the Annual Operation and Maintenance of a Downtown Park for a Time Period of Ten Years, and to Authorize the Levy of Special Taxes Therein" (the "Resolution of Intention"), stating its intention to form the City of Clayton Community Facilities District No. 2006-1 (Downtown Park Operation and Maintenance District) (the "CFD"), pursuant to the Mello-Roos Community Facilities Act of 1982, Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing with Section 53311, of the California Government Code (the "Act"); and

WHEREAS, the Resolution of Intention, incorporating a map of the proposed boundaries of the CFD and stating the Services (as described herein) to be provided, the estimated maximum cost of providing such Services, and the rate and method of apportionment of the special tax to be levied within the CFD to pay for the Services (as hereafter defined) with respect to the CFD, are each on file with the City Clerk and the provisions thereof are incorporated herein by this reference as if fully set forth herein; and

WHEREAS, on June 20, 2006, this City Council held a noticed public hearing as required by the Act and the Resolution of Intention relative to the proposed formation of the CFD; and

WHEREAS, at said hearing all interested persons desiring to be heard on all matters pertaining to the formation of the CFD, the Services to be provided therein and the levy of said special tax were heard and a full and fair hearing was held; and

WHEREAS, at said hearing evidence was presented to this Council on said matters before it, including a report by the City Manager (the "Report") as to the Services to be provided through the CFD and the costs thereof, a copy of which is on file with the City Clerk, and this Council at the conclusion of said hearing is fully advised in the premises; and

WHEREAS, written protests with respect to the formation of the CFD, the furnishing of specified types of Services and the rate and method of apportionment of the special taxes have not been filed with the City Clerk of the City by fifty percent (50%) or more of the registered voters residing within the territory of the CFD or property owners of one-half (1/2) or more of the area of land within the CFD and not exempt from the special tax; and

WHEREAS, the special tax proposed to be levied in the CFD to pay for the proposed Services to be provided therein, as set forth in Exhibit A hereto, has not been

eliminated by protest by fifty percent (50%) or more of the registered voters residing within the territory of the CFD or the owners of one-half (1/2) or more of the area of land within the CFD and not exempt from the special tax.

NOW, THEREFORE, the City Council of Clayton, California does hereby resolve as follows:

1. Recitals. The foregoing recitals are true and correct.
2. No Majority Protest. The proposed special tax to be levied within the CFD has not been precluded by majority protest pursuant to Section 53324 of the Act.
3. Prior Proceedings. All prior proceedings taken by this Council in connection with the establishment of the CFD and the levy of the special tax have been duly considered and are hereby found and determined to be valid and in conformity with the requirements of the Act. This Council hereby finds and determines that the CFD is in conformity with the goals and policies heretofore adopted by this Council with respect to the formation of the CFD.
4. CFD Established. The community facilities district designated "City of Clayton Community Facilities CFD No. 2006-1 (Downtown Park Operation and Maintenance District)" is hereby established pursuant to the Act.
5. Boundaries Described. The boundaries of the CFD, as set forth in the map of the CFD heretofore recorded in the Contra Costa County Recorder's Office on May 31, 2006 in Book 79 at page 50 of Maps of Assessment and Community Facilities Districts, are hereby approved and incorporated herein by reference and shall be the boundaries of the CFD.
6. Services. The type of public Services proposed to be financed by the CFD and pursuant to the Act shall consist of those items listed as Services on Exhibit A attached hereto and by this reference incorporated herein (the "Services").
7. Special Taxes. Except to the extent that funds are otherwise available to the CFD to pay for the Services, a special tax sufficient to pay the costs thereof, secured by a continuing lien against all non-exempt real property in the CFD, will be levied annually within the CFD, and collected in the same manner as ordinary *ad valorem* property taxes or in such other manner as this Council or its designee shall determine, including direct billing of the affected property owners. The proposed rate and method of apportionment of the special tax among the parcels of real property within the CFD, in sufficient detail to allow each landowner within the proposed CFD to estimate the probable maximum amount such owner will have to pay, are described in Exhibit B attached hereto and by this reference incorporated herein.
8. Tax Collector City. The City Manager, 6000 Heritage Trail, Clayton, California, 94517 telephone number (925) 673-7300 is the officer of the City who will be responsible for preparing annually a current roll of special tax levy obligations by assessor's parcel number and who will be responsible for estimating future special tax levies pursuant to Section 53340.2 of the Act.
9. Tax Lien. Upon recordation of a notice of special tax lien pursuant to Section 3114.5 of the California Streets and Highways Code, a continuing lien to secure each

levy of the special tax shall attach to all nonexempt real property in the CFD and this lien shall continue in force and effect until the special tax obligation ceases and the lien canceled in accordance with law or until collection of the tax by the City ceases.

10. Appropriations Limit. In accordance with Section 53325.7 of the Act, the annual appropriations limit, as defined by subdivision (h) of Section 8 of Article XIII B of the California Constitution, of the CFD is hereby preliminarily established at \$100,600.00 and said appropriations limit shall be submitted to the voters of the CFD as hereafter provided. The proposition establishing said annual appropriations limit shall become effective if approved by the qualified electors voting thereon and shall be adjusted in accordance with the applicable provisions of Section 53325.7 of the Act.

11. Election. Pursuant to the provisions of the Act, the proposition of the levy of the special tax and the proposition of the establishment of the appropriations limit specified above shall be submitted to the qualified electors of the CFD at an election the time, place and conditions of which election shall be as specified by a separate resolution of this Council.

12. Effective Date. This Resolution shall take effect upon its adoption.

PASSED, APPROVED AND ADOPTED by the City Council of Clayton, California at a regular public meeting thereof held the 20th day of June 2006, on the following vote:

AYES: Councilmember Laurence, Manning, Pierce, Vice Mayor Walcutt and Mayor Shuey.

NOES: None.

ABSENT: None.

ABSTAIN: None.

EXHIBIT A

CITY OF CLAYTON Community Facilities District 2006-1 (Downtown Park Operation and Maintenance District)

DESCRIPTION OF SERVICES TO BE FINANCED BY THE CFD

The Services that are proposed to be financed by the City of Clayton Community Facilities District 2006-1 (Downtown Park Operation and Maintenance District) (the "CFD") shall include the attributable costs of operation, maintenance, repair and replacement of:

A. Downtown Park – which includes but is not limited to:

Costs of operation, maintenance, repair and replacement of an approximate 1-acre public park (APN 119-015-005,006) abutting the western edge of (old) Marsh Creek Road between Main and Center Streets located in Town Center Clayton.

Definition

"Costs of Operation, Maintenance, Repair and Replacement" of the foregoing public park improvements means the furnishing of services and materials for the ordinary and usual operation, maintenance and care of a downtown public park with its appurtenant facilities, public restroom, gazebo, playground equipment and improvements, including repair, removal or replacement of all or part of any landscaping or turf or appurtenant facilities providing for the life, growth, health and beauty of the landscaping, including cultivation, irrigation, trimming, pruning, spraying, fertilizing and treating for disease or injury; the removal of trimmings, rubbish, debris, litter and other solid wastes; and the eradication of landscape pests, including but not limited to vermin and rodents, ground squirrels, gophers, and moles.

"Maintenance" also means the furnishing of water for public health purposes and irrigation of the park turf, trees and landscaping, and the supply of electricity to operate the attendant irrigation systems, park lights and electrical outlets. In addition, allowable expenses include the County's cost to levy and collect the District's assessment through the annual property tax bill, the City's shared equipment and facilities charges, City prorated overhead charges to administer and manage the District, and District reserve funds for capital replacements, vandalism and major repairs.

The foregoing services shall be provided through and by the City of Clayton, either with its own labor forces or by contract with third parties, or any combination thereof, as determined solely by the City of Clayton.

EXHIBIT B

CITY OF CLAYTON Community Facilities District 2006-1 (Downtown Park Operation and Maintenance District)

RATE AND METHOD OF LEVY OF SPECIAL TAX

A special tax will be levied annually on each taxable parcel of land not defined below as an "Exempt Parcel" within the Community Facilities District 2006-1 (Downtown Park Operation and Maintenance District) (the "CFD") and collected in the same manner as ordinary ad-valorem property taxes or in such manner as the City of Clayton City Council or its designee shall determine, including City-originated billing of the affected property owners.

Definitions

<u>Taxable Parcels:</u>	Parcels of land within the boundaries of the CFD that are not included in the "Exempt Parcel" category listed below.
<u>Exempt Parcels:</u>	Parcels of land owned by a public school district, and parcels of land owned by the City of Clayton or the Clayton Redevelopment Agency outside the boundaries of the defined Downtown Core area (see map, Attachment 1 of Exhibit B).
<u>Residential Parcels:</u>	Taxable Parcels of land in the District that are classified in the City of Clayton General Plan as either single-family, multi-family or rural estate residential parcels.
<u>Downtown Core Parcels:</u>	Taxable Parcels within the Downtown Core area that are not classified as "Residential Parcels".
<u>Other Commercial Parcels:</u>	Taxable Parcels outside the boundaries of the Downtown Core area that are not classified as "Residential Parcels", "Recreational Open Space Parcels" or "Multi-Family Residential Care Facilities".
<u>Recreational Open Space Parcels:</u>	Taxable Parcels classified as "Private Golf Course" in the City of Clayton General Plan.
<u>Multi-Family Residential Care Facilities Parcels:</u>	Taxable Parcels having institutional or congregate care residential units within a facility with an on-site manager.
<u>Special Tax:</u>	The special tax allowed to be levied on property within the CFD, calculated pursuant to this Rate and Method of Apportionment of Special Tax.

Special Tax Formula

A. Residential Parcels:

An annual special tax will be levied on all Residential Parcels, as defined above, at the per parcel tax rate shown below for each fiscal year 2007-2008 through 2016-2017:

Residential Parcel Annual Special Tax Rate: \$16.39 per parcel.

B. Downtown Core Parcels:

An annual special tax will be levied on all non-Residential Parcels within the Downtown Core area (see map, Attachment 1), at the per $\frac{1}{4}$ -acre or fraction thereof parcel rate shown below for each fiscal year 2007-2008 through 2016-2017:

Downtown Core Parcel Annual Special Tax Rate: \$221.05 per $\frac{1}{4}$ -acre or fraction thereof parcel size as shown on the County tax roll.

C. Other Commercial Parcels:

An annual special tax will be levied on all non-Residential Parcels outside the Downtown Core area, as defined above, at the per $\frac{1}{4}$ -acre or fraction thereof parcel rate shown below for each fiscal year 2007-2008 through 2016-2017:

RESOLUTION NO. 24-2006

**A RESOLUTION CALLING A SPECIAL ELECTION
IN A COMMUNITY FACILITIES DISTRICT**

**CITY OF CLAYTON
Community Facilities District 2006-1
(Downtown Park Operation and Maintenance District)**

WHEREAS, on this date, this Council adopted its Resolution No. 23-2006 entitled "A Resolution of Formation of a Community Facilities District, Authorizing the Levy of Special Taxes Therein and Preliminarily Establishing an Appropriations Limit Therefor" (the "Resolution of Formation"), ordering the formation of the City of Clayton Community Facilities District No. 2006-1 (Downtown Park Operation and Maintenance District) (the "CFD"), authorizing the levy of a special tax on real property within the CFD and preliminarily establishing an appropriations limit for the CFD, all pursuant to the Mello-Roos Community Facilities Act of 1982, Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing with Section 53311, of the California Government Code (the "Act"); and

WHEREAS, pursuant to the provisions of the Resolution of Formation, the propositions of the levy of the special tax and the establishment of the appropriations limit shall be submitted to the qualified electors of the CFD at a special election as required by the Act; and

WHEREAS, this Council desires that the special election be consolidated with the statewide general election to occur on November 7, 2006 and that the proposition be included on the ballot for the statewide general election which ballot is prepared by the officer charged with the duty of conducting the statewide general election for the County of Contra Costa, such official being the Registrar of Voters of the County of Contra Costa (the "Election Official"); and

WHEREAS, Section 9280 of the Elections Code of the State of California authorizes the filing of an impartial analysis and Sections 9281 to 9287 of said code authorize the filing of written arguments for or against any ballot proposition, and, if adopted by the City Council, rebuttal arguments.

NOW, THEREFORE, the City Council of Clayton, California does hereby resolve as follows:

1. Issue Submitted. Pursuant to Sections 53326 and 53325.7 of the Act, the issue of the levy of said special tax and the establishment of the appropriations limit shall be submitted to the qualified electors (as defined below) of the CFD at an election called therefor as provided below. The question to be voted upon as it shall appear on the ballot shall be as follows:

Shall the Downtown Park's annual operation and maintenance expenses be funded for a period of 10 years by the formation of a citywide Community Facilities District with an initial appropriations limit of \$100,600 and an annual levy of special taxes?

The full text of the measure to be printed in the Voter Pamphlet shall include the "Description of Services to Be Financed by the CFD" and the "Rate and Method of Levy of Special Tax", attached as Exhibits "A" and "B", respectively, to the Resolution of Formation of a Community Facilities District (Resolution No. 23-2006).

2. Qualified Electors. Pursuant to Section 53326 of the Act, the vote shall be by the registered voters of the proposed CFD, with each voter having one vote.

3. Conduct of Election. This Council hereby calls a special election (the "Election") to consider the measure described in paragraph 1 above, which election shall be held in the next general election on November 7, 2006, and conducted by the Election Official. Within three business days of the adoption of this Resolution, the City Clerk shall provide to the Election Official a copy of this Resolution, a certified map of the proposed boundaries of the CFD, and a sufficient description to allow the Election Official to determine the boundaries of the CFD.

The Election is hereby ordered consolidated with the statewide general election to be held within the City on said date, and within the territory affected by the consolidation, the election shall be held and conducted, election officers appointed, voting precincts designated, ballots printed, polls opened and closed, ballots counted and returned, returns canvassed, results declared, and all other proceedings incidental to and connected with the election shall be regulated and done in accordance with the provisions of law regulating the statewide general election and specified herein. The precincts used at the consolidated election shall be those used for the statewide general election, and, where necessary, the County Clerk may adjust precinct lines to coincide with the boundaries of the City. The Board of Supervisors of the County of Contra Costa is hereby requested to order the consolidation of the Election hereby called with said statewide general election, and to permit the County Clerk and the County Election Department to render services relating to the conduct of said election, which services will be determined by the City and the County Election Department, and the Board of Supervisors of the County of Contra Costa is hereby authorized to canvass the returns of said special municipal election, and said election shall be held in all respects as if there were only one election, only one form of ballot shall be used and the returns of the election need not be canvassed by the City Council. The City Clerk is hereby authorized and directed to work with the Elections Official and other appropriate officials of the County to ensure that the applicable requirements of the Elections Code are met.

4. Ballot Materials. The City Attorney is hereby requested to prepare and to provide to Election Official the ballot material described in Section 53327 of the Act.

(a) Impartial Analysis. The City Clerk is hereby directed to submit to the City Attorney a certified copy of the measure set forth above. The City Attorney is hereby authorized and directed to prepare an impartial analysis of the measures showing the effect of the measures on the existing law and the operation of the measures, said analysis to be submitted by the City Attorney to the Election Official for printing before the arguments for and against the measure. The analysis shall not exceed 500 words in length and shall otherwise comply in all respects with the applicable provisions of the Elections Code of the State of California. The deadline date for the submittal of the analysis and primary arguments shall be August 14, 2006.

5. Filing of Primary and Rebuttal Arguments. The deadline for filing primary arguments concerning the ballot measure is August 14, 2006. Provisions for Rebuttal arguments have been previously adopted by the Council. Rebuttal arguments must be filed by August 21, 2006.

6. Effective Date. This Resolution shall take effect upon its adoption.

RESOLUTION NO. 19-2006

A RESOLUTION OF INTENTION TO ESTABLISH A COMMUNITY FACILITIES DISTRICT TO FUND THE ANNUAL OPERATION AND MAINTENANCE OF A DOWNTOWN PARK FOR A TIME PERIOD OF TEN YEARS, AND TO AUTHORIZE THE LEVY OF SPECIAL TAXES THEREIN

**The City Council
City of Clayton, California
Community Facilities District 2006-1
(Downtown Park Operation and Maintenance District)**

WHEREAS, under the Mello-Roos Community Facilities Act of 1982, as amended (the "Act") Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing at Section 53311, of the California Government Code (the "Act"), this City Council may be the legislative body for the proposed community facilities district and is empowered with the authority to establish the community facilities district; and

WHEREAS, this City Council now desires to proceed with the establishment of a community facilities district in order to finance the costs of operation, maintenance, repair and replacement services at an approximate 1-acre public park (APN 119-015-005,006) located in the Clayton Town Center (the "Services");

NOW, THEREFORE, the City Council of Clayton, California does hereby resolve as follows:

1. Recitals. The City Council does hereby find and affirm the above noted Recitals are true and correct facts and information relative to the proceedings at hand.

2. Authority. This Council proposes to conduct proceedings to establish a community facilities district pursuant to the Act.

3. Name of CFD. The name proposed for the community facilities district is City of Clayton Community Facilities District No. 2006-1 (Downtown Park Operation and Maintenance District) (the "CFD").

4. Boundaries Described. The proposed boundaries of the CFD are as shown on the map of it (Exhibit C) on file with the City Clerk, dated 28 April 2006, which boundaries are hereby preliminarily approved and to which map reference is hereby made for further particulars. The City Clerk is hereby directed to record, or cause to be recorded, said map of the boundaries of the CFD in the office of the County Recorder of the County of Contra Costa (the County) within fifteen days of the date of adoption of this Resolution, but in any event at least fifteen days prior to the public hearing specified in paragraph 10 below. The boundaries of the CFD shall also include any parcels subsequently annexed to the City and the CFD.

5. Services. The types of public services proposed to be financed by the CFD and pursuant to the Act shall consist of all or a portion of those items listed on Exhibit A hereto and hereby incorporated herein.

6. Special Tax. Except to the extent that funds are otherwise available to the CFD to pay for the Services, a special tax (the "Special Tax") sufficient to pay the costs thereof, secured by recordation of a continuing lien against all non-exempt real property in the CFD, will be levied annually within the CFD, and collected in the same manner as ordinary *ad valorem* property taxes or in such other manner as this City Council or its designee shall determine, including direct billing of the affected property owners. The proposed rate and method of apportionment of the Special Tax among the parcels of real property within the CFD in sufficient detail to allow each landowner within the proposed CAD to estimate the maximum amount such owner will have to pay, are described in Exhibit B attached hereto and hereby incorporated herein.

This Council hereby finds that the provisions of Section 53313.6, 53313.7 and 53313.9 of the Act (relating to adjustments to *ad valorem* property taxes and schools financed by a community services district) are inapplicable to the proposed CFD.

7. Exempt Property. Except as may otherwise be provided by law or by the rate and method of apportionment of the Special Tax for the CFD specified in Exhibit B, all lands owned by any public entity, including the United States, the State of California, the County and/or the City or any departments or political subdivisions thereof, shall be omitted from the levy of the Special Tax to be made to cover the costs and expenses of the Services and the CFD. In the event that a portion of the property within the CFD shall become for any reason exempt, wholly or in part, from the levy of the Special Tax, this City Council will, on behalf of the CFD, increase the levy to the extent necessary upon the remaining property within the CFD which is not exempt in order to yield the required amounts to pay for the Services of the CFD, if any, subject to the provisions of the rate and method of apportionment of the Special Tax.

8. Voting Procedure. The levy of the Special Tax shall be subject to the approval of the qualified electors of the CFD in the next general election held in November 2006. The proposed voting procedure shall be by registered voters within the proposed CFD, with each voter having one vote.

9. CFD Report. The City Manager of the City as the officer having charge and control of the Services in and for the CFD, or his designee, is hereby directed to study said proposed Services and to make, or cause to be made, and file with the City Clerk a report in writing, (the "CFD Report") presenting the following:

(a) A description of the Services by type which will be required to adequately meet the needs of the CFD.

(b) An estimate of the fair and reasonable cost of the Services including incidental expenses in connection therewith.

The CFD Report shall be made a part of the record of the public hearing specified below.

10. Public Hearing. Tuesday, June 20, 2006, at 7:00 p.m., or as soon as possible thereafter, in the Community Library Meeting Room, 6125 Clayton Road, Clayton, California, be, and the same are hereby appointed and fixed as the time and place when and where this Council, as legislative body for the CFD, will conduct a public hearing on the establishment of the CFD and consider and finally determine whether the public interest, convenience and necessity require the formation of the CFD and the levy of the Special Tax.

11. Notice of Hearing. The City Clerk is hereby directed to cause notice of the public hearing to be given by publication one time in the *Contra Costa Times*, a newspaper circulated in the area of the CFD. The publication shall be completed at least seven days before the date herein set for the hearing. The notice shall be substantially in the form specified in Section 53322 of the Act, with the form summarizing the provisions hereof hereby specifically approved.

PASSED, APPROVED AND ADOPTED by the City Council of Clayton, California at a regular public meeting thereof held this 16th day of May 2006 on the following vote:

AYES: Councilmember Laurence, Manning, Pierce, Vice Mayor Walcutt and Mayor Shuey.

A. Downtown Park – which includes but is not limited to:

Costs of operation, maintenance, repair and replacement of an approximate 1-acre public park (APN 119-015-005,006) abutting the western edge of (old) Marsh Creek Road between Main and Center Streets located in Town Center Clayton.

Definition

"Costs of Operation, Maintenance, Repair and Replacement" of the foregoing public park improvements means the furnishing of services and materials for the ordinary and usual operation, maintenance and care of a downtown public park with its appurtenant facilities, public restroom, gazebo, playground equipment and improvements, including repair, removal or replacement of all or part of any landscaping or turf or appurtenant facilities providing for the life, growth, health and beauty of the landscaping, including cultivation, irrigation, trimming, pruning, spraying, fertilizing and treating for disease or injury; the removal of trimmings, rubbish, debris, litter and other solid wastes; and the eradication of landscape pests, including but not limited to vermin and rodents, ground squirrels, gophers, and moles.

"Maintenance" also means the furnishing of water for public health purposes and irrigation of the park turf, trees and landscaping, and the supply of electricity to operate the attendant irrigation systems, park lights and electrical outlets. In addition, allowable expenses include the County's cost to levy and collect the District's assessment through the annual property tax bill, the City's shared equipment and facilities charges, City prorated overhead charges to administer and manage the District, and District reserve funds for capital replacements, vandalism and major repairs.

The foregoing services shall be provided through and by the City of Clayton, either with its own labor forces or by contract with third parties, or any combination thereof, as determined solely by the City of Clayton.

RATE AND METHOD OF LEVY OF SPECIAL TAX

A special tax will be levied annually on each taxable parcel of land not defined below as an "Exempt Parcel" within the Community Facilities District 2006-1 (Downtown Park Operation and Maintenance District) (the "CFD") and collected in the same manner as ordinary ad-valorem property taxes or in such manner as the City of Clayton City Council or its designee shall determine, including City-originated billing of the affected property owners.

Definitions

<u>Taxable Parcels:</u>	Parcels of land within the boundaries of the CFD that are not included in the "Exempt Parcel" category listed below.
<u>Exempt Parcels:</u>	Parcels of land owned by a public school district, and parcels of land owned by the City of Clayton or the Clayton Redevelopment Agency outside the boundaries of the defined Downtown Core area (see map, Attachment 1 of Exhibit B).
<u>Residential Parcels:</u>	Taxable Parcels of land in the District that are classified in the City of Clayton General Plan as either single-family, multi-family or rural estate residential parcels.
<u>Downtown Core Parcels:</u>	Taxable Parcels within the Downtown Core area that are not classified as "Residential Parcels".
<u>Other Commercial Parcels:</u>	Taxable Parcels outside the boundaries of the Downtown Core area that are not classified as "Residential Parcels", "Recreational Open Space Parcels" or "Multi-Family Residential Care Facilities".
<u>Recreational Open Space Parcels:</u>	Taxable Parcels classified as "Private Golf Course" in the City of Clayton General Plan.
<u>Multi-Family Residential Care Facilities Parcels:</u>	Taxable Parcels having institutional or congregate care residential units within a facility with an on-site manager.
<u>Special Tax:</u>	The special tax allowed to be levied on property within the CFD, calculated pursuant to this Rate and Method of Apportionment of Special Tax.

Special Tax Formula

- A. Residential Parcels: An annual special tax will be levied on all Residential Parcels, as defined above, at the per parcel tax rate shown below for each fiscal year 2007-2008 through 2016-2017:

Residential Parcel Annual Special Tax Rate: \$16.39 per parcel.

- B. Downtown Core Parcels: An annual special tax will be levied on all non-Residential Parcels within the Downtown Core area (see map, Attachment 1), at the per $\frac{1}{4}$ -acre or fraction thereof parcel rate shown below for each fiscal year 2007-2008 through 2016-2017:

Downtown Core Parcel Annual Special Tax Rate: \$221.05 per $\frac{1}{4}$ -acre or fraction thereof parcel size as shown on the County tax roll.

- C. Other Commercial Parcels: An annual special tax will be levied on all non-Residential Parcels outside the Downtown Core area, as defined above, at the per $\frac{1}{4}$ -acre or fraction thereof parcel rate shown below for each fiscal year 2007-2008 through 2016-2017:

Other Commercial Parcel Annual Special Tax Rate: \$96.92 per $\frac{1}{4}$ -acre or fraction thereof parcel size as shown on the County tax roll.

- D. Recreational Open Space
Parcels: An annual special tax will be levied on all Private Golf Course Parcels, as defined above, at the per $\frac{1}{4}$ -acre or fraction thereof parcel rate shown below for each fiscal year 2007-2008 through 2016-2017:

Recreational Open Space Parcel Annual Special Tax Rate: \$48.46 per $\frac{1}{4}$ -acre or fraction thereof parcel size as shown on the County tax roll.

- E. Multi-Family Residential
Care Facilities Parcels: An annual special tax will be levied on all Multi-Family Residential Care Facilities Parcels, as defined above, at the per $\frac{1}{4}$ -acre or fraction thereof parcel rate shown below for each fiscal year 2007-2008 through 2016-2017:

Multi-Family Residential Care Facilities Parcel Annual Special Tax Rate: \$50.92 per $\frac{1}{4}$ -acre or fraction thereof parcel size as shown on the County tax roll.

Duration of Special Tax Levy

The special tax will be levied annually for a period of ten (10) years commencing in fiscal year 2007-2008 (July - June) through and including fiscal year 2016-2017. After the ten (10) year duration has expired the special tax may no longer be levied or collected unless extended pursuant to applicable laws, except that a special tax that was lawfully levied in or before the final tax year and that remains delinquent may be collected in subsequent years.

Special Tax Escalator Factor

In fiscal years 2008-2009 through 2016-2017, each special annual tax rate may be increased annually by the Clayton City Council in an amount not to exceed the most recent full annual adjustment (April to April) in the Consumer Price Index – All Urban Consumers, San Francisco-Oakland-San Jose, CA Area (Base Period 1982-84 = 100). This escalator factor is applicable if determined by the City to be necessary due to expected or actual increases in the operational, maintenance, repair and replacement expenses funded by the CFD. In no event shall each annual special tax rate in any fiscal year increase by more than three percent (3%) over the previous year.

**A RESOLUTION DECLARING RESULTS OF CANVASS OF RETURNS IN
THE 2006 GENERAL MUNICIPAL ELECTION, DECLARING THE PERSONS
ELECTED TO THE CITY COUNCIL OF THE CITY OF CLAYTON AND THE
RESULTS OF THE VOTE ON LOCAL BALLOT MEASURE "O", DOWNTOWN PARK
OPERATIONS AND MAINTENANCE DISTRICT SPECIAL TAX (CFD 2006-1)**

**THE CITY COUNCIL
City of Clayton, California**

WHEREAS, a duly noticed general municipal election was held in the City of Clayton on November 7, 2006 for the purpose of voting for candidates for two (2) full-term offices of Council Member on the City Council of the City of Clayton and voter consideration of one (1) local ballot measure, Measure "O", a special tax to fund the annual operations and maintenance of the proposed Downtown Park for a period of ten (10) years; and

WHEREAS, following the canvass of returns by the Contra Costa County Clerk and receipt of his report by the City Clerk, the City Council met in a regular public meeting on December 5, 2006 and canvassed the returns of the election pursuant to and accordance with applicable provisions of the California Elections Code; and

WHEREAS, the City Council finds that the number of votes cast in the City of Clayton at the general municipal election was and is 5153, an 72.54% turnout; and

WHEREAS, the City Council finds that there were fourteen precincts in the City of Clayton established for holding the November 2006 general municipal election; and

WHEREAS, the City Council finds that the names of the persons voted for and the number of votes given said persons in the general municipal election at each of the above noted precincts and by absentee ballot as candidates for the offices of Council Member on the Clayton City Council and the total votes cast for each candidate, are as set forth in the computer printout from the Contra Costa County Election Department, attached hereto as "Exhibit A" and incorporated herein by such reference; and

WHEREAS, the City Council further finds that all of the votes in consideration of local ballot Measure "O" submitted to the Clayton voters in the general municipal election are also set forth in the computer printout from the Contra Costa County Election Department, attached hereto as "Exhibit A" and incorporated herein by such reference.

NOW, THEREFORE, BE IT RESOLVED by the City Council of Clayton, California that the following candidates (listed alphabetically) for the two offices of Council Member of the City Council of the City of Clayton received the highest number of votes and are therefore declared to be the two (2) Council Members duly elected to serve on the

Clayton City Council until the results of the November 2010 General Municipal election are canvassed and accepted:

David T. Shuey
Ross "Hank" Stratford

BE IT FURTHER RESOLVED by the City Council that local Ballot Measure "O", the formation of a Community Facilities District and the levy of a special tax therein (Community Facilities District No. 2006-1, Downtown Park Operation and Maintenance District) did garner the requisite two-thirds voter approval and therefore Measure "O" did pass.

PASSED, APPROVED AND ADOPTED by the City Council of Clayton, California at a regular public meeting thereof held on the 5th day of December 2006 by the following vote:

AYES: Mayor Shuey, Vice Mayor Walcutt, Councilmembers Laurence, Manning and Pierce

RESOLUTION NO. 13-2007

**A RESOLUTION DESIGNATING THE NAME OF
"THE GROVE"
FOR THE DOWNTOWN PARK LOCATED BETWEEN
MAIN STREET, old MARSH CREEK ROAD and CENTER STREET**

**THE CITY COUNCIL
City of Clayton, California**

WHEREAS, the City of Clayton has begun construction of a new un-named public park bordered by Main Street, old Marsh Creek Road, and Center Street, which is expected to be completed by the end of 2007; and

WHEREAS, the area at the intersection of old Marsh Creek Road, Main Street, and Center Street will be further improved to be a complement to the adjacent Black Diamond Plaza and a focal point in the historic downtown Clayton; and

WHEREAS, the Clayton City Council previously adopted a Park Naming Policy; and

WHEREAS, the Community Services Commission on February 8, 2007 considered names using their recommended Park Naming Policy and had split recommendations of the following names: Downtown Park; Joel Clayton Park; and Grove Park; and

WHEREAS, the City Council did consider the Community Services recommendations, and other names consistent with the Park Naming Policy during its regular meeting of April 17, 2007.

NOW, THEREFORE, BE IT RESOLVED by the City Council of Clayton California, that the new downtown park located between Main Street, old Marsh Creek Road, and Center Streets shall be named "The Grove" and further resolves that this name meets the criteria of the City's Park Naming Policy as a historical site basis, as it was the location of historic eucalyptus grove community gathering place.

PASSED, APPROVED and ADOPTED by the City Council of Clayton California at a regular meeting thereof held on the 17th day of April 2007, by the following vote:

AGENDA REPORT

TO: HONORABLE MAYOR AND COUNCILMEMBERS

FROM: CITY MANAGER

DATE: 06 JULY2010

**SUBJECT: APPROVAL OF 1-YEAR COLLECTIVE BARGAINING AGREEMENT
CLAYTON UNDESIGNATED MISCELLANEOUS CITY EMPLOYEES UNIT**

RECOMMENDATION

It is recommended the City Council adopt the prepared Resolution authorizing and approving Addendum No. 2 as a 1-year Agreement with the Clayton Undesignated Miscellaneous City Employees Unit concerning certain terms and conditions of their employment and compensation with the City of Clayton.

BACKGROUND

In December 2006 the City of Clayton entered into a 3-year Agreement with the Clayton Undesignated Miscellaneous City Employees Unit, retroactive to 01 July 2006. This action was pursuant to California state laws that require a public employer and each of its organized or undesignated collective bargaining units to meet and confer over terms and conditions of employment and compensation (ref. *Government Code Section 3500*, et. seq.). That 3-year Agreement expired 30 June 2009.

On 16 June 2009, by City Resolution No. 16-2009, the City Council adopted Addendum No. 1 to the underlying Memorandum of Agreement (MOA) with this Unit enacting new and extending continued terms and conditions of employment with the Miscellaneous City Employees. A portion of the terms last year included labor concessions amounting to a 4.3% reduction in pay (\$63,290), no employee merit advancements (\$8,139) and employees absorbing rate increases in employee health insurance coverage. Addendum No. 1 expired on 30 June 2010.

MEET AND CONFER DISCUSSIONS

Under City Council direction, the City Manager (as the Council's labor negotiator) and Unit representatives met and conferred in the prior month to craft a new Agreement. Once again, perennial fiscal constraints of the City guided much of the boundaries for negotiations, and these future uncertainties prompted both parties to focus on a 1-year contract to bridge the tenuous financial situation. Concession bargaining was again the theme this year.

For relativity, the San Francisco – Bay Area Consumer Price Index (CPI) rose by 1.72% during the latest full 12-month period of April 2009 to April 2010. Of paramount concern to both the City and the Unit were the flickering economy, the State Budget's chronic deficit (\$18.3 billion) and takeaways (\$2.3 million from the Clayton Redevelopment Agency, diminished and flat City revenues, escalated third-party contract service costs, and heightened public interest in the pay and pension systems of public employees.

SUMMATION OF NEW AGREEMENT

The City and the Unit recognize these unparalleled times require unusual actions of both the employer and the employee into next fiscal year. Consequently, the parties have agreed on the essential terms as follows:

1. No cost-of-living (COLA) salary adjustments or increases for employees of this Unit for the 2nd year in a row (\$20,715 "savings" to the City);
2. Salary advances for merit performance or other exemplary service are again suspended during this one year time period (\$8,139 "savings");
3. Employees of this Unit will incur eleven (11) unpaid Work Furlough Days during the coming fiscal year (\$63,290 "savings" to the City);
4. Medical and dental insurance premium rate increases during the coming fiscal year will again be absorbed by members of this Unit (\$9,558);
5. Capped Unused Medical Benefit premium contributions paid by the City at \$250.00 per month per entitled employee (\$14,640 "savings" to the City);
6. Establishment of a Tier II CalPERS pension system of "2% at age 60" for all new employees of this Unit, with pension calculated at the average of an employee's highest 3 years of eligible compensation and the employee paying 100% of the Employee rate portion (7% of salary) into the CalPERS retirement system; and
7. All other terms and conditions contained in the expired 3-Year Agreement remain in full force and effect through 30 June 2011.

The fifteen (15) employees covered by this Agreement include all City Management employees, Public Works employees, City Hall employees and civilian Police Department employees. The City Manager, although not a member of this Unit, has voluntarily agreed to be subject to the same employment terms and conditions as outlined above (No. 1-5) for the ensuing twelve (12) months, an act that results in further "savings" to the City beyond the calculated numbers displayed in this report.

By agreeing to these employment concessions, members of this Unit hope these financial considerations are recognized as significantly assisting the City in its effort to manage an unprecedented fiscal challenge not of its own doing. Members of this Unit will now pay 35% of their enrolled dependent health insurance premiums (out-of-pocket Unit expense of \$50,000 per year).

FISCAL IMPACT

Overall, the 1-year Agreement represents a 2-year direct salary loss of approximately 4.3% to the collective members of this Unit (\$126,580). Additional take-home pay reductions are incurred as each employee absorbs the insurance premium rate increases for dental (4%) and medical coverage (17%), while employees previously eligible for merit salary step advancements suffer additional delays in compensation for their meritorious performance.

The one-year savings to the City for these employee concessions amount to at least \$116,342 (including CalPERS retirement contributions). Future unknown savings to the City occur as each new employee hired on or after 01 July 2010 will now be enrolled in the bottom CalPERS pension system available to non-public safety employees, one of the first rollback actions in Contra Costa County.

WHEREAS, authorized representatives of the City of Clayton and the Clayton Undesignated Miscellaneous City Employees Unit have met and conferred in good faith regarding certain matters including, but not limited to, wages, hours, and terms and conditions of employment with the City, pursuant to *California Government Code* Section 3500, et. seq.; and

WHEREAS, the parties to the aforementioned negotiations have set forth a one (1) year Addendum to the expired 3-year Agreement that encompasses the full and complete agreements reached between the parties as a result of such good faith negotiations; and

WHEREAS, the proposed Addendum No. 2 to the existing Agreement, contained and described in its entirety as Attachment “A”, incorporated herein by reference to this Resolution, has been presented to the members of the Miscellaneous City Employees Unit and they have represented to the City of their ratification and approval, witnessed by the signatures of the authorized Unit representatives; and

WHEREAS, the City Manager, as the City’s designated labor negotiator, does herein recommend approval of the proposed Addendum No. 2 to the Agreement, as outlined in its entirety in Attachment “A”.

NOW, THEREFORE, BE IT RESOLVED that the City Council of Clayton, California does hereby accept and approve the attached Addendum No. 2 to the Agreement (Attachment “A”) between the City and the Clayton Undesignated Miscellaneous City Employees Unit during the term thereof, effective the Fiscal Year 2010-2011, and does hereby authorize and instruct the City Manager to implement the agreed-upon terms and conditions accordingly.

Resolution No. -2010
1-Year Addendum to Agreement with Miscellaneous City Employees Unit

ADDENDUM NO. 2

This Addendum No. 2 is a modification to that 3-year Agreement entered into by and between the City of Clayton ("City") and the Undesignated Miscellaneous City Employees unit, previously approved and authorized by the Clayton City Council at a regular public meeting thereof held the 5th day of December 2006. Addendum No. 2 has been negotiated in good faith between the two named parties, pursuant to the Section 3500, et. seq. of the *California Government Code*, and intends to and does hereby modify only the following employment terms and conditions sections of the underlying MOA, as herein contained below:

ARTICLE 12: TERM OF AGREEMENT

Addendum No. 2 is effective on 01 July 2010 and continues through 30 June 2011.

ARTICLE 5: COMPENSATION

Section 5.1. Wages

During the Term of this extension, salary advancement for merit or exemplary service by an eligible employee is hereby suspended and no individual shall receive a salary step increase during this Term.

Employees eligible for merit step advancement yet prohibited from receipt thereof do not have their salary review (anniversary) date altered or deferred by this freeze on merit increases. At such time as the City restores merit increase advancements by subsequent agreement, any employee deemed eligible for a merit step increase during this Term shall automatically advance to the next merit salary step that would have been earned had the merit increase freeze not been in effect, effective the day the suspension is lifted; provided, however, no retroactive merit pay is due the eligible employee for hours worked in the missed merit salary range.

Employees of this Unit shall not receive a cost-of-living adjustment (COLA) during this Term.

ARTICLE 6: MEDICAL, DENTAL, LIFE/ACCIDENTAL DEATH/DISEMBLEMENT INSURANCE

Section 6.1 City Contribution to Premiums

Effective 01 July 2010, the monthly City-paid premium contribution caps for combined medical, dental, life/accidental death/dismemberment insurance through the City shall be:

<u>Employee Only:</u>	\$ 706.00/mo.
<u>Employee + 1 Enrolled Dependent:</u>	\$ 935.71/mo.
<u>Employee + 2 or more Enrolled Dependents</u>	\$1,226.19/mo.

<u>No Enrollment/Unused Benefit</u> (enrollments after 30 June 2010):	\$ -0-
---	--------

<u>No Enrollment/Unused Benefit</u> (existing eligible employees):	\$ 250.00/mo.
--	---------------

(Provided proof of similar medical and dental coverage is available to the employee, is placed and maintained via another qualified third party insurance provider. Ref. Section 6.2).

Section 6.2 Medical Insurance, Dental Insurance, Life/Accidental Death/Dismemberment Insurance

Paragraph 2 of this Section is hereby amended to read as follows in its entirety:

Employees may elect to decline City-provided medical and/or dental coverage only in cases when the employee is covered under an alternate third party insurance plan. Proof of insurance is required. For existing employees employed as of 30 June 2010 with the City, and authorized to decline City-provided medical and/or dental coverage, the City will contribute a monthly amount up to the maximum monthly cap outlined in Section 6.1 above, under "No Enrollment/Unused Benefit". The employee may elect to place Unused Benefit monies into a City-approved deferred compensation plan, to the employee's Flexible Spending Account (FSA – medical), or may receive the monies as taxable income, each prorated amount disbursed bi-weekly at the employee's designated option and in accord with applicable IRS regulations.

Those members of this Unit employed as of 30 June 2010 with the City and whose expense for their enrolled subscription in City-secured medical and/or dental and life insurance is less than the maximum amounts listed in Section 6.1 may elect to have said monthly residual placed into a City-approved deferred compensation plan, to the employee's Flexible Spending Account (FSA – medical), or may receive the monies as taxable income, each prorated amount disbursed bi-weekly at the employee's option and in accord with applicable IRS regulations.

In no case shall an existing employee's Unused Benefit exceed the maximum of \$250.00/month.

Member enrollments after 30 June 2010 are not entitled to any Unused Benefit monies.

ARTICLE 7: RETIREMENT SYSTEM

The existing two paragraphs in this Article are now entitled:

Section 7.1 Retirement System for Existing Employees as of 30 June 2010

A new section is added to this Article to read as follows:

Section 7.2 Tier II Retirement System for Employees

All regular full-time and regular part-time employees of this Unit hired on or after 01 July 2010 are required to be participating members in the California Public Employees' Retirement System ("CalPERS"). The City shall contract with CalPERS and enroll eligible employees in this hiring category in the CalPERS "2% at 60" Miscellaneous Retirement System.

The City shall pay the entire required Employer CalPERS rate for this "2% at 60" retirement system and the employee shall pay the entire required Employee CalPERS rate. For purpose of calculating eligible retirement pension, the 2% at 60 Plan shall be the average of the highest 3 years of eligible compensation paid to the employee.

ARTICLE 8: HOLIDAYS AND LEAVES

Section 8.2 Holiday Leave

Holiday Leave pay is restored for the eleven (11) designated City holidays listed in the underlying Agreement.

Section 8.7 Work Furlough Days

Eleven (11) work furlough days, defined as City Hall operations closed for the entire regular work day and employees are off work and unpaid for each day, shall occur during the term of this Agreement. The actual eleven unpaid Work Furlough Days will be determined by and between this Unit and the City Manager in advance, with the City Manager having final determination over which days to furlough in the event of unresolved disagreement over the designated days.

All other and existing terms and conditions of the underlying Agreement between the parties remain in full force and effect through 30 June 2011, to the extent such are not in conflict with Addendum No. 2 above. In the event such a conflict arises, Addendum No. 2 shall prevail in effect and implementation.

IN WITNESS THEREOF, this Addendum No. 2 is entered into this ^{30th} day of June 2010, pursuant to the provisions of *California Government Code* Section 3500, et. seq., for presentation and recommendation to the City Council of the City of Clayton, CA.

AGENDA REPORT

TO: HONORABLE MAYOR AND COUNCILMEMBERS

FROM: DAVID WOLTERING, COMMUNITY DEVELOPMENT DIRECTOR 

DATE: JULY 6, 2010

SUBJECT: AWARD OF CONTRACT FOR PREPARATION OF AN ENVIRONMENTAL IMPACT REPORT (EIR) ON THE CLAYTON COMMUNITY CHURCH'S DEVELOPMENT/REDEVELOPMENT PROJECT ON MAIN STREET, CLAYTON TOWN CENTER

RECOMMENDATION

It is recommended the City Council direct the City Manager to enter into a Consulting Services Agreement with LSA Associates, Inc. in the amount of \$133,500 for the preparation of an environmental impact report (EIR) for the Clayton Community Church development/redevelopment project (ENV 02-09).

This authorization is contingent upon the project sponsor, the Clayton Community Church, paying the full cost of this work effort by remitting the full LSA Associates, Inc. contract amount of \$133,500 to the City of Clayton plus a deposit amount of \$20,000 for related City staff and City contract staff (e.g., City Attorney, City Engineer) costs directly related to preparing and processing this EIR. The deposit amount for City staff and City contract staff costs may need to be replenished if actual time and material costs are over and above the initial deposit amount. In the circumstance these costs are less, a refund would be provided to the project sponsor. In any case, the project sponsor is responsible for the full costs of preparing and processing this EIR.

BACKGROUND

The City of Clayton received an application from the Clayton Community Church to develop/redevelop its 2.3-acre, two-parcel property in Clayton's Town Center area on December 9, 2009. Development in this area is guided by the Clayton Town Center Specific Plan, which was adopted in 1990, and most recently revised in 2008.

The subject property is presently improved with the former and potentially historic Pioneer Inn building which measures approximately 6,800 square feet and a paved parking area to support that building. The remainder of the property is unimproved. The Clayton Community Church remodeled and uses the former Pioneer Inn building for its church office and associated activities. The develop/redevelop proposal involves the construction of four

buildings, including a 22,244 square-foot sanctuary building with an approximately 500-seat main sanctuary area and three other buildings that combined would provide approximately another 22,000 square feet of space. An applicant proposed Phase 1 would involve the construction of the sanctuary building and an 8,516 square-foot building that would have retail uses and youth ministry on the ground floor and church administration on the second floor. A third building, which measures approximately 12,204 square feet in area, is proposed to have retail uses on the ground floor and commercial office uses on the second floor. The existing building on the property would be removed to accommodate this third building as part of the applicant's Phase 2. The fourth building measures approximately 1,200 square feet in area and could be built in either the first or second Phase. On-site parking requirements for the project as proposed would be approximately 215 spaces; the applicant is proposing to provide approximately 48 spaces on-site. There are several key issues associated with this application, including the following:

- The City's General Plan, Town Center Specific Plan, and Zoning Ordinance do not allow for assembly uses in the Town Center area.
- This development proposal is providing substantially less (about 21.6%) than the required on-site parking.
- The existing building on the property is the former Pioneer Inn, which may or may not have significant historic/cultural resource importance.

This project proposal requires a number of Planning approvals as follows:

- General Plan Amendment (to Allow Assembly Uses);
- Specific Plan Amendment (to Allow Assembly Uses, Parking);
- Zoning Amendments (to Allow Assembly Uses; Establish a Consistent Zoning Classification for Property; Parking);
- Use Permit Approval (to Allow Proposed Uses)
- Development Plan Approval (to Approve Overall Plan for Development)
- Tentative Parcel Map Approval to Divide the Property into Four (4) Parcels

The project application was deemed complete on March 26, 2010, after the applicant submitted required supplementary information and materials. Staff determined based on its preliminary environmental review of the application, that an environmental impact report (EIR) must be prepared for this proposed project on April 23, 2010. This determination is based on the following:

- Cultural Resources: The proposed project would result in the demolition and removal of the existing structure on the property, the former Pioneer Inn, which has the potential to "cause a substantial adverse change in the significance of a historical resource as defined in CEQA Guidelines section 15064.5."
- Land Use and Planning: The proposed project "conflicts with applicable land use plan, policy, and regulations of the City of Clayton (including General Plan, Town Center Specific Plan, and Zoning Ordinance) adopted for the purpose of avoiding or mitigating an environmental effect." This potential conflict relates in part to adopted parking standards and standards of allowed land uses that, in combination, help assure the adequacy of parking for the range of uses in the Town Center Specific

Plan area. The proposal does not appear to have adequate parking capacity on-site for the range of uses proposed, given the parking needs of other existing uses in the area, the potential parking needs of future uses on presently under-developed properties in the area, the parking needs of existing and foreseeable community events in the area, and the City's existing parking standards. Approximately 48 parking spaces are provided on-site, while the actual parking required in accordance with City standards is approximately 215 parking spaces. The lack of adequate parking on-site could impact the number, size, type, location, and general viability of other uses envisioned in the City's Town Center Specific Plan area, and, therefore, adversely impact the envisioned character of this area.

- Transportation /Traffic: The proposal has the potential to "result in inadequate parking capacity." (See rationale under Land Use and Planning).
- Mandatory Findings of Significance: The potential impacts identified above under Land Use and Planning and Transportation/Traffic have the potential that may not only be individually significant but cumulatively significant as well "when viewed in connection with the effects of past projects, the effects of other projects, and the effects of probable future projects."

These were initial issues identified, while it is anticipated there may be additional issues identified based on completion of the required environmental document.

DISCUSSION

Staff prepared a request for proposals (RFP) and distributed it to five multi-disciplinary environmental consulting firms that have known capability in preparing more complex environmental assessments and environmental impact reports (EIRs). Three of the firms responded with proposals: LSA Associates, Inc., Raney Planning and Management, Inc., and ESA (Environmental Science Associates).

Upon receiving the proposals, staff reviewed them with consideration to the following evaluation criteria:

- Relevant Experience
- Approach/Scope of Work
- Project Manager/Staffing
- References
- Schedule
- Cost
- Responsiveness

Attached is a Consultant Evaluation Form that provides information and comments for each of the firms related to the evaluation criteria listed above.

The City of Clayton has employed Raney Planning and Management, Inc. since 2004 to prepare various environmental documents, including environmental documents pertaining to the Town Center Specific Plan area. This firm has performed well for the City in the past,

and proposes the lowest proposed budget for the Clayton Community Church EIR at \$127,610. LSA offers an adjusted budget of \$133,500, and offers to have both its Principal-in-Charge and Project Manager at all meetings. Both LSA and Raney have more detailed scopes of work and budgets as compared to ESA. ESA has indicated to Clayton staff that it is likely they would need to increase their budget by \$10,000 from \$153,477 to address augmenting the applicant submitted Phase 1 Cultural Resources Assessment.

Both LSA and ESA indicate very applicable examples of direct relevant experience, given the subject Clayton Community Church proposed project.

In terms of proposed schedule, LSA anticipates having a Final Draft EIR with Responses to Comments ready for public hearings within seven months of receiving a notice to proceed, Raney within 10 months, and ESA within 13 months.

Generally, staff finds ESA does not measure up well in terms of clarity of scope of work, certainty of budget, and schedule with the other two respondents. Staff believes that LSA offers a strong overall proposal and responsiveness to the needs of this project. While LSA does not have the familiarity with this jurisdiction that Raney has, LSA has extensive relevant experience, a strong team, and demonstrated a willingness take responsibility for accelerating their learning curve. Staff submits it may be beneficial for a fresh but very experienced team to take on this interesting project for the City and its community. Accordingly, staff recommends that LSA Associates, Inc., based on its adjusted June 2010 proposal, be selected to prepare the EIR for the Clayton Community Church project. Staff offers the attached Consultant Evaluation Form in support of this recommendation.

FISCAL IMPACT

The project applicant, the Clayton Community Church, will be responsible for all costs associated with the preparation and processing of the subject environmental impact report (EIR), including monetary augmentations necessitated as the project's review moves forward. It should be noted that a separate Fiscal/Market Impact analysis will also be required for this project.

STAFF REPORT

Gary A. Napper
City Manager/Executive Director

TO: HONORABLE MAYOR AND COUNCILMEMBERS

FROM: MERRY PELLETIER, FINANCE MANAGER

DATE: JULY 6, 2010

SUBJECT: AWARD OF CONTRACT FOR NEW FINANCIAL SYSTEM SOFTWARE

RECOMMENDATION

It is recommended the City Council by minute motion approve the purchase of new financial system software for City operations by award of contract to Blackbaud Financial Edge in the amount of \$22,200.00, and authorize its City Manager to execute the contract purchase.

BACKGROUND

The City's financial Fundware software is twelve years old, DOS-based and woefully inadequate to manage the complexities and data integration necessary in today's municipal financial management services. The Blackbaud company purchased the Fundware company and later made the decision it would no longer upgrade or provide technical support for the financial software program used by the City.

The City's Finance Department needs upgraded software in order to link the various financial fields employed by the City, such as payroll, cash receipts, general ledger, AR & AP, and trust & agency funds. Presently, each field is a stand-alone program within the Fundware system and cannot be transported to other financial applications without manual re-entry of the data. Such software rigidity severely hinders the capability of staff to manage the City's finances and provide financial research, and creates inefficient work efforts.

PROPOSED SOFTWARE SYSTEM PURCHASE

Blackbaud offers a new financial management software system that is built on the same platform as the City's existing Fundware. This configuration is of key importance as it can easily manage the conversion of our existing financial information and history into the new software. Software systems available from other vendors would require our financial data

and history to be input manually, a horrendous and impractical undertaking with the limited number of staff employed in City Hall. The Financial Edge software is SQL-based software that easily interfaces with Excel. The new software will enable easy access to our converted database, which in turn will allow staff to create reports and historical analyses that our current software is unable to perform.

Because the software platform systems are compatible, Blackbaud is the sole-source vendor for the City's purchase of new financial management system software. The conversion process is still projected to take four to six months, including staff training on the new system.

FISCAL IMPACT

On June 29, 2010 the City Council adopted its budgets for Fiscal Year 2010-2011. Included in this approval is \$23,050 in monies from the Capital Equipment Replacement Fund (CERF) for the new financial software system:

Blackbaud Financial Edge:

Software, implementation and training for 2 users: \$22,200.00
(one time expense)

Note: Retail price for new clients would be \$6,050 more

In addition, annual software maintenance contract service is \$2,772 per year which amount was budgeted in the City's adopted Budget. The City's current software maintenance contract is \$1,747.24 annually.

Respectively submitted,

Merry Pelletier

STAFF REPORT

TO: HONORABLE MAYOR AND COUNCILMEMBERS

FROM: Laura Hoffmeister, Asst. to the City Manager 

MEETING DATE: July 6, 2010

SUBJECT: Resolution approving and authorizing the City Manager to execute the Contra Costa Clean Water program Agreement (NPDES) for 2010-2025.

RECOMMENDATION

Adopt Resolution No ____-2010 approving and authorizing the City Manager to execute the Contra Costa Clean Water program Agreement (2010-2025) related to the National Pollutant Discharge Elimination System (NPDES) Program requirements.

BACKGROUND

The 1987 amendments to the Clean Water Act (CWA) added Section 402(p) establishing a framework for regulating municipal stormwater discharges under the National Pollutant Discharge Elimination System (NPDES) permit program. The United States Environmental Protection Agency (USEPA) promulgated regulations in November 1990 establishing permit application requirements for discharges from municipal separate storm sewer systems (MS4s). In California, the MS4 NPDES Permit Program is administered by California State Water Resources Control Board and the nine (9) Regional Water Quality Control Boards (RWQCBs).

Following promulgation of USEPA's 1990 stormwater regulations, the San Francisco Bay and Central Valley RWQCBs mandated Contra Costa County, its 18 incorporated cities¹, and the Contra Costa County Flood Control and Water Conservation District (District) (hereinafter referred to collectively as Permittees) apply for MS4 NPDES Permit coverage. In May 1991, Permittees entered into an agreement to participate in the preparation of a Joint MS4 NPDES Permit application to minimize the cost to all parties. This cooperative arrangement has evolved and matured over the past 19 years and is now known as the Contra Costa Clean Water Program (Program). The Program has successfully cooperated under a Program Agreement, which has been updated from time to time. The Program

¹ The cities of Brentwood and Oakley were not covered under the initial Joint Municipal NPDES Permit issued by the Central Valley RWQCB in January 1994. NPDES permit coverage was subsequently required for the City of Brentwood in 1998, and the City of Oakley was added when it incorporated in July 1999. Now, Contra Costa County, all nineteen (19) of its incorporated cities/towns, and the Contra Costa County Flood Control and Water Conservation District are covered under a Municipal NPDES Permit issued by the San Francisco Bay and/or Central Valley RWQCB.

Agreement delineates Program activities (i.e., activities conducted collectively), structure, membership, costs and participation. A separate Cost Payment Agreement further delineates the fiduciary responsibilities of the District in administering a Stormwater Utility Assessment on behalf of all Permittees (except Brentwood and Richmond who fund through other sources), and the Permittees responsibilities for reimbursement of Group Program costs.

The San Francisco Bay and Central Valley RWQCBs issued their first 5-year MS4 NPDES Permit to Permittees on September 15, 1993 and January 28, 1994, respectively.² These permits were reissued in July 1999 and June 2000. In October 2010, the San Francisco Bay RWQCB reissued a third permit, which now consolidates most all Bay Area stormwater programs³ under one Municipal Regional Permit (MRP). The Central Valley RWQCB is scheduled to reissue its third permit in the near future, which is expected to be nearly identical to the MRP.

With the planned expiration of the existing Program Agreement in 2010, and new and enhanced stormwater regulations in the recently adopted MRP, Permittees wish to update the Program Agreement. Proposed changes to the Program Agreement are relatively minor. The most substantive changes in the proposed Program Agreement involve a restructuring of the various subcommittees, and required level of participation on those subcommittees by municipalities.

DISCUSSION:

The 1987 Reauthorization of the Federal Clean Water Act, as well as similar State legislation, required local agencies to obtain a NPDES Permit for discharging the contents of municipal storm drainage water conveyance systems. As implemented and enforced by the State through the Regional Water Quality Control Board (San Francisco Bay Area Region), this permitting effort is intended to improve water quality in the Delta and San Francisco Bay Estuary System, protect endangered species, and safeguard public waters and waterways for continued economic, recreation and health purposes. The State and Federal Government have identified Stormwater runoff pollution as a significant impact on water quality and wildlife in the Bay Area. During wet weather, large amounts of pollutants, such as oil and grease from automobiles, heavy metals from vehicle exhaust and brake pads, such as copper and lead, pesticides, herbicides and fertilizers from lawns and gardens, soil erosion, and biological material enter the storm drain system and ultimately empty, untreated, into creeks, waterways, the Delta and Bay.

² The cities of Antioch, Brentwood, and Oakley, and the easternmost portions of unincorporated Contra Costa County are under the jurisdiction of the Central Valley RWQCB. All other municipalities, and the majority of unincorporated Contra Costa County are within the jurisdiction of the San Francisco Bay RWQCB. The NPDES Permit issued by the Central Valley RWQCB has historically been almost identical to the NPDES Permit issued by the San Francisco Bay RWQCB.

³ Alameda Countywide Clean Water Program, Contra Costa Clean Water Program, Santa Clara Valley Urban Runoff Pollution Prevention Program, San Mateo Countywide Water Pollution Prevention Program, Fairfield-Suisun Urban Runoff Management Program, and the City of Vallejo and the Vallejo Sanitation and Flood Control District.

The City of Clayton was mandated by both the Federal and State laws to obtain a National Discharge Elimination System (NPDES) permit for the City's Stormwater discharges. These permits are issued for five-year increments by the SF Regional Water Quality Control Board, as required by the Federal Water Quality Act and the State law. The City participates and obtained its joint NPDES permit from the SF Regional Water Quality Control Board via the Contra Costa Clean Water Program whose participants include the 19 cities within the County, the County, and the Flood Control District. The City of Clayton has participated since its inception in 1993. The SF Regional Water Quality Control Board issued the second five-year permit in July 1999; the third permit was issued in October 2010. This permit allows the city and other jurisdictions to utilize the storm water drainage system for the next five years for discharges into creeks that ultimately drain into the bay. Numerous additional requirements were recently added to our permit by the SF Regional Board that require cities to increase regulation and monitoring activities for development/construction controls, municipal maintenance, public education and outreach, illicit discharge and inspection, and documentation and reporting.

The Contra Costa Clean Water Program joint participation allows for the program management, permit process and permit requirements to be kept to a minimum through economies of scale and local and regional collaboration, at a fraction of the cost of doing it alone. The program provides for a regional approach to stormwater pollution control, regional monitoring, public education and outreach, technical support and training, special studies, legal costs and NPDES permit administration requirements and compliance documentation.

The multi-jurisdictional participation is codified by the Clean Water Program Agreement which was last approved by the City Council in July 2003. The Agreement expires this year and thus there is a need for a new Agreement. Given the on-going five year permit process and that the current SF Regional Board permit has added items that will extend or continue beyond that time frame the Agreement is set for a period through 2025, which will cover the current and the next two five-year cycles. The new Program Agreement also continues the cities pro-rata share of the group costs formula, using the same formula method as the current Agreement (pro-rata share based upon population). The City of Clayton continues to have the smallest of the group contribution costs given its small population, 1.12%. For this FY (2010-11) the overall group program costs for Clayton will be apx. \$33,000. Over the years there have been some program costs increases, they are attributed to increased Federal and State mandated requirements contained in the most recent permit period, and future permits and potential legal costs which will increase the amount of work in the group activities and programs. This will increase all cities costs and thus reduce the amount of funds that are available as return to source. Financial analysis by the cities staffs and the Program of the new permit have determined that within a few years available funds from the current assessment structure and rates will not be sufficient to pay for the current permit unfunded state mandates. As such the Program is undertaking a year long effort to further analyze future costs of the state mandates and potential funding options.

Staff has and continues to participate in the many group committees needed to work on the various requirements, as is required by the program agreement and state permit, including New Development Construction Controls Committee, the Monitoring and Inspection Committee, Municipal Operation Committee Administration and Finance Committee and the Management Committee.

The new permit issued in October 2009 by the San Francisco Regional Board added new requirements including reduction of the development threshold of significance from the current 10,000 sq. feet down to 5,000 and then to 2,500 sq feet. Specified trash reduction in creeks and drainage inlets have also been added including prescriptive creek clean up and monitoring and reporting. Updating as necessary the City's environmental review, mitigation, monitoring, reporting, development conditions, and municipal ordinances will also need to be done by city staff. Compliance with these additional unfunded mandates will increase staff time spent on NPDES program activities. Another significant issue is the establishment of legislation via litigation, and appeals/litigation over the permit requirements by certain third-party interest groups who believe that the state has not imposed strong enough requirements. In the past these interest groups have on-goingly brought successful legal action against the EPA, State and Regional Agencies, and permittees. The permittees share in defense costs through program funds from our pro-rata share formula. These potential defense costs are in addition to program requirements standards issued by the State.

Although a Federal and State Mandated program, cities do not receive any revenues from the Federal and State Government that offset or cover the mandated requirements. Consequently, the Stormwater Utility Rate and Assessment (SUA) areas were established in 1993 by the County and the Cities to develop a funding source to cover the costs of the Federal and State mandates. It is currently estimated that gross revenues from the previously approved assessment for FY 10-11 for the City of Clayton would total approximately \$130,000. Of this \$33,000 is allocated to the group costs; \$5,000 to the Sanitary District for commercial inspection, monitoring and municipal requested call out inspections; \$3,900 to the District for fiscal and assessment area management; and \$3,800 to the County Auditor for costs related to assessment collection, and \$5,000 to the State for the annual permit fee. Thus, the remaining funds available to the City, for all other activities is approximately \$79,000 a decrease of apx. \$17,500 over prior years budgets. Approximately one-third of the city's \$79,000 is directly spent on labor costs of maintenance activities required by the permit; the remaining is divided between equipment and materials; monitoring and inspection; and management and reporting.

FISCAL IMPACT

As mentioned the SUA funding pays for the group program costs. In April 2003, the City Council authorized the continuing levy necessary to cover the City's costs of these federal and State unfunded mandates, which included the costs for the City of Clayton's continued participation in the Contra Costa Clean Water Program group permit. [The City's SUA at \$29.00 per ERU (single family unit)/year is at the cap as set forth under the current law and

any further increase may be subject to Prop218]. The City Council annually reviews and authorizes the levy.

Should the City Council not approve the continued participation the City will need to prepare and file its own permit, program compliance, monitoring, and reporting. In addition the City would have new legal costs related to any litigation that the Program costs would cover. These tasks would require additional staff or consultant contracts, with added extensive financial costs without revenue adequate revenue sources. It is estimated that the City would need about \$1.0 – \$1.5 million a year to go it alone, in addition to other costs. The already approved assessment rate that is currently in place provides for a total of only \$130,000 per year which is not adequate to allow the City to use the same source of funds and go it alone. To cover the unfunded mandate costs would require revenue from other ongoing sources such as the General Fund. Given the high level of commitment of the General Fund to other City programs and projects, and potential impacts to the General Fund from yet to be known state budget cuts, the NPDES costs if paid for by the General Fund, would adversely impact other services and operations the City currently provides to the community. Non-compliance with Federal and State Permit regulations creates openness to legal challenges and fines from the State at \$10,000 per day.

CONCLUSION

To continue the participation in the Contra Costa Clean Water Program and Joint NPDES Permit issuance the City Council must approve the attached Resolution approving a new agreement for the period covering 2010-25, and authorizing the City Manger to execute the agreement. The Program Agreement has been review and approved as to form by the Contra Costa Cities/County Attorneys' Association NPDES sub-committee. Staff recommends the continued participation in the Contra Costa Clean Water Program as it allows for the program management, permit process and permit requirements and costs to be kept to a minimum through economies of scale and local and regional collaboration, at a fraction of the cost of doing it alone.

**RESOLUTION APPROVING AND AUTHORIZING THE CITY MANAGER TO
EXECUTE THE CONTRA COSTA CLEAN WATER PROGRAM AGREEMENT
(2010-2025) RELATED TO THE NATIONAL POLLUTANT DISCHARGE
ELIMINATION SYSTEM (NPDES) PROGRAM REQUIREMENTS**

**THE CITY COUNCIL
City of Clayton, California**

WHEREAS, Section 402(p) of the federal Water Pollution Control Act (CWA), as amended by the Water Quality Act of 1987, requires NPDES (Non Point Pollution Discharge Elimination System) permits for stormwater discharges from municipal separate storm sewer systems (MS4s); and

WHEREAS, in California, the NPDES Permits are issued through the California State Water Resources Control Board and the nine (9) Regional Water Quality Control Boards; and

WHEREAS, the San Francisco Bay and Central Valley Regional Water Quality Control Boards mandated Contra Costa County, all nineteen (19) of its incorporated cities/towns and the Contra Costa County Flood Control & Water Conservation District (Flood Control District) be covered under a Joint MS4 NPDES Permit; and

WHEREAS, these jurisdictions are currently covered under a Joint MS4 NPDES Permit issued by the San Francisco Bay and/or Central Valley Regional Water Quality Control Board; and

WHEREAS, the Joint MS4 NPDES Permits require individual municipal implementation of stormwater best management practices to prevent or reduce pollutants in stormwater; and

WHEREAS, the Joint MS4 NPDES Permit allows and encourages certain mandated activities be conducted jointly; and

WHEREAS, cooperative efforts between the cities/towns, County and the Flood Control District in the MS4 NPDES Permits have minimized the costs of the mandated activities to all parties; and

WHEREAS, the San Francisco Bay Regional Water Quality Control Board approved a reissued third Joint Municipal Regional Stormwater NPDES Permit (CAS612008) on October 14, 2009; and

WHEREAS, the Central Valley Regional Water Quality Control Board is scheduled to reissue a third Joint Municipal NPDES Permit; and

WHEREAS, Contra Costa County, all nineteen (19) of its incorporated cities/towns and the Flood Control District will be subject to the Program Agreement, which delineates Program activities, structure, membership, costs and participation; and

NOW, THEREFORE BE IT RESOLVED, the City of Clayton shall continue to participate in the implementation of the MS4 NPDES Permits agreeing to share in Program costs, provide appropriate staff support and provide detailed information necessary to implement the MS4 Permits.

BE IT FURTHER RESOLVED the City Manager is hereby authorized to execute the Contra Costa Clean Water Program Agreement (2010), as described in Attachment "A".

BE IT FURTHER RESOLVED the City Clerk shall provide three signed, certified copies of this resolution to the Contra Costa Clean Water Program Manager.

**CONTRA COSTA CLEAN WATER
PROGRAM AGREEMENT
(2010-2025)**

**Contra Costa Clean Water
Program Agreement between
The Contra Costa County Flood Control
& Water Conservation District
and
Agencies named below**

THIS AGREEMENT is jointly entered into by the Contra Costa County Flood Control and Water Conservation District; the cities of Antioch, Brentwood, Clayton, Concord, El Cerrito, Hercules, Lafayette, Martinez, Oakley, Orinda, Pinole, Pittsburg, Pleasant Hill, Richmond, San Pablo, San Ramon, and Walnut Creek; the Towns of Danville and Moraga; and, the County of Contra Costa (sometimes individually referred to herein as "co-permittee" or "agency"). It is dated for administrative convenience as July 01, 2010.

R e c i t a l s

A. The parties are holders of Joint Municipal National Pollutant Discharge Elimination System ("NPDES") Permits issued by the San Francisco Bay and/or Central Valley Regional Water Quality Control Boards. The permits expire five years from their effective date, but may be modified, or alternatively revoked or reissued, before the expiration date, or administratively extended beyond the expiration date pending reissuance. The cities, towns and County previously entered into a joint agreement with the Contra Costa County Flood Control and Water Conservation District ("District") for a 7-year period. As set forth more particularly in Section B below, the parties wish to extend the joint agreement to June 30, 2025.

B. The parties (except the cities of Richmond and Brentwood) have entered into a separate cost payment agreement regarding the stormwater utility fee assessment financing with the District. The cities of Richmond and Brentwood may enter into separate cost payment agreements with the District in the future.

NOW, THEREFORE, THE PARTIES AGREE AS FOLLOWS:

A. Group Activities Delineation.

The Management Committee ("MC") is the decision-making body of the Contra Costa Clean Water Program ("Program"). It shall be responsible for setting policies, providing directions, approving contracts and agreements, and authorizing expenditures.

The Program shall administer the Joint Municipal NPDES permits and implement the activities jointly carried out pursuant to this Agreement by the parties including, but not limited to, the following tasks:

1. Provide the necessary administrative, technical and clerical resources to implement all Program activities directed by the Management Committee in order to implement the Joint Municipal NPDES permits. Administrative activities may include attending all Management Committee and sub-committee meetings, and preparing committee staff reports, minutes and/or summaries of committee actions.
2. Administer all consulting services contracts (technical, legal, public relations and associated services) including the coordination, billing and monitoring of all such activities.
3. Represent the Program at federal, state, regional and local governmental, civic, professional and political organizations and agencies.
4. Coordinate the yearly compilation of the Annual Reports for submittal to the appropriate Regional Water Quality Control Boards.
5. Conduct monitoring activities, which may include the purchase, installation and testing of equipment at designated sites.
6. Ensure all regulatory fees and assessments necessary to obtain and maintain the Joint Municipal NPDES Permits are appropriate and, if so, paid.
7. Ensure adequate information is available to all co-permittees for implementation of a comprehensive stormwater management ordinance and its regulations in compliance with the NPDES permits.
8. Implement a comprehensive public information/participation program on behalf of all co-permittees. The Program will be responsible for developing independently or in cooperation with the Bay Area Stormwater Management Agencies Association ("BASMAA") original public information materials; and, co-permittees shall be responsible for reproducing and distributing these materials.
9. Participate in special studies determined by the Program, the Regional Water Quality Control Boards, BASMAA or other appropriate entities.
10. Ensure adequate information is available for co-permittees to implement a

comprehensive program for field inspection and investigation activities for unauthorized connections and illegal dumping.

11. Ensure adequate information is available for co-permittees to implement source controls, site design measures, and stormwater treatment and runoff control measures on new development and redevelopment projects, and to ensure ongoing operation and maintenance of post-construction stormwater management facilities.

12. Ensure adequate information is available for co-permittees to mitigate impacts to stormwater quality resulting from construction activities specifically focusing on proper site management; erosion control; sediment control; runoff and runoff control; non-stormwater management control; and, proper operation and maintenance of such construction site control best management practices ("BMPs").

B. Termination.

This agreement will terminate on June 25, 2025. However, if the existence of this agreement is necessary to remain in compliance with permit requirements promulgated by the Regional Water Quality Control Board, and the parties have not been able to modify or extend the agreement by such date, the agreement will remain in effect on a month to month basis until formally amended or repealed by the parties. Should a co-permittee want to stop participating in the Program and terminate its obligations under this Agreement, the following conditions must be met:

1. The co-permittee shall provide written notice to the Program Manager and Management Committee chair and vice-chair of its intention to terminate its participation in the Program by no later than 5:00 p.m., December 31 prior to the commencement of the following fiscal year of which it is seeking to terminate its obligations (July 1 - June 30).

To ensure an orderly transition, the departing co-permittee shall also obtain written confirmation from the Regional Board Executive Officer that an individual Municipal NPDES Permit will be issued to the co-permittee and provide a copy to the Program with the notice of termination.

2. The co-permittee shall be committed to fulfill all of its financial obligations outlined in this Agreement to the end of the fiscal year (June 30).

3. The co-permittee shall also fulfill all of its individual obligations for projects, studies, and other programs and activities undertaken on behalf of the Program or BASMAA through the duration of any such projects, studies, programs, and activities.

C. Sub-committee Structures.

The following sub-committees to the Management Committee are hereby established, subject to changes approved by the Management Committee:

1. Administrative Committee ("AC") is a sub-committee responsible for administration, strategic planning, personnel, budget recommendations and conflict resolution.
2. Monitoring Committee ("MONC") is a sub-committee responsible for water quality monitoring activities and coordination of associated special studies/projects.
3. Development Committee ("DC") is a sub-committee responsible for preparing guidance and training on construction site stormwater quality management programs, post-construction stormwater quality management programs, and for reviewing, researching and making recommendations to the Management Committee on matters related to land development activities.
4. Public Information/Participation Committee ("PIPC") is a sub-committee responsible for development of materials and products, information dissemination, technical workshops, marketing and public outreach.
5. Municipal Operations Committee ("MOC") is a sub-committee responsible for development of guidance and training on stormwater pollution prevention activities for municipal maintenance activities, commercial/industrial inspection programs, illicit discharge control activities, and trash load reductions activities.
6. Ad Hoc Workgroups are established by the Management Committee as needed for a temporary period for the purposes of reviewing, researching and making recommendations to the Management Committee or a sub-committee on a permit compliance matter. Ad Hoc Workgroups may act on behalf of the Management Committee or sub-committee if approved and directed by the Management Committee.

D. Management Committee Representatives.

1. The city/town/county/District manager shall designate in writing to the Program Manager and chair or vice-chair of the Management Committee the Management Committee representatives for their jurisdiction. The designations may be identified by job classifications or as named individuals. The manager shall designate up to two (2) individuals who may vote on behalf of their agency at any Management Committee deliberation. Each co-permittee shall have one vote on the Management Committee. The voting decisions of the Management Committee representatives shall be binding upon their agency. Co-permittees shall be permitted to send substitutes to any Management Committee meeting, permitting the individual to vote on behalf of the agency when the designated representative is absent. Written confirmation from the city/town/county/District manager indicating the identity of the substitute shall be provided to the Program Manager prior to the meeting. The substitute's decisions shall be binding upon its agency.
2. Each Management Committee representative shall consist of a designated individual

responsible for directly administering the stormwater management program for their agency.

3. Management Committee representatives shall continue for the entire term of the Agreement unless changed by the city/town/county/District manager by providing timely written notification to the Program Manager.

4. Any decision made by the Management Committee shall be binding upon all co-permittees.

E. Committee Membership.

1. For the purposes of this agreement, a "Large Municipality" is designated as having a population of 50,000 or more obtained from the State of California's Department of Finance. The population data published in January of each year will be used for determining municipalities within this designation for the following fiscal year.

Each co-permittee designated as a "Large Municipality" shall have one voting representative on the Management Committee and a minimum of two voting representatives on two of the following (except as stipulated in Section E.11. i below):

- Administrative Committee
- Monitoring Committee
- Development Committee
- Public Information/Participation Committee
- Municipal Operations Committee, or
- BASMAA sub-committee duly recognized by the Management Committee

Each co-permittee not designated as a "Large Municipality" shall have one voting representative on the Management Committee and one voting representative on the Administrative Committee, Monitoring Committee, Development Committee, Public Information/Participation Committee, Municipal Operations Committee, or BASMAA subcommittee duly recognized by the Management Committee. Participation in any Ad Hoc Workgroup duly created by the Management Committee shall be voluntary.

2. Co-permittees serving as voting members of any BASMAA subcommittee shall represent all Program co-permittees. Co-permittees designated as voting members of a BASMAA subcommittee shall also participate on the equivalent or corresponding Program subcommittee as determined by the Management Committee to best serve the interests of the Program.

3. Co-permittees may have membership on any sub-committees as full voting members if approved by the Management Committee at its May meeting upon the recommendation of the Management Committee chairperson for the following fiscal year. Each co-permittee shall only be

allowed one vote per sub-committee. Participants at sub-committee meetings, other than approved voting members, shall not be allowed to vote on any item under consideration.

4. Co-permittees may participate in the discussions of any sub-committee; however, any co-permittee not designated as an approved voting member shall not be allowed to vote on recommendations.

5. Each of the following sub-committees shall have the following minimum number of members subject to changes by the Management Committee:

- | | |
|--|---|
| • Administrative Committee | 7 |
| • Monitoring Committee | 5 |
| • Development Committee | 5 |
| • Public Information/Participation Committee | 5 |
| • Municipal Operations Committee | 5 |

6. The Management Committee chairperson and vice-chairperson shall be chosen at the May Management Committee meeting for the following fiscal year.

7. The Management Committee chairperson shall be chairperson of the Administrative Committee for one fiscal year (July 1 to June 30).

8. The Management Committee chairperson, in accordance with established guidelines, shall by May of each fiscal year recommend, after consultation with all co-permittees, membership on all sub-committees effective July 1 of the next fiscal year. Recommendations shall be considered by the Management Committee at its May meeting. Sub-committee members shall be encouraged to rotate every two years.

9. The first order of business for each sub-committee at its July meeting is to choose a chairperson and vice chairperson for the remainder of the fiscal year, and to establish the sub-committee's work plan for the fiscal year dealing with its goals, objectives, time lines and related items, consistent with the requirements in the NPDES Permits. The sub-committee's work plan shall be provided to the Management Committee for review upon completion.

10. Attendance at all Management Committee and sub-committee meetings shall be published monthly. Co-permittees with voting rights are expected to attend at least 80% of the regularly scheduled meetings. Two consecutive absences shall cause the Management Committee or sub-committee chairperson to request new representatives from the designated co-permittee by contacting either their Management Committee representative or the co-permittee's city/town/county/District manager. Attendance of all committees shall be added to the Annual Report provided to the Regional

Water Quality Control Boards.

11. The Administrative Committee shall consist of the following membership and conditions, subject to changes by the Management Committee, and shall generally follow the rotation guidelines contained in **Exhibit "A"**:

a)	Management Committee chairperson	1
b)	Flood Control District	1
c)	Contra Costa County	1
d)	"Designated Large Municipality"	1/0*
e)	Other Co-Permittees	<u>3/4*</u>

Total 7

- * (i) A "Designated Large Municipality" is defined as one of the three co-permittees with the largest populations based on State of California's Department of Finance's population estimates. The population data published in January of each year will be used for determining the three municipalities within this designation for the following fiscal year.
- (ii) The three "Designated Large Municipalities" will rotate voting membership on the Administrative Committee annually.
- (iii) The "Designated Large Municipality" serving on the Administrative Committee shall also serve as the voting member of two additional subcommittees.
- (iv) If the Chairperson on the Administrative Committee is from a "Designated Large Municipality", then the "Other Co-Permittees" category shall be increased to four members and the "Designated Large Municipality" category shall be decreased to zero.
- f) Administrative Committee vice-chairperson shall be selected at the first meeting in July of each fiscal year. The Management Committee vice-chairperson does not have to be the Administrative Committee vice-chairperson.
- g) Balanced representation from the following geographical areas will be encouraged:
 - (i) West County: El Cerrito, Richmond, San Pablo, Hercules, Pinole, and unincorporated County.
 - (ii) East County: Antioch, Brentwood, Oakley, Pittsburg, and

unincorporated County.

(iii) Central/North County: Concord, Clayton, Pleasant Hill, Walnut Creek, Martinez, and unincorporated County.

(iv) Lamorinda/South County: Lafayette, Orinda, San Ramon, Danville, Moraga, and unincorporated County.

h) The Flood Control District shall be a permanent member of the Administrative Committee, but shall also participate as a voting member on at least one additional subcommittee.

i) Contra Costa County shall be a permanent member of the Administrative Committee, but shall also participate as a voting member on at least two additional subcommittees.

j) Administrative Committee voting membership can only be changed during the fiscal year by the Management Committee Chairperson following established guidelines:

i) The minimum membership per Section E5.

ii) Balanced membership from the four geographical areas generally outlined in **Exhibit A**.

12. Membership shall be chosen to enhance the sub-committee's manageability and overall effectiveness in attaining goals and objectives.

13. A quorum for each committee or sub-committee shall consist of a majority of its voting members.

F. Program Costs Participation and Allocation.

All program costs shall be allocated to co-permittees on population numbers annually obtained from the State of California's Department of Finance. The population data published in January of the preceding year will be used to form the cost allocations of the following fiscal year. (See **Exhibit "B"** for the 20010/11 Fiscal Year Allocations table as an example.)

G. Optional Services.

Additional services requested by a co-permittee and consistent with carrying out tasks outlined in the Joint Municipal NPDES Permits may be provided by Program staff as long as they minimally impact Program staffing and are approved by the Management Committee. Such requests shall be in writing and detail tasks to be accomplished. Such services shall be completely financed by the requesting co-permittee.

H. Contracting.

1. All contracts shall be administered through the District on behalf of the Program. Other co-permittees may be permitted to contract on behalf of the Program upon Management Committee approval.

2. Contracts may be entered into for up to three years.

3. Contracts entered into for a period less than three years may be extended, based upon satisfactory performance, for a total contract term of three years.

4. The appropriate sub-committee shall recommend consultant contracts and contract extensions to the Management Committee for approval.

5. The aforementioned contracts are for services, not products.

6. Procuring technical services shall be accomplished in the following manner:

a) A formal Request for Proposal ("RFP") shall be developed for all required technical services detailing goals, objectives, budget, tasks and time lines, unless an alternative process is approved by the Management Committee.

b) All co-permittee(s) will be asked if they wish to respond to the RFP. If so, the co-permittee(s) must respond in writing to the appropriate sub-committee.

c) The sub-committee can either recommend approval of the submitted co-permittee(s)' proposal to the Management Committee; or, may send the RFP to outside vendors and review all submittals before making a final recommendation to the Management Committee.

d) The appropriate sub-committee shall be responsible for recommending a consultant to the Management Committee.

I. Staffing.

1. Program staff are employees of Contra Costa County, employed on behalf of all co-permittees to administer the Program. The Management Committee may contract for Program staff through another co-permittee, another institutional arrangement (such as a joint powers agreement), or consultant(s).

2. The County, or other staff provider, shall obtain input from the Management Committee regarding staff evaluations, job classifications and salary ranges. The Administrative Committee shall be responsible for soliciting input from the Management Committee members.

3. The Management Committee shall negotiate an administrative overhead rate with any appropriate agency providing services to the Program.

4. Program staff shall provide a written record of all policies, rules and regulations duly adopted by the Management Committee.

J. Indemnity.

Each party to this Agreement agrees to protect, indemnify and hold harmless the other parties and their officers, officials, employees and volunteers from and against all claims, demands and causes of action by third parties on account of personal injuries or death or on account of property damages arising out of the work to be performed under this Agreement and resulting from the negligent act or omission of the party, its contractors, agents, employees or subcontractors.

AGENDA REPORT

TO: HONORABLE MAYOR AND COUNCILMEMBERS

FROM: DAVID WOLTERING, COMMUNITY DEVELOPMENT DIRECTOR

DATE: JULY 6, 2010

SUBJECT: CREEKSIDE TERRACE MIXED USE PROJECT
(ENV 01-08, DP 01-08, MAP 02-09, and ZOA 01-10)

RECOMMENDATION

1. The City Council approve adoption of an Initial Environmental Study/Mitigated Negative Declaration (IES/MND), a Development Plan, and a Vesting Tentative Map to allow the construction of the Creekside Terrace two-story, mixed-use commercial/residential building with approximately 7,200 square feet of commercial retail on the first floor and seven residential units on the second floor.

2. The City Council approve Introduction and First Reading of Ordinance No. 428 amending the *Clayton Municipal Code* for the purpose of extending from June 30, 2010 through June 30, 2013 the On-site Parking Waiver Provision in the Town Center area and amending the requirement for a building permit within one (1) year of project approval to within two (2) years of project approval.

PROJECT INFORMATION

Applicant/Location: City of Clayton
West side of Oak Street and North of High Street
APNs 119-050-034, 119-500-009, and 119-050-034

Property Owner: City of Clayton

General Plan Designation: Town Center Commercial; Public Facility

Town Center Specific
Center Plan Designation: Town Center Commercial

review period for the IES/MND extended from March 2, 2009 through April 2, 2009. The planning entitlements associated with this application are a Development Plan approval in accordance with Chapter 17.28 of the Clayton Municipal Code, given the project is in a Planned Development Zoning District, a Vesting Tentative Map approval to create seven residential condominium units and four or five commercial condominium units on the ground floor, and approval of Ordinance. No. 428 to extend the Parking Waiver allowance reflected in Section 17.37.030.C from June 30, 2010 to June 30, 2013 and change the requirement for the Parking Waiver from obtaining a building permit within one year of project approval as stated in Section 17.37.030.C.3 to within two years of project approval, with the purpose of continuing to offer incentives related to allowing greater development potential and reduced on-site parking requirements to development and redevelopment proposals in the City's Town Center area that reflect the desired vision for development as reflected in the adopted Clayton Town Center Specific Plan.

After repeated attempts and notification by the City, the developer associated with this proposed project failed to replenish the deposit account. The project did not move forward in terms of processing during the latter portion of 2009. The Clayton Redevelopment Agency decided to assume the position of project sponsor and entered into contract with VIZf/x for professional services to assist with preparing, assembling, and processing plans and information for consideration of planning entitlements for a renamed and slightly modified version of the Rivulet project. The new project is named Creekside Terrace and involves a reallocation of 200 square feet of residential entry space to increase the commercial ground floor space to 7,200 square feet from approximately 7,000 square feet of space.

The Planning Commission considered the slightly revised Creekside Terrace proposal at its May 25, 2010 meeting, receiving the staff report and public testimony and discussing the merits of the project. The Commission then continued the item to a date certain, June 8, 2010, requesting staff to prepare the needed resolutions and ordinances to recommend City Council approval of the proposed project, based on its directives. The Commission generally was quite supportive of this two-story, mixed used development proposal with seven residential units on the second floor and approximately 7,200 square feet of commercial space on the ground floor. However, the Commission did direct the staff to continue to work with Project Architect, Robert Staehle, to further enhance the second floor southeast elevation. The general consensus of the Commission was this elevation appeared modular and lacked the same level of architectural interest of the remainder of the building.

As directed, staff prepared the needed resolutions and ordinance to recommend City Council approval of this proposed project. The resolutions pertained to recommending City Council approval of the adoption of the Initial Environmental Study/Mitigated Negative Declaration (IES/MND), Development Plan, and Vesting Tentative Map. The ordinance pertained to the related extension of the Parking Waiver in the Town Center area. Additionally, staff has worked with Architect Robert Staehle to develop several options for the Commission to consider for the southeast corner elevation. At the June 8th meeting, the Commission recommended City Council approval of the resolutions and ordinance and

recommended Option 3 to enhance the southeast corner elevation of the building. This elevation is depicted in the attached project plans.

Option 3 involves a five-sided projection which will extend outward from the corner of the building beyond the property line into the City's right-of-way as do the overhang and columns that extend along the Oak Street frontage above the sidewalk. This architectural feature counterbalances the pitched triangular roof at the northeast corner of the project. This serves to benefit the entire Oak Street elevation, as both elements provide strong architectural "bookends" for the project. The Town Center Specific Plan that guides development in this area states the following:

- "Avoid flat roofs...except in small areas and those that are not visible." (Page 47)
- "Offsets, projections, overhangs, and recesses all may be used to produce effective shadow interest areas. Long unbroken expanses of wall of facade should be avoided along street frontages and corners." (Page 52)

Based on these guidelines, staff believes the elevation provided in Option 3 complies with the intent of the Town Center Specific Plan with regard to architecture. Option 3 also provides a straight gable end at the southern terminus of the Oak Street walkway canopy, which provides visual continuity with the straight gable end at the northern terminus of the walkway canopy.

ENVIRONMENTAL REVIEW

The original development application for the subject properties was for a very similar mixed use project, entitled "Rivulet." For this original development application, the City, in concert with its environmental consultant for the project, prepared an IES/MND to adequately evaluate the potential environmental impacts of the proposed "Rivulet" Project. The IES/MND was released for a 30-day public review period from March 2, 2009 to April 2, 2009. A total of six (6) public comment letters were received during the 30-day review period and one public comment hearing on the IES/MND was held before the Planning Commission during the review period. The meeting minutes from this public hearing are included in the list of comment letters attached as Appendix F to the Creekside Terrace IES/MND (see below paragraphs for a description of this document). As noted above, after the original developer failed to move forward with this project, the Clayton Redevelopment Agency assumed the position of project sponsor, slightly modifying the project, and renaming it to Creekside Terrace.

Creekside Terrace IES/MND

In order to reflect the most recent project application, the Rivulet Project IES/MND has been revised in strike-through, underline format, and appropriately renamed to "Creekside Terrace IES/MND." Since the changes to the original Rivulet project design are very minor, and generally include a reallocation of 200 square feet of ground floor residential entry space to retail space and revisions to the storm drain system design, the revisions reflected in the Creekside Terrace IES/MND do not affect the adequacy of the previous environmental analysis contained in the Rivulet Project IES/MND, which determined that the project would

result in potentially significant impacts in the following areas: air quality, biological resources, cultural resources, geology and soils, hazards and hazardous materials, hydrology, and public services. However, the original findings presented in the Rivulet Project IES/MND remain applicable for the Creekside Terrace IES/MND – that is, all impacts could be reduced to a less-than-significant level with implementation of required mitigation measures.

The Creekside Terrace IES/MND also includes changes resulting from the responses to public comments submitted on the March 2009 Rivulet Project IES/MND (see Appendix F). Also attached, as Appendix G to the Creekside Terrace IES/MND, is an Errata Sheet, which includes a listing of all changes to the IES/MND as a result of public comment or in response to the most recent development application.

In addition to the changes made to the IES/MND in order to provide clarification concerning the current development application, other changes were made in response to the public comments submitted on the original Rivulet Project IES/MND. Most of the changes made to the IES/MND in response to comments are a result of Planning Commissioner comments, which are included in Letter 1 of Appendix F to the Creekside Terrace IES/MND. Many of the comments submitted by the Commissioners regard requests for further details concerning the methodology of certain mitigation measures. In response to these comments, minor text additions have been made to select mitigation measures for purposes of methodological clarification. Regarding the addition of Section 4, *Greenhouse Gas Emissions*, to the IES/MND, this section has been added per the State's recent amendment of Appendix G of the CEQA Guidelines. The climate change information added to the Creekside Terrace IES/MND does not result in any new significant impacts associated with the proposed project. The included analysis is for informational purposes, most specifically, in order to demonstrate how the Creekside Terrace project achieves many of the design objectives identified by various authorities to reduce greenhouse gas emissions. In summary, the changes to the previous IES/MND do not result in any new significant impacts; subsequently, there is no need to recirculate the Creekside Terrace IES/MND.

DEVELOPMENT PLAN

The Development Plan is being processed in accordance with the provisions of Chapter 17.28 of the Clayton Municipal Code. It should be noted that the establishment of a conservation easement over the westerly parcel, the restoration and enhancement of the Mitchell Creek corridor associated with this proposed project, the development of a seating area and environmental information opportunity site for the community, and the on-going responsibility to maintain these areas are proposed along with more active recreation areas within the project to satisfy the open space requirements for the project as allowed under 17.28.100 of the Clayton Municipal code.

The attached Draft Conditions of Approval include proposed conditions related to Site Plan, Architectural, and Landscape Architectural issues/concerns starting at Page 5.

VESTING TENTATIVE MAP

This Vesting Tentative Map is being processed in accordance with Chapter 16.40 Vesting of Tentative Maps of the Clayton Municipal Code. The submitted Vesting Tentative Map depicts four commercial condominium units on the first floor, seven residential condominium units on the second floor, and related common and conservation areas on the property.

Vesting Tentative Map applications as compared to standard Tentative Map applications require more detailed information from applicants, such as information regarding actual project construction and architectural details, landscape treatments, and exterior colors and materials. This specificity is required because, in return for more specific control over what an applicant is intending to do, the local community is generally agreeing the ordinances, policies, and standards in place at the time of approval of the Vesting Tentative Map will apply to the project. The expiration and extension period are the same for both the Tentative Map and Vesting Tentative Map pursuant to 16.40.080 of the Clayton Municipal Code. The initial approval period for both types of maps is 24 months.

Starting at Page 8 of the attached "Creekside Terrace Draft Conditions of Approval and Advisory Notes (ENV 01-08, DP 01-08, and MAP 02-09)" are the Engineering Conditions that are recommended to apply to the mapping aspect of this proposed project.

ORDINANCE NO. 428

The Creekside Terrace (formerly Rivulet) project was planned and designed with the assumption of using the Parking Waiver provision in Section 17.37.030.C. of the Clayton Municipal Code. This Section of the City's Code implements Ordinance No. 408 which was adopted by the Clayton City Council on June 26, 2007. The purpose of this ordinance is to allow specified reductions to on-site parking requirements for development projects satisfying certain stated criteria as an incentive for development and redevelopment to occur in Clayton's Town Center area. The waiver period in Section 17.37.030.C. expires on June 30, 2010. There has been minimal use (i.e., Flora Square Project) of this waiver provision since its adoption, given the slow economy; nevertheless, the need for development and economic development incentives in the Town Center area continues in the opinion of the Planning Commission and staff. The Commission acknowledged the Creekside Terrace project needs this waiver provision, based on the proposed design, which features 21 parking spaces and would pay an in-lieu parking fees for the additional seven spaces required under this Section of the Code. The Commission noted, though, that a time extension for this provision of the Code would have wider benefit than the Creekside Terrace project, by providing incentives for other development and redevelopment projects in the Town Center area, as well. Accordingly, the Commission is recommending approval of Ordinance No. 428 to extend the Parking Waiver to change the requirement for the Parking Waiver from obtaining a building permit within one year of project approval as stated in Section 17.37.030.C.3 to within two years of project approval. The Planning Commission determined that a one year period for obtaining a building permit after project approval is restrictive when many projects involve related subdivision map approvals wherein an initial two year period is given for recording a Final Map.

CONCLUSION

The Planning Commission and staff recommend approval of the Creekside Terrace project proposal, based on satisfying the recommended conditions of approval and environmental mitigation measures which support the actions described in the *Recommendation* section of this report.

Approval of Minutes

2. Approval of minutes from the meeting of April 13, 2010.

Commissioner Meriam moved and Commissioner Catalano seconded the motion to approve the minutes from the meeting of April 13, 2010, as amended. The motion passed 5-0.

Public Hearings

3. **Creekside Terrace Mixed Use Project, City of Clayton, 1005 Oak Street, 1007 Oak Street, and a third non-addressed parcel west of and upslope from Mitchell Creek (APNs 119-050-009, 119-050-034, and 119-050-008).** The project site is located on the west side of Oak Street between High Street and Center Street. The project involves the redevelopment of two properties, which are currently developed, generally level, and serviced by utilities. The third parcel, located immediately to the west, is an up sloping undeveloped property with Mitchell Creek traversing the eastern edge of that parcel near the toe of slope. The proposed project involves the construction of a two-story mixed-use building, incorporating a western-style frontage characteristic of architectural themes suggested in the *Clayton Town Center Specific Plan*. The first floor is comprised of approximately 7,200 square feet of retail commercial space with a 20-foot ceiling. The second floor includes seven (7) residential units. The residential units are one-bedroom and several of the units contain dens. A terrace is proposed on the creek (west) side of the second story. The proposed project includes the following entitlements:

- **ENV 01-08, Environmental Review.**
- **DP 01-08, Development Plan.**
- **MAP 02-09, Tentative Map.**

Commissioner Meriam recused himself from the meeting to address a conflict of interest, given his residence is within 500 feet of the proposed project site. He then announced that, since no other items were on the agenda, he would leave the meeting chambers and not be returning.

Director Woltering introduced the agenda item and indicated that the Planning Commission was being asked to make a recommendation to the City Council on the entitlements requested for approval to allow this project to move forward. He provided a summary of the history of the project and indicated that Project Architect Robert Staehle would follow with a more detailed description of the project followed by Environmental Consultant Nick Pappani who would provide an overview of the environmental document prepared for the project

Mr. Staehle described the project thoroughly, indicating that the facade of the building was designed with offsets, a varied color palette, and a variety of architectural elements to give the appearance of a series of individual attached buildings and small storefronts. He described points of access; landscape treatments; the proposed flood proofing, given the project is within a 100 year floodplain; parking considerations; the interaction of the property owner associations, given that there is both a residential component and a commercial component to the project; and, how trash would be handled.

Mr. Pappani summarized the environmental analysis and related findings. He stated that an Initial Environmental Study/Mitigated Negative Declaration had been prepared for the proposed project and that although a potential for significant environmental impacts had been identified in the analysis, changes to the project and mitigation measures agreed to by the project sponsor, mitigated all potential impacts identified to a less than significant level. He referenced the Creekside Terrace Project Initial Environmental Study/Mitigated Negative Declaration, dated May 2010, in support of his presentation.

Commission comments and questions included:

- Would the community room on the second floor be accessible to the commercial tenants on the ground floor? Mr. Staehle responded that the CC&Rs will address accessibility to the community room, but it is anticipated that the community room will only be accessible for the use of the second floor residences.
- Will the roof-mounted mechanical equipment be visible behind the parapet? Mr. Staehle indicated that the parapets would be tall enough to shield the roof-mounted equipment from view.
- Will the combining of individual retail spaces be allowed? Mr. Staehle indicated, yes, a retailer could combine retail spaces as long as the outside facade maintains the appearance of being several storefronts in a row.
- Is the interpretive area at the end of Center Street part of the project? Mr. Staehle indicated that the interpretive area at the end of Center Street will be a part of the project but will require an encroachment permit because it will be located in an unused portion of the Center Street right-of-way.
- The location of the stairway seems hidden and may pose safety issues in terms of crime. Mr. Staehle indicated that a security gate would be installed in order to increase the safety in that area.
- The Greenhouse Gas Emission analysis was a welcome addition to the project's environmental document.

- The Greenhouse Gas Emission analysis could be broken into two distinct analyses: the first during demolition and construction; the second after the building is occupied and in operation.
- When is the parking waiver in effect until? Director Woltering indicated that the parking waiver is in effect until June 30, 2010; however, an extension of the parking waiver period until June 30, 2013 is currently being proposed.
- When all three parcels are united, will there be a lot line adjustment? Director Woltering indicated, yes, the parcels will be merged as part of the Vesting Tentative Map.
- Who will maintain the sump pump? Director Woltering indicated that the property owner(s) would maintain the sump pump.
- Will pervious concrete be used for the garage driveway aprons? Mr. Staehle indicated that percolation in the area is not good because of the close proximity of Mitchell Creek and the resulting high water table. Consequently, pervious concrete will not be used.

The Commission requested clarification on the locations of the trash enclosures and mailboxes, to which Mr. Staehle provided the requested information.

The public hearing was opened.

Gloria Utley, 5950 High Street, indicated the following:

- I live directly west of the project site.
- When is construction of the project scheduled to begin? Director Woltering indicated a construction date is not known at this time because the project still has to be taken through the entitlement process and a developer has to be found to build the project if the entitlements are approved.
- Will there be a problem with commercial/retail customers parking on the driveway aprons of the garages? Mr. Staehle indicated the driveway aprons will be properly signed to alert those customers that parking on the driveway aprons is for the residences only and, additionally, there should be adequate on-street parking available in the surrounding area.
- How would deliveries to the commercial/retail tenants be handled? Mr. Staehle indicated that hours of delivery would be restricted so as not to interfere with Mt. Diablo Elementary School student pickup and delivery times. Restrictions would allow delivery vehicles to only park on Oak Street.

Bob Jorgenson, 6026 Mitchell Creek Place, indicated the following:

- Support the project.
- Would be nice to see this project replace the existing modular buildings on the project site.
- There is public benefit to the project being constructed which includes the restoration of Mitchell Creek and the establishment of an interpretive area at the west end of Center Street.
- Will the car lifts go below the ground level? Mr. Staehle indicated that the lifts will not be subterranean.
- Will there be any area for barbecuing to occur? Mr. Staehle indicated that there is an outdoor patio adjacent to the community room where gas barbecues would be allowed.

During the public hearing, the Commission acknowledged receiving, for the record, an e-mail regarding the project from Norma Caro and Kevin Beyrodt at 6008 High Street.

There being no further public comment, the public hearing was closed.

Commission comments and questions included:

- Who reviews the CC&Rs for the project? Director Woltering indicated that staff and the City Attorney review that document.
- There should be restrictions on what can take place on the two balconies facing Oak Street since they are highly visible and to ensure appropriate use.
- Commissioner Richardson concurred that the encroachment permit is the best mechanism for establishing the interpretive area.
- Will the CC&Rs cover ongoing landscaping and maintenance? Director Woltering indicated that, yes, the CC&Rs will cover landscaping and maintenance. Mr. Staehle added that there will be three aspects of the CC&Rs: CC&Rs that apply to the entire project, CC&Rs that apply only to the commercial/retail component of the project, and CC&Rs that apply to the residential component of the project.
- There should be a review of the different references within the Conditions of Approval regarding applicant, property owner, project sponsor, and successor of interest to assure these terms accurately represent the intent of the condition and that they are accurately and consistently applied.
- Condition 1 should be modified so that the City Engineer is not responsible for implementation.
- Conditions 3 and 12 should be amended to state "prior to construction commencement".
- Condition 5a should be amended to include pruning frequencies and pruning deadlines. Mr. Pappani indicated that the primary intent of Condition 5a is to take some weight off the existing trees and to establish ongoing maintenance of the trees.
- Condition 13 should specify a timeframe for implementation.
- Condition 17 should specify a timeframe for implementation.
- Condition 25 should be amended to cover owners/operators of the property.
- Condition 30 should be clarified as to whether the condition refers to the developer or property owner and should list the timing and deadlines required.
- The wording in Condition 49 should be clarified.
- If affordable housing is applicable to the project, please add a condition that addresses this requirement. Director Woltering indicated that, yes, one affordable housing unit will be required.
- Would like to see the southeast corner modified. It appears somewhat modular and lacking of visual interest, architectural presence, and curb appeal. Mr. Staehle indicated that belly banding, dental molding, and trellises were added to soften and embellish the southeast corner.
- Staff and Mr. Staehle should work together to provide some southeast corner design options for Commission review at the next meeting.
- There was support for modifying the criterion under the Parking Waiver provision in the Code that a building permit be obtained within two years of approval rather than within one year of approval.
- Important that the property owners/lessees receive full disclosure regarding their responsibilities.

Commissioner Richardson moved and Commissioner Catalano seconded the motion to:

1. Support recommending that the Clayton City Council adopt the Creekside Terrace Project Initial Environmental Study/Mitigated Negative Declaration (IES/MND), dated May 2010, and approve the Development Plan and Vesting Tentative Map, based on the Creekside Terrace Mixed Use Project Land Use Entitlement Submittal Package and based on the findings and subject to the Creekside Terrace Draft Conditions of Approval and Advisory Notes presented in the staff as amended by the Commission; and,
2. Continue the item to the next regularly scheduled meeting on June 8, 2010, to enable staff to prepare the necessary resolutions and ordinances to support the Commission's action.

The motion passed 4-0.

Commissioner Richardson moved and Chair Armstrong seconded the motion to approve the minutes from the meeting of May 25, 2010, as amended. The motion passed 4-0 (Commissioner Meriam abstained because he had recused himself at that meeting).

Public Hearings

3. **Creekside Terrace Mixed Use Project, City of Clayton**, 1005 Oak Street, 1007 Oak Street, and a third non-addressed parcel west of and upslope from Mitchell Creek (APNs 119-050-009, 119-050-034, and 119-050-008). The project site is located on the west side of Oak Street between High Street and Center Street. Continued from the meeting of May 25, 2010.

his residence is within 500 feet of the proposed project site. He then announced that, since no other items were on the agenda, he would leave the meeting chambers and not be returning.

Director Woltering presented the staff report.

Commission comments and questions included:

- Does Resolution No. 03-10—which partially pertains to extending the parking waiver for commercial projects located within the Town Center—apply to any project? Director Woltering indicated that the parking waiver applies to projects in the Town Center area that satisfy certain stated criteria.
- The two items covered by Resolution No. 03-10—the Town Center Parking Waiver and the Creekside Terrace Development Plan—should be separated out into two different resolutions. The way the resolution reads, it appears as if we are doing the parking waiver specifically for the Creekside Terrace project.
- General agreement that the parking waiver should be extended as an incentive for development in the Town Center Specific Plan area, generally, not just for the Creekside Terrace project.

Bob Staehle, project architect, explained the proposed architectural options for the southeast corner. The purpose for the options was to offer suggestions on enhancing the proposed architecture of the southeast corner of the building.

Commission comments and questions included:

- Vice Chair Johnson commended Mr. Staehle on the top-quality work provided in developing the options for the southeast corner.
- Vice Chair Johnson indicated that Option 3 is outstanding.
- Vice Chair Johnson and Commissioner Richardson indicated that they preferred Option 3.
- Commissioner Catalano and Chair Armstrong indicated that they preferred Option 1 or 1a.

Director Woltering indicated that staff supports Option 3 as it provides an appropriate counterbalance to the northeast elevation and adds architectural interest.

There was general agreement among the Commissioners the proposed southeast corner elevation should be further enhanced.

Commissioner Richardson moved and Vice Chair Johnson seconded a motion to approve Option 3 for the southeast corner of the Creekside Terrace building. The motion was tied 2-2 (No - Chair Armstrong and Commissioner Catalano).

The Commission continued its discussion, providing the following comments:

- Chair Armstrong indicated that he preferred Option 1a or 1b.
- Vice Chair Johnson and Commissioner Richardson indicated that they preferred Option 3 since it appeared to be more unique.
- Chair Armstrong asked if the canted bay window projection depicted in Option 3 was a common architectural theme in the Old West, which is the type of architecture suggested by the Town Center Specific Plan for buildings located within the Town Center. Mr. Staehle indicated that there are different types of Old West architecture. The bay window projection was extremely prominent in the more Victorian-oriented San Francisco-style architecture. The bay window projection was less prominent in the

Dodge City, Kansas or Tombstone, Arizona-style Old West; however, it was a still a somewhat common feature throughout the entire West, with Victorian architectural components being a cornerstone of Western design themes.

- Consensus by the Commission that Option 1 was not preferred because it appeared “too busy” with trellis features, awnings, cantilevered projection, and hipped roof.
- Consensus by the Commission that Option 1b was not preferred because the protrusion was extended to the ground which offset the fluidity of the High Street elevation, in terms of garage door placement.
- Consensus by the Commission that Option 2 was not preferred because it did not provide enough visual interest.
- Consensus by the Commission that Option 3a was not preferred because the protrusion was extended to the ground which, because of the octagonal shape of the protrusion, created an awkward entrance to the easternmost garage door on the High Street elevation.

Chair Armstrong moved and Commissioner Catalano seconded a motion to approve Option 1a for the southeast corner of the Creekside Terrace building. The motion was tied 2-2 (No – Vice Chair Johnson and Commissioner Richardson).

Assistant Planner Sikela indicated that staff recommends Option 3 based on the following:

- Since the octagonal bay window projection in Option 3 protrudes over two feet out from the face of the building, it provides more depth, shadowing, articulation, and visual interest than the other options. These are all architectural components suggested in the Town Center Specific Plan for buildings within the Town Center.
- The projections in Option 1, 1a, and 1b do not provide the visual counterbalancing that the Option 3 projection does—they merely mimic the squared-off theme already prominent on the Oak Street elevation of the building. The projection in Option 3 provides a break from the symmetry along the Oak Street elevation while adding a dynamic architectural anchor that counterbalances the A-frame feature on the northeast corner of the building.

The Commission continued its discussion, providing the following comments:

- Chair Armstrong asked that, since the projection in Option 3 protruded further out from the face of the building than the projection in Option 1a, would the Option 3 projection encroach into the tree canopy of the tree planted in the planter box located on the sidewalk adjacent to the southeast corner of the building? Mr. Staehle responded that the projection would not encroach into the tree canopy.
- Vice Chair Johnson and Commissioner Richardson indicated that Option 3 provides greater curb appeal and presence than the other options.
- Commissioner Catalano concurred that Option 3 provides a unique element for the project.

There was consensus by the Planning Commission to support Option 3 for the southeast corner of the Creekside Terrace building.

Commission comments and questions included:

- For Condition 3, please add the word “commencement” after the word “construction”.
- For Condition 12, please add the word “commencement” after the word “construction”.
- For Condition 30, please add “prior to certificate of occupancy”.

Commissioner Richardson moved and Vice Chair Johnson seconded a motion to approve Resolution No. 01-10. The motion passed 4-0.

Commissioner Richardson moved and Commissioner Catalano seconded a motion to approve Resolution No. 03-10, as amended, to create a new resolution pertaining to the Creekside Terrace Development Plan and a separate resolution pertaining to extension of the Town Center parking waiver. The separate resolution recommending City Council approval of the parking waiver extension should clarify the Commission supports the extension as an incentive for specified land uses in the Town Center Specific Plan within that area generally and not just for the Creekside Terrace development proposal. The motion passed 4-0.

Commissioner Richardson moved and Vice Chair Johnson seconded a motion to approve Resolution No. 02-10. The motion passed 4-0.

Communications

6A. Staff.

Director Woltering indicated that a cypress tree in The Grove is dying and so staff is looking for direction from the Planning Commission whether to administratively approve tree removal, administratively approve tree removal with notice, or to bring the matter before the Planning Commission. An arborist report has been prepared which recommends removal of the tree.

Consensus by the Planning Commission was to bring the Tree Removal Permit to the next regularly-scheduled meeting of the Planning Commission on June 22, 2010.

6B. Commission.

Chair Armstrong indicated that, since the next regularly-scheduled meeting of the Planning Commission is the last meeting he will be Chair of the Commission, he requested that everyone wear Hawaiian shirts to the meeting.

Adjournment

RESOLUTION NO. _____

**A RESOLUTION ADOPTING THE CREEKSIDE TERRACE PROJECT INITIAL
ENVIRONMENTAL STUDY/MITIGATED NEGATIVE DECLARATION (IES/MND),
MAY 2010 (ENV 01-08)**

**THE CITY COUNCIL
City of Clayton, California**

WHEREAS, the Planning Commission held duly-noticed public hearings on May 25, 2010 and June 8, 2010 to consider entitlements, including an IES/MND, a Development Plan with associated parking waiver zoning ordinance amendment(s), and a Vesting Tentative Map, for the Creekside Terrace Mixed Use Project; and

WHEREAS, the Creekside Terrace Mixed Use Project involves the proposed construction of a two-story building, with seven residential units above approximately 7,200 square feet of commercial space on the west side of Oak Street between Center and High Streets in Clayton's Town Center area; and

WHEREAS, the draft Creekside Terrace Project IES/MND was prepared and circulated for a 30-day public review period from March 2, 2009 to April 2, 2009, and a public hearing was held before the Planning Commission on March 10, 2009 during this review period; and

WHEREAS, a total of six (6) public comment letters were received during the review period and, subsequently, responded to in the IES/MND; and

WHEREAS, there have been changes to the project as noted in Appendix F as well as mitigation measures agreed to by the project sponsor in the IES/MND; and

WHEREAS, while the proposed project could have a significant effect on the environment, there will not be a significant effect in this case because the project sponsor has made and agreed to revisions to the project and has agreed to mitigation measures listed in the IES/MND; and

WHEREAS, the Planning Commission considered all relevant information, including the IES/MND, staff reports, background information, the March 8, 2010 Creekside Terrace Mixed Use Project Land Use Entitlement Submittal Package including the updated, April 29, 2010, Vesting Tentative Map Sheets TM 1 through TM 5, and public testimony at the above-cited hearings; and

WHEREAS, the Planning Commission approved its Resolution No. 01-10 on June 8, 2010, recommending City Council adoption of the Creekside Terrace Project Initial Environmental Study/Mitigated Negative Declaration, May 2010, for the Creekside Terrace Mixed Use Project; and

Resolution No. _____

WHEREAS, on _____, 2010, and _____, 2010, the City Council held duly-noticed public hearings and gave due consideration to the Planning Commission's recommendation on this IES/MND, all testimony, comments, and documents received pertaining entitlements, including the IES/MND, a Development Plan with associated parking waiver zoning ordinance amendment(s) to Sections 17.37.030.C and 17.37.030.C.3 of the City's Municipal Code, and a Vesting Tentative Map for the Creekside Terrace Mixed Use Project; and

WHEREAS, the City Council determines that the IES/MND identifies measures, including design revisions made and agreed to by the applicant, that are available to mitigate potential adverse impacts to insignificant levels, and, accordingly, the project IES/MND serves as a Mitigated Negative Declaration pursuant to Public Resources Code Sections 21064.5 and 21080(c), and Article 6 of the California Environmental Quality Act (CEQA) Guidelines; and

WHEREAS, the City Council determines this Mitigated Negative Declaration describes the proposed project; analyzes and evaluates the potential significant impacts which may result from the proposed project; and identifies measures to mitigate adverse environmental impacts in accordance with the requirements of CEQA Guidelines Section 15071; and

WHEREAS, the City Council determines the proposed project, assuming implementation of the mitigation measures in the project IES/MND and the recommended conditions of approval will not result in a significant adverse environmental impact and will conform with the City's General Plan, Town Center Specific Plan, Zoning Ordinance, and would be in the public interest as well as support the public necessity, convenience, and general welfare.

NOW, THEREFORE, BE IT RESOLVED THAT:

SECTION 1. The City Council does hereby find and affirm the above-noted recitals are true and correct.

NOW, THEREFORE, BE IT FURTHER RESOLVED THAT:

SECTION 1. The City Council does hereby adopt the Creekside Terrace Project Initial Environmental Study/Mitigated Negative Declaration, May 2010, for the Creekside Terrace Mixed Use Project.

**A RESOLUTION APPROVING THE DEVELOPMENT PLAN FOR THE CREEKSIDE
TERRACE MIXED USE PROJECT
(DP 01-08)**

**THE CITY COUNCIL
City of Clayton, California**

WHEREAS, the Creekside Terrace Mixed Use Project involves the proposed construction of a two-story building, with seven residential units above approximately 7,200 square feet of commercial space on the west side of Oak Street between Center and High Streets in Clayton's Town Center area in conformance with the encouraged land uses and overall vision for the area as expressed in the Town Center Specific Plan; and

WHEREAS, the Creekside Terrace (formerly Rivulet) Project Development Plan application was submitted on January 24, 2008; and

WHEREAS, the Development Plan application is identified as the Creekside Terrace Mixed Use Project Land Use Entitlement Submittal Package, dated March 8, 2010 (Planning Commission Submittal), comprised of the following: Title Sheet, Vesting Tentative Map Sheets TM1 – TM5 (Revised April 29, 2010), Preliminary Landscape Plan, Architectural Site Plan, First Floor Plan, Second Floor Plan, Roof Plan, TM – Layout and Cut Sheets, Elevations, Sections, Wall Sections and Details, View from Flora Square, View from High Street, Flood Data, Building Signage Plan (April 23, 2010), and Color Material Board; and

WHEREAS, a Development Plan approval is one of the entitlements being requested as part of this application; additionally, the application involves the request for the adoption of an Initial Environmental Study/Mitigated Negative Declaration (IES/MND), approval of a Vesting Tentative Map, and the approval of an extension of a parking waiver provision for the Town Center area; and

WHEREAS, the Development Plan submittal has been prepared and reviewed in accordance with the provisions of Chapter 17.28 Planned Development (PD) Districts of the Clayton Municipal Code; and

WHEREAS, the Planning Commission held duly-noticed public hearings on May 25, 2010, and June 8, 2010 to consider the Development Plan and related entitlements for the Creekside Mixed Use Project; and

WHEREAS, the draft Creekside Terrace Project IES/MND was prepared and circulated for a 30-day public review period from March 2, 2009 to April 2, 2009, and a public hearing was held before the Planning Commission on March 10, 2009 during this review period; and

WHEREAS, the Planning Commission considered all relevant information, including the IES/MND, staff reports, background information, the March 8, 2010 Creekside Terrace Mixed Use Project Land Use Entitlement Submittal Package including the updated, April 29, 2010, Vesting Tentative Map Sheets TM1 through TM 5, and the Building Signage Plan dated April 23, 2010, as well as public testimony at the above-cited hearings; and

WHEREAS, the environmental analysis determined that measures were available to mitigate potential adverse impacts to insignificant levels. As a result, the project IES/MND serves as a Mitigated Negative Declaration pursuant to Public Resources Code Sections 21064.5 and 21080(c), and Article 6 of the California Environmental Quality Act (CEQA) Guidelines; and

WHEREAS, the Planning Commission determined the proposed Development Plan, assuming implementation of the mitigation measures in the project IES/MND and the recommended conditions of approval will not result in a significant adverse environmental impact and will conform with the City's General, Town Center Specific Plan, Zoning Ordinance, applicable provisions of Chapter 17.28, and would be in the public interest as well as support the public necessity, convenience, and general welfare; and

WHEREAS, the Planning Commission approved its Resolutions No. 01-10 and No. 03-10 on June 8, 2010, recommending, respectively, City Council adoption of the Creekside Terrace Project Initial Environmental Study/Mitigated Negative Declaration, May 2010, for the Creekside Terrace Mixed Use Project and approval of the Development Plan for the proposed project; and

WHEREAS, on _____, 2010, and _____, 2010, the City Council held duly-noticed public hearings and gave due consideration to the Planning Commission's recommendation on this project, all testimony, comments, and documents received pertaining to the related entitlements including the IES/MND, the Development Plan with associated parking waiver zoning ordinance amendment(s) to Sections 17.37.030.C and 17.37.030.C.3 of the City's Municipal Code, and a Vesting Tentative Map for the Creekside Terrace Mixed Use Project; and

WHEREAS, the City Council determines that the IES/MND identifies measures, including design revisions made and agreed to by the applicant, that are available to mitigate potential adverse impacts to insignificant levels, and, accordingly, the project IES/MND serves as a Mitigated Negative Declaration pursuant to Public Resources Code Sections 21064.5 and 21080(c), and Article 6 of the California Environmental Quality Act (CEQA) Guidelines; and

WHEREAS, the City Council determines this Mitigated Negative Declaration describes the proposed project; analyzes, and evaluates the potential significant impacts, which may result from the proposed project; and, identifies measures to mitigate adverse environmental impacts in accordance with the requirements of CEQA Guidelines Section 15071; and

WHEREAS, the City Council determines the proposed Development Plan, assuming implementation of the mitigation measures in the project IES/MND and the recommended conditions of approval will not result in a significant adverse environmental impact and will conform with the City's General, Town Center Specific Plan, Zoning Ordinance, including applicable provisions of Chapter 17.28, and would be in the public interest as well as support the public necessity, convenience, and general welfare.

ORDINANCE NO. 428

AN ORDINANCE

**AMENDING SECTION 17.37.030.C (WAIVER PERIOD) OF THE CLAYTON MUNICIPAL CODE FOR THE PURPOSE OF EXTENDING FROM JUNE 30, 2010 THROUGH JUNE 30, 2013 THE PARKING WAIVER PROVISION IN THE TOWN CENTER AREA AND AMENDING SECTION 17.37.030.C.3 FROM REQUIRING A BUILDING PERMIT WITHIN ONE (1) YEAR OF PROJECT APPROVAL TO WITHIN TWO (2) YEARS OF PROJECT APPROVAL
(ZOA 01-10)**

**THE CITY COUNCIL
City of Clayton, California**

THE CITY COUNCIL OF THE CITY OF CLAYTON FINDS AS FOLLOWS:

WHEREAS, Ordinance No. 408 was adopted by the Clayton City Council on June 26, 2007, which provided a waiver period to allow specified reductions for on-site parking for development projects satisfying certain stated criteria as an incentive for development and redevelopment to occur in Clayton's Town Center area; and

WHEREAS, the waiver period contained within Ordinance No. 408 and reflected in 17.37.030.C of the Clayton Municipal Code expires on June 10, 2010; and

WHEREAS, the Planning Commission held duly-noticed public hearings on May 25, 2010, and June 8, 2010 to consider various entitlements associated with the Creekside Mixed Use Project, including amendments to the Parking Waiver provision in the Clayton Municipal Code to extend the Parking Waiver allowance reflected in Section 17.37.030.C from June 30, 2010 to June 30, 2013 and change the requirement for the Parking Waiver from obtaining a building permit within one year of project approval as stated in Section 17.37.030.C.3 to within two years of project approval; and

WHEREAS, because only limited development has occurred in the Town Center area since the adoption of Ordinance No. 408, continuing to provide incentives to encourage general development and redevelopment in the Town Center area to projects which conform with the Clayton Town Center Specific Plan remains desirable; and

WHEREAS, the Planning Commission determined that a one year period for obtaining a building permit after project approval to obtain a parking waiver is restrictive when many projects involve related subdivision map approvals wherein an initial two year period is given for recording a Final Map; and, accordingly, the Planning Commission determined it appropriate to recommend amending Section 17.37.030.C.3 of the Clayton Municipal Code to require a building permit be issued within two years rather than one year after project approval as one of the stated criteria for using the Parking Waiver provision; and

WHEREAS, the Planning Commission, based on the information it received and considered has determined the proposed amendments to Sections 17.37.030.C and 17.37.030.C.3 of the Municipal Code would be in conformance with the General Plan; the public necessity, convenience, and general welfare would require adoption of the amendments; the adoption of the amendments would not result in a significant adverse environmental impact as the general environmental setting and anticipated impacts have not changed nor is there new information that would alter the findings of the adoption of the Town Center and Vicinity Planning Amendments IES/ND (ENV 01-06) prepared in accordance with Section 15070 et seq. of the California Environmental Quality Act (CEQA) Guidelines; and has found there was no evidence that the amendment will have the potential for any individual or cumulative adverse effects on fish and wildlife resources or their habitat, as defined in Section 711.2 of the Fish and Game Code.

WHEREAS, on _____, 2010, and _____, 2010, the City Council held duly-noticed public hearings and gave due consideration to all testimony, comments, and documents received pertaining to the amendment to Sections 17.37.030.C and 17.37.030.C.3 of the Municipal Code; and

WHEREAS, at the duly noticed public hearings on _____, 2010, and on _____, 2010, the City Council received the recommendation of the Planning Commission, the related staff report and other documents and public testimony concerning the amendments and determined that the amendments would be in conformance with the General Plan; determined that the public necessity, convenience, and general welfare would require adoption of the amendment; the adoption of the amendments would not result in a significant adverse environmental impact as the general environmental setting and anticipated impacts have not changed nor is there new information that would alter the findings of the adoption of the Town Center and Vicinity Planning Amendments IES/ND (ENV 01-06) prepared in accordance with Section 15070 et seq. of the California Environmental Quality Act (CEQA) Guidelines; and has found there was no evidence that the amendment will have the potential for any individual or cumulative adverse effects on fish and wildlife resources or their habitat, as defined in Section 711.2 of the Fish and Game Code.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF CLAYTON DOES ORDAIN AS FOLLOWS:

SECTION 1. Sections 17.37.030.C and 17.37.030.C.3 of the Municipal Code are amended to read as follows:

17.37.030.C. “C. Waiver Period. In order to encourage development of retail, restaurant, office, and personal service uses in the Town Center before June 30, ~~2010~~ 2013, a waiver period extending through June 30, ~~2010~~ 2013 is established during which the number of off-street parking and loading spaces required for projects meeting all of the criteria listed in subsections 1-4 below is reduced in accordance with Schedule 17.37.030[D].”

17.37.030.C.3. “3. A building permit (if required) for the project has been issued within ~~one~~ (1) ~~two~~ (2) years of project approval. Construction and a final building permit inspection are completed within one (1) year of the issuance of the building permit. These time periods may be extended once up to six (6) months by the Planning Commission upon a showing of good cause.”

SECTION 2. Severability. If any section, subsection, sentence, clause, or phrase of this Ordinance, or the application thereof to any person or circumstances, is held to be unconstitutional or to be otherwise invalid by any court competent jurisdiction, such invalidity shall not affect other provisions or clauses of this Ordinance or application thereof which can be implemented without the invalid provisions, clause, or application, and to this end such provisions and clauses of the Ordinance are declared to be severable.

SECTION 3. Conflicting Ordinances Repealed. Any ordinance or part thereof, or regulations in conflict with the provisions of this Ordinance, are hereby repealed. The provisions of this Ordinance shall control with regard to any provision of the Clayton Municipal Code that may be inconsistent with the provisions of this Ordinance.

SECTION 4. Effective Date and Publication. This Ordinance shall become effective thirty (30) days from and after its passage. Within fifteen (15) days after the passage of the Ordinance, the City Clerk shall cause it to be posted in three (3) public places heretofore designated by resolution by the City Council for the posting of ordinances and public notices. Further, the City Clerk is directed to cause Section 1 of this Ordinance to be entered into the City of Clayton Municipal Code.

The foregoing Ordinance was introduced at a regular meeting of the City Council of the City of Clayton held on _____, 2010.

**CREEKSIDE TERRACE
CONDITIONS OF APPROVAL
AND ADVISORY NOTES
(ENV 01-08, DP 01-08, and MAP 02-09)**

These conditions of approval and mitigation measures apply to the following:

- Creekside Terrace Mixed Use Project Land Use Entitlement Submittal Package, dated March 8, 2010 (Planning Commission Submittal), comprised of the following: Title Sheet, Vesting Tentative Map Sheets TM1 – TM5 (Revised April 29, 2010), Preliminary Landscape Plan, Architectural Site Plan, First Floor Plan, Second Floor Plan, Roof Plan, TM – Layout and Cut Sheets, Elevations, Sections, Wall Sections and Details, View from Flora Square, View from High Street, Flood Data, Building Signage Plan (April 23, 2010), and Color Material Board.
- Creekside Terrace Project Initial Environmental Study/Mitigated Negative Declaration (IES/MND), May 2010.

CEQA MITIGATION MEASURES (Creekside Terrace Project IES/MND, May 2010)

1. The following measures shall be adhered to during all construction phases of the Project:
 - Earthmoving or other dust-producing activities shall be suspended during periods of high winds, (i.e., instantaneous wind gusts of 25 mph or greater);
 - All exposed or disturbed soil surfaces shall be watered at least twice daily on any day of high winds or when construction activities occur, including weekends and holidays;
 - Stockpiles of debris, soil, sand or other materials that can be blown by the wind, shall be watered with a soil stabilizer or covered;
 - Construction areas, adjacent streets, and routes for construction traffic shall be swept of all mud and debris by a water sweeper on a daily basis (minimum) on any day when construction activities occur, including weekends and holidays;
 - All trucks hauling soil, sand, or other loose materials shall be covered or maintain at least two feet of freeboard;

A compliance officer (City Engineer unless otherwise identified as part of the grading permit process) shall be responsible for assuring implementation and monitoring of the above requirements. (Air Quality).

2. Pre-construction nesting surveys for raptors and migratory birds protected under the federal Migratory Bird Treaty Act shall be conducted if initial grading and building demolition is to be conducted during the months of March through August. A qualified biologist shall conduct the surveys no more than fourteen (14) days prior to initiation of grading, building demolition, or tree removal. If any of these species are found within the construction area after April of the construction year, grading and construction in the area shall either stop or continue only after the nests are protected by an adequate setback approved by a qualified biologist. If permanent avoidance of nests is not feasible,

impacts on raptor and migratory bird nests shall be minimized by avoiding disturbances to the nest location during the nesting season unless a qualified biologist verifies that the birds have either a) not begun egg-laying and incubation, or b) that the juveniles from those nests are foraging independently and capable of independent survival at an earlier date. No preconstruction surveys are required if grading, building demolition, or tree removal occurs outside the nesting season (September through February). (Biological Resources).

3. A preconstruction survey shall be conducted by a qualified biologist within seven (7) days prior to commencement of construction to confirm absence of any fish, amphibian, or reptile species of concern along the project reach of Mitchell Creek. In the remote instance that listed California red-legged frog or steelhead individuals are encountered, the U.S. Fish and Wildlife Service (USFWS) and National Marine Fisheries Service (NOAA Fisheries) shall be consulted to determine appropriate avoidance measures prior to initiation of any construction activities. Any western pond turtle encountered shall be relocated to secure pool habitat selected by the qualified biologist. (Biological Resources).
4. A qualified biologist shall be retained to oversee construction and ensure that no inadvertent take of California red-legged frog, steelhead, or western pond turtle occurs as a result of short-term disturbance near Mitchell Creek. This shall include the following provisions:
 - a) Prior to any grading or grubbing of the site, the qualified biologist shall conduct a preconstruction survey to confirm absence of any California red-legged frog, steelhead, or western pond turtle on the site, as called for in Mitigation Measure 3. A report summarizing the survey results shall be submitted to the Community Development Director.
 - b) Silt fencing shall be installed at the west edge of the construction zone and to the east and west of the top of bank, buried a minimum of six inches and extending a minimum of two feet above grade, to serve as a barrier to keep ground mobile wildlife dispersing along the creek corridor from entering the construction zone. The fencing shall remain in place during the entire construction period.
 - c) Construction workers shall be trained by the qualified biologist regarding the potential presence of California red-legged frog and western pond turtle, that these species are to be avoided, that the foreman must be notified if they are seen, and that construction shall be halted until appropriate measures have been taken. For California red-legged frog, work shall be halted until authorization to proceed is obtained from the USFWS. Harassment of California red-legged frog is a violation of federal law.
 - d) During the construction phase of the project, a qualified biologist or an on-site monitor (such as the construction foreman trained by the qualified biologist) shall check the site in the morning and in the evening of construction activities for the presence of California red-legged frog and western pond turtle. This includes checking holes, under vehicles and under boards left on the ground. If any California red-legged frog are found, construction shall be halted, and the monitor shall immediately notify the qualified biologist in charge and the USFWS. Construction shall not proceed until adequate measures are taken to prevent dispersal of any individuals into the construction zone, as directed by the USFWS. Subsequent recommendations made by the USFWS shall be followed. No one shall handle or otherwise harass any individual California red-legged frogs encountered during construction, with the exception of a Service-approved

biologist. The qualified biologist in charge shall train the on-site monitor in how to identify California red-legged frog. (Biological Resources).

- 5A. The Tree Preservation Guidelines called for in the Tree Report (HortScience, 2008) shall be followed to preserve native oaks and other noteworthy trees on the site. Of particular concern is the large valley oak (Tree #272), which must be heavily pruned to prevent toppling and reduce the risk to humans and property. This tree shall be retained, and recommended pruning shall be performed under the supervision of a certified arborist. The pruning shall occur prior to demolition of the existing structures on the property. (Biological Resources).
- 5B. The project shall conform with the City of Clayton Tree Protection Ordinance (Chapter 15.70 of the Zoning Code), through adherence to the Tree Preservation Guidelines called for in the Tree Report and provisions for replacement plantings, which will be incorporated into the Final Landscape Plan. (Biological Resources).
6. Prior to commencement of construction-related activities for the project including, but not limited to, grading, staging of materials, or earthmoving activities, an archaeological monitor shall be retained by the applicant and approved by the City to train the construction grading crew prior to commencement of earth-grading activity in regard to the types of artifacts, rock, bone, or shell that they are likely to find, and when work shall be stopped for further evaluation. One trained crew member shall be on-site during all earth moving activities, with the assigned responsibility of "monitor." Should archeological, historical, or Native American artifacts or remains be discovered during construction of the Project, work in the vicinity of the find shall stop immediately until the resource(s) are evaluated and the appropriate means of curation is determined. Project personnel shall not collect or alter cultural resources. Identified cultural resources shall be recorded on forms DPR 422 (archeological sites) and/or DPR 523 (historic resources). (Cultural Resources).
7. Prior to the approval of building foundation plans, the plans shall indicate the anchoring of project structures to the bedrock or the construction of a subterranean retaining wall, for review and approval by the project soils engineer and the County Building Department. (Geology and Soils).
8. Prior to issuance of a grading permit, the Developer shall submit, for the review and approval by the City Engineer, an erosion control plan that utilizes standard construction practices to limit the erosion effects during construction of the proposed project. Actions should include, but are not limited to:
- Hydro-seeding;
 - Placement of erosion control measures within drainageways and ahead of drop inlets;
 - The temporary lining (during construction activities) of drop inlets with "filter fabric";
 - The placement of straw wattles along slope contours;
 - Use of a designated equipment and vehicle "wash-out" location;
 - Use of siltation fences;
 - Use of on-site rock/gravel road at construction access points; and
 - Use of sediment basins and dust palliatives. (Geology and Soils).

9. Prior to issuance of a demolition permit by the City for any on-site structures, the Developer shall provide a site assessment, which determines whether any structures to be demolished contain asbestos. If any structures contain these materials or any other hazardous materials, the Developer shall submit an abatement plan consistent with local, state, and federal standards, subject to approval of the Contra Costa County Building Inspection Department. In addition, the site assessment shall include a site inspection and records review to determine the historic uses of the property, and whether any hazardous substances release(s) have occurred. If the assessment detects the presence of contaminated soils, a remediation plan consistent with local, state, and federal standards, shall be submitted for approval by the Contra Costa County Environmental Health Department. The abatement and remediation plan(s) shall identify the necessary measures that the applicant must comply with to fully remove any existing on-site hazards to the satisfaction of the Contra Costa County Environmental Health Department. (Hazards and Hazardous Materials).
10. Prior to the issuance of building permits, the developer shall prepare a Storm Water Control Plan that includes both construction stage and permanent storm water pollution prevention practices to be submitted to the City Engineer for review. (Hydrology).
11. All project contractors shall conform to the requirements of the "Best Management Practices for Construction Sites" required by the City, including detention and/or filter materials to preclude an increase in water quantity and quality impacts from debris and sediments entering the stormwater system over "pre-development" conditions. The BMPs shall be included in the construction contracts for the review and approval by the City Engineer. (Hydrology).
12. Prior to commencement of construction, the developer shall provide proof of State general permit coverage related to construction for stormwater.
13. Prior to final map recordation, the property owner shall commit the future property owners to fully fund the construction and perpetual maintenance of the storm drain system, including monitoring of the storm drain facilities. The funding mechanism shall be acceptable to the City and shall address costs for capital replacement, inflation, and administration. This shall include the preparation of an Operation and Maintenance Plan (OMP) consistent with the model proposed by the Contra Costa Clean Water Program. Any related review or administrative fees resulting from the OMP shall be the responsibility of the property owner. The OMP will "run with the land" and be enforceable on subsequent property owners of all residential and commercial lots. Maintenance activities may include but not be limited to:
 - Inspect planters for channels, exposure of soils, or other evidence of erosion. Clear any obstructions and remove any accumulation of sediment. Soils and plantings must be maintained.
 - Inspect planters regularly and after storms.
 - Observe soil at the bottom of the planters or filter for uniform percolation throughout. If portions of the planter or filter do not drain within 48 hours after the end of a storm, the soil should be tilled and replanted. Remove any debris or accumulations of sediment.
 - Examine the vegetation to insure that it is healthy and dense enough to provide filtering and to protect soils from erosion. Replenish mulch as necessary, remove fallen leaves and debris, prune large shrubs or trees and mow turf areas. Confirm

that irrigation is adequate and not excessive. Replace dead plants and remove invasive vegetation.

- Abate any potential vectors by filling holes in the ground in and around the planters and by insuring that there are no areas where water stands longer than 48 hours following the storm. If mosquito larvae are present and persistent, contact the Contra Costa County Vector Control District for information and advice. Only a licensed individual or contractor should apply mosquito larvicides only when absolutely necessary.
 - All hardscape, walks, patios, driveways, parking areas, creeks, drainage inlets, gutters, etc. and trash and recycling areas to be routinely inspected, cleared of debris, and thoroughly cleaned every three months, or as required in the City's NPDES permit.
 - All inlets to be inspected for debris twice a year, with one of those inspections held on October 1st.
 - Planters should be checked for plant and landscape health. They should also be checked for removable amounts of silt. The landscape and planter soils should also be checked for aeration. (Hydrology).
14. All lots shall include deed restrictions, which provide City and other public agency personnel with the right of access to inspect all on-site stormwater control devices. The language in the deed shall be reviewed and approved by the City Engineer and City Attorney. (Hydrology).
15. The developer shall provide for flood proofing of those portions of the building below one-foot above the 100-year flood surface elevation. The method of flood proofing shall include operating procedures and be subject to the approval by the City's Floodplain Administrator. (Hydrology).
16. The developer shall pay a fair share contribution to the City of Clayton for impacts to police staffing directly related to impacts of the Creekside Terrace Project for a five-year period. The calculation and payment shall be made at the time of issuance of building permit for each of the Project's units (including residential and commercial units) and shall be approved in advance by the Clayton Police Chief and City Manager. (Public Services).
17. Prior to final map recordation, the property owner shall agree to the recordation of a conservation easement on the third parcel located west of Mitchell Creek, and shall assume full responsibility for the ongoing maintenance and upkeep of the parcel as well as the terminus of Center Street. The conservation easement shall preclude future development of said parcel while still allowing limited improvements, such as the proposed infiltration planter associated with the Creekside Terrace project. (Public Services).
18. The developer shall be responsible for all fees and environmental review costs, including those charged by the California Department of Fish and Game.

Site Plan Conditions

19. Prior to recordation of the Vesting Tentative Map, Section 17.37.030.C. Waiver Period pertaining to Parking and Loading Requirements and related sections of the City's Municipal Code shall be extended through June 30, 2013 and Section 17.37.030.C.3 shall

be amended from requiring a building permit within one year of project approval to within two years of project approval for a Parking Waiver. In accordance with Section 17.37.070 of the Code, prior to issuance of a certificate of occupancy, the developer shall pay in-lieu parking fees for seven (7) parking spaces given that 21 parking spaces are provided, whereas 28 parking spaces are required for this project. Four (4) on-site spaces shall be provided for bicycle parking in accordance with Section 17.37.040 of the Code, prior to issuance of a certificated of occupancy.

20. Outdoor vending machines (except newspaper vending machines) are prohibited.
21. The electrical transformer for the project shall be installed in an underground vault.
22. The refuse and recycling container storage to be enclosed and connected to the sanitary sewer.
23. Refuse/recycling area shall be sized large enough to comply with State recycling requirements. Details of the refuse/recycling area shall be shown on site plan prior to recordation of map.
24. The property owner shall be responsible for placing the refuse and recycling containers in a location accessible to the refuse/recycling service provider on pick-up days. Once the service provider empties the refuse and recycling containers, the property owner shall promptly return the refuse and recycling containers to the designated enclosure. Additionally, waste containers shall be provided for the daily use of customers of the commercial component of the project.
25. All tenant leases and rental agreements shall stipulate that delivery truck unloading/loading activity, including, but not limited to, that unloading/loading activity of the owners and operators within the project from the travel lanes on High Street and Oak Street are prohibited during the time periods listed below. Delivery truck unloading/loading activities during the time periods listed below may take place from marked parking spaces. The restricted time periods are the thirty minutes prior to and following the normal start and end of classes on days when Mt. Diablo Elementary School is in session. This stipulation does not apply to common carriers such as United Parcel Service, Federal Express, etc.

Architectural Conditions

26. The architectural elevations shall be revised to show the following modifications:
 - a. The interior sides of all parapets shall be faced with cement plaster which is identical to the material and color used on the cement plaster areas of the exterior (i.e., outward-facing) elevations of the building.
 - b. The Oak Street elevation of the first-story garage shall incorporate enhanced architectural features (e.g., recessed, obscure, or high windows; or trellis with landscaping).
 - c. The garage doors shall utilize a carriage-appearing sectional roll-up design.
 - d. All windows shall be recessed a minimum of three inches.

- e. All rooftop equipment shall be screened from roads, the trail system, adjacent properties, and pedestrian areas to the maximum extent possible. The rooftop equipment shall be painted to match the color of the interior parapet.
- f. All minor and secondary rooftop equipment shall be clustered together and screened from roads, the trail system, adjacent properties, and pedestrian areas to the maximum extent possible.
- g. Any future re-painting of the project's Oak Street and High Street frontages shall provide for color distinction for the individual storefronts.
- h. All utility meters shall be properly screened.
- i. The southeast corner of the building shall incorporate the second-story octagonal bay window projection, as shown in Option 3, submitted at the June 8, 2010 Planning Commission meeting.

Landscaping Conditions

- 27. The landscape plans shall have overall dimensions of 24" x 36"; shall be approved by the Community Development Director and Maintenance Department; shall satisfy and/or include the following:
 - a. Conform to the requirements of the State Department of Water resources "Model Water Efficient Landscape Ordinance", dated September 10, 2009, or locally adopted replacement ordinance in effect at the time of application for a building permit.
 - b. Trees in the public right-of-way shall comply with the City street tree list or as otherwise approved by City Maintenance.
 - c. All landscaped areas shall be planted at the following planting densities: five-gallon shrubs shall be at an average density of 1 shrub/5 feet; and one-gallon groundcover plantings shall be at an average density of 1 shrub/3 feet.
 - d. All trees shall be 24-inch box containers.
 - e. All trees shall be planted at least ten feet away from any public water, sewer, or storm drain lines. All trees shall be installed with support staking. All nursery stakes must be removed from trees. All trees planted within eight feet of a sidewalk or driveway shall be installed with root guards.
 - f. All anti-siphon water valves and ground-mounted utility equipment shall be screened with landscaping.
 - g. All on-site walkway hardscape areas shall be paved with a colored and wood-stamped paving surface which matches the color and texture of the sidewalks in the Town Center.
 - h. A layer of mulch two to four inches shall be applied and maintained in all landscape areas until groundcover plantings are fully established so as to cover exposed soils.
 - i. Show all existing and proposed public utilities within the project limits, including adjacent public right-of-way affected by the project.
- 28. Three sets of the Landscape and Irrigation Plans shall be submitted with the building plans for review and approval by the Community Development Department, Engineering Department, and the Maintenance Department. These plans shall be approved prior to issuance of building, grading, or encroachment permits.

29. Landscaping shall be installed in conformance with approved plans prior to approval for occupancy.
30. Prior to occupancy, successor-in-interest property owners/lessees shall enter into an agreement with the City which ensures they permanently maintain the on-site landscaping as well as the trees installed in the public right-of-way on Oak Street and High Street.

Engineering Conditions

Subdivision Number

31. While this is a one lot subdivision, its ultimate disposition will create at least eight separate ownerships, therefore it would qualify as a major subdivision and require the filing of a Final Map as opposed to a Parcel Map. Prior to the preparation and submittal of the Final Map, the developer shall obtain a subdivision number from the County.

Subdivision Boundary

32. The proposed boundary shown on the tentative map includes a portion of the Center Street right of way west of Oak Street. In lieu of abandoning the right of way, the City intends to close that portion of Center Street to traffic and issue a special encroachment permit for use by the Project. The developer shall modify the boundary on the Final Map to exclude any existing public street right-of-way.

Use of Public Street Right of Way

33. Prior to approval of the final map and/or any construction documents, the developer shall obtain a special encroachment permit allowing the uses and improvements shown on the tentative map over the northerly 19' of the High Street right of way, west of Oak Street.
34. Prior to approval of the final map and/or any construction documents, the developer shall obtain a special encroachment permit allowing the uses and improvements shown on the tentative map over the portion of the Center Street right of way, west of Oak Street, presently shown as being within the project boundary.
35. Prior to approval of the final map and/or any construction documents, the developer shall obtain a special encroachment permit allowing the uses and improvements shown on the tentative map over the portion of the Oak Street right of way, adjacent to project boundary.

Homeowners Association

Note: A developer has not indicated a preference regarding future ownership and maintenance responsibilities. For the purposes of these conditions of approval, it is assumed that all of the property will be "common area" with the exception of partition walls within each unit, either residential or commercial. Future owners (either commercial or residential) will have sole fee title interest only in the "airspace" within their units and will have a prorated share interest in all of the common areas and common area improvements

(including the building itself). Maintenance of all common area improvements will be the responsibility of a Homeowners Association funded by the property owners. Should the developer wish to propose a different approach, any change would have to be approved by the City of Clayton City Council.

36. Prior to approval of the final map, the developer shall submit the proposed Covenants, Conditions, and Restrictions (CC&Rs) for review and approval by the City. Prior to issuance of any certificate of occupancy, the developer shall have the City-approved CC&Rs recorded in the County Recorder's Office and a copy of the recorded documents submitted to the City. The CC&Rs shall include a provision barring any changes or revisions without prior approval by the City.
37. Prior to issuance of any certificate of occupancy, the developer shall form a Homeowners Association comprised of all the project property owners, both commercial and residential. The Homeowners Association shall be responsible for the operations and maintenance of all common area improvements and facilities, including stormwater, trash, and creek maintenance, monitoring, and reporting necessary to comply with NPDES requirements. Further, the Homeowners Association shall be responsible for the maintenance of all improvements located on existing street rights of way being utilized by the project under special encroachment permits and as shown on the tentative map.
38. The developer shall record disclosure statements with the deeds for the project's lots. The disclosure statements shall be reviewed and approved by the City Attorney and the Community Development Director and shall address the following issues.
 - a. Special events occur throughout the year in the downtown area and at Endeavor Hall, which may temporarily increase noise levels at the residential properties as well as increase traffic and demand for parking.
 - b. Special events occur throughout the year in the downtown area which result in the closure of adjacent streets except for emergency vehicle access. During these events vehicular access to and from the project may be prohibited (i.e., Oak, High, Center, and Main Streets). Vehicular access to and from Oak Street via Roundhill Place will remain open.
 - c. Commercial land use and zoning designations on adjacent properties to the east of the project site allow a variety of commercial activities, including parking lots and multi-story commercial buildings. It is the policy of the City of Clayton to encourage commercial development of the commercially-zoned properties in the Town Center.
 - d. The City of Clayton owns the parcel (APN 119-016-005) at the northwest corner of High Street and Diablo Street. The property will initially be developed as a parking lot for the general public. In the future, the property may be developed as a multi-story parking structure or a multi-story commercial building.

Condominium Plan

39. Prior to issuance of any certificate of occupancy, the developer shall have prepared and recorded a condominium plan delineating the proposed commercial and residential units. The condominium plan shall be submitted to the City for review prior to recordation. A certified copy of the recorded condominium plan shall be provided to the City prior to issuance of any certificate of occupancy.

General Engineering Conditions

40. All work shall be designed and constructed in accordance with the Municipal Code, as well as the City's Standard Plans and Specifications, and to the satisfaction of the City Engineer.
41. Upon approval of the final map, the subdivision shall be annexed into the existing City of Clayton Street Light Assessment District.
42. Upon recording of the final map, the City shall be given a full size, reproducible, photo mylar copy of the recorded map and an electronic file of the map in a form which can be imported into AutoCAD, and configured as directed by the City Engineer. Upon completion of the improvements and prior to City Council acceptance, the City shall be given a full size, reproducible, photo mylar copy of the improvement plans, and an electronic version in AutoCAD, annotated to reflect any changes that occurred during construction and signed by the Project Engineer.
43. The developer shall ensure that all project contractors shall conform to the requirements of the "Best Management Practices for Construction Sites" required by the City, including detention and/or filter materials to preclude an increase in water quantity and quality impacts from debris and sediments entering the stormwater system over "non-development" conditions.
44. The developer shall identify the Best Management Practices for protection of air quality to minimize the generation of dust during construction. Such measures shall be included within the project grading plan and shall be approved prior to issuance of project grading permits.
 - a. Earthmoving or other dust-producing activities shall be suspended during periods of high winds (i.e., instantaneous wind gusts of 25 mph or greater);
 - b. Equipment and manpower for watering of all exposed or disturbed soil surfaces shall be provided at least twice daily on any day of high winds or when construction activities occur, including weekends and holidays. A dust suppressant, added to the water before application, shall be used;
 - c. Stockpiles of debris, soil, sand or other materials that can be blown by the wind, shall be watered or covered;
 - d. Construction area and adjacent streets shall be swept of all mud and debris, since this material can be pulverized and later re-suspended by vehicle traffic;
 - e. A compliance officer, responsible for implementation and monitoring, shall be identified as part of the grading permit process.
45. The developer shall connect to the sanitary sewer system, obtain applicable permits, and pay applicable fees required by the City of Concord Public Works Department.
46. If archeological, historical or Native American materials are uncovered during any construction or pre-construction activities on the site, all work within 100 feet of these materials shall be immediately stopped. The Community Development Department and a qualified professional archeologist shall be notified. Work within this area shall not recommence until the archeologist has had an opportunity to evaluate the significance of the find, and outline appropriate mitigation measures, if they are deemed necessary.
47. Grading permits and stormwater permits shall be obtained from the City Engineer.

48. Construction sequencing and work times shall be adjusted as may be required by the City Engineer to minimize impacts and inconveniences during school drop-off and pick-up times.
49. Access to and over the High Street bridge at Mitchell Creek shall be maintained at all times for those residents located on the west side of the bridge. In the event that access must be restricted for some limited period, the contractor shall coordinate the closure with residents west of the bridge to the satisfaction of the City Engineer.

Street Construction Conditions

50. High Street - All existing improvements are to be removed and new improvements constructed generally as shown on the tentative map and to the satisfaction of the City Engineer.
51. Oak Street - All existing improvements are to be removed and new improvements constructed generally as shown on the tentative map and to the satisfaction of the City Engineer, except for the proposed planter within the parking lane which is not approved.
52. The sidewalk along Oak Street shall be colored, stamped concrete and shall match the color and pattern of the Town Center sidewalks.
53. Upon completion of building construction, the existing pavement on Oak Street from Center Street to High Street, including the intersections and other areas as may be determined by the City Engineer, shall be slurry sealed and restriped to the satisfaction of the City Engineer.
54. Any existing street, sidewalk, curb, gutter, or other existing improvement which, in the sole opinion of the City Engineer, is damaged by any party at any time, either on or adjacent to the project site, shall be repaired by the Developer, at his sole cost, to the satisfaction of, and in the manner required by, the City Engineer.

Stormwater Control and Treatment Conditions

55. The improvement plans shall reflect that all on-site storm drain inlets shall be labeled "No Dumping – Drains to Creek" using thermoplastic stenciling or equivalent permanent method, subject to City approval.
56. Prior to issuance of any construction permits, a final Storm Water Control Plan, satisfying all of the latest requirements of the terms of the City's Stormwater Discharge Permit, shall be submitted for review and approval by the City.
57. The volume and rate of stormwater runoff from the site shall be comparable to pre-development conditions to the maximum extent practicable. The project shall bear the financial responsibility of the construction and perpetual maintenance (including monitoring and reporting) of these facilities with a funding mechanism acceptable to the City that addresses costs for capital replacement, inflation, and administration.
58. Any exterior building washing/cleaning, exterior window washing/cleaning or sidewalk washing/cleaning shall comply with Best Management Practices (inlets protected and water vacuumed) and be done only by a certified surface cleaner. Such certification shall

be recognized by the Contra Costa Clean Water Program. In addition any contracts for such cleaning by the property owner or tenants shall also include language requiring the compliance with Best Management Practices and certification. Documentation, monitoring, and reporting shall be included in the Stormwater Operation and Maintenance (OMP).

59. All pest management practices for the site and building by the property owner and or tenants shall also and done by company that is Integrated Pest Management (IPM) Certified. Such certification shall be recognized by the Contra Costa Clean Water Program. In addition any contracts for such cleaning by the property owner or tenants shall also include language requiring the compliance with Best Management Practices and certification. Documentation, monitoring, and reporting shall be included in the OMP.
60. The Property Owner shall be responsible for the perpetual maintenance of the site's storm drain system, including the monitoring of the storm drain facilities. In addition, the Property Owner shall be responsible for any future stormwater quality and quantity reporting requirements by the Regional Water Quality Control Board.
61. The Mosquito and Vector Control District and its contractors shall have the right of access to conduct inspections and maintenance of all on-site drainage devices. Such rights shall be conveyed in the property owner documents and any property rental or lease documents.
62. The developer shall remove the existing curb cut and driveway apron across the sidewalk on the Oak Street frontage of the project site and shall restripe the pavement as required by the City Engineer. The replacement sidewalk shall be paved with a colored and wood-stamped paving surface which matches the color and texture of the sidewalks in the Town Center.
63. All work shall be designed and constructed in accordance with the *Municipal Code*, as well as the City's Standard Plans and Specifications.
64. The improvements to be installed by the Developer shall generally conform to those shown on the site plan, as said improvements may be modified by these conditions of approval and/or the City Engineer.
65. The developer shall be solely responsible for obtaining any right of way and/or easements necessary to permit the construction of the proposed improvements.
66. The ramp across the sidewalk at the southwestern corner of the site, which is for refuse and recycling pickup purposes, shall meet ADA requirements as the ramp will cross the public sidewalk.
67. Prior to the issuance of the certificate of occupancy for the fourth residential unit, the developer shall provide one of the residential units affordable to low-income households with deed restrictions in accordance with the City of Clayton Housing Element and Redevelopment Agency requirements to the satisfaction of the Community Development Director.

Agency Conditions

68. The developer shall connect to the sewer system and obtain applicable permits required by the City of Concord Public Works Department.
69. The Developer shall satisfy Contra Costa County Fire Protection District requirements as follows:
- a. Access must be capable of supporting the imposed fire apparatus loading of 37 tons. (503) CFC.
 - b. Access roadways (High Street) of less than 28-feet unobstructed width shall have signs posted or curbs painted red with the words *NO PARKING – FIRE LANE* clearly marked. (503.3) CFC.
 - c. The developer shall provide an adequate and reliable water supply for fire protection with a minimum fire flow of 1750 GPM. Required flow must be delivered from not more than one (1) hydrant flowing for a duration of 180 minutes while maintaining 20-pounds residual pressure in the main. (508.1, (B105) CFC.
 - d. The developer shall provide one (1) hydrant of the East Bay type. Final placement of hydrant(s) shall be determined by the Fire District. (C103.1) CFC.
 - e. The developer shall submit three (3) copies of site improvement plans indicating all existing or proposed hydrant locations and fire apparatus access for review and approval prior to obtaining a building permit. (501.3) CFC.
 - f. The required hydrant shall be installed, in service, and inspected by the Fire District prior to construction or combustible storage on site. (501.4) CFC.
 - g. The building proposed shall be protected with an approved automatic fire sprinkler system. Submit three (3) sets of plans to the Fire District for review and approval prior to installation. (903.2) CFC, Contra Costa County Ordinance 2007-47.
 - h. Vegetation clearance requirements in urban-wildland interface areas shall be in accordance with the *International Wildland-Urban Interface Code*. (304.1.2) CFC.
 - i. The developer shall submit three (3) complete sets of building plans and specifications of the subject project, including plans for the following required submittals, to the Fire District for review and approval prior to construction to ensure compliance with minimum requirements related to fire and life safety. Plan review fees will be assessed at that time.
 - Private underground fire service water mains
 - Fire sprinklers

Plans are to be submitted to: Contra Costa County Fire Protection District
2010 Geary Road
Pleasant Hill, CA 94523

The Fire District reference for this project is as follows:

CCCFPD Project No.: 113977-PL

- j. Open-flame grills on the balconies on the east elevation facing Oak Street shall be subject to all Fire Code restrictions, regulations, and prohibitions.

70. The Developer shall provide an adequate number of hydrants of the "East Bay" type at locations determined by the Fire Protection District.
71. Prior to approval of building permit, the Developer shall obtain written approval from Allied Waste Services that the facility can be serviced and the waste container options that would be acceptable given the range of tenant occupancies within the project and submit such written documentation to the Community Development Department.
72. The property owner is responsible for ensuring refuse and recycling pickup services are provided as often as necessary in order to ensure refuse and recycling receptacles do not overflow. Documentation, monitoring, and reporting shall be included in the OMP.
73. Prior to building permit approval applicant/developer shall provide documentation that the waste/recycling area can meet state regulations regarding mandatory space for recycling.
74. The Developer shall obtain a building permit from the Contra Costa Building Department in accordance with applicable California Building Code (CBC) requirements prior to commencement of the construction of the project.
75. The Developer shall satisfy Contra Costa Water District (CCWD) requirements as follows:
 - a. Treated and Untreated water service is governed by CCWD Code of Regulations Section 5 (Reg 5).
 - b. The two existing services will need to be relocated from their current locations (which will become a sidewalk/walkway) to a better location at the side of the building.
 - c. New meters should be "banked" at one location, each serving individual units.
 - d. A separate meter for landscape irrigation may be required (Reg. 5.32.020).
 - e. A common fire service will be required for the building.
 - f. Water service will likely require backflow prevention devices, which could reduce water pressure. Proper planning is necessary to ensure backflow prevention devices are located appropriately.
 - g. Location of all new and relocated services must be coordinated with developer to ensure acceptable installations for CCW, the City, and the developer.

Standard Condition

THE SIZING OF THE FLOW-BASED TREATMENT FACILITIES IN CONTRA COSTA COUNTY IS
BASED UPON A STORM DEPTH OF 0.6 INCHES. IN ORDER TO PREVENT UNTREATED RUNOFF
FROM ENTERING THE STORM SYSTEM, THE PROJECT HAS PROVIDED UNDERGROUND
STORAGE OF RUNOFF FOR THE INITIAL FLOW SHOULD THE SUMP PUMP MALFUNCTION. THE
AMOUNT OF STORAGE IS SUMMARIZED AS FOLLOWS:

2 SUMPS (4' X 4' X 9') = 288 CFS
82 LF 36" DIAMETER PIPE = 579 CFS
TOTAL STORAGE = 876 CFS

Advisory Notes

Advisory notes are provided to inform the applicant of: (a) *Clayton Municipal Code* requirements; or (b) requirements imposed by other agencies. The advisory notes are not part of the conditions of approval.

1. Prior to obtaining a building permit, the developer shall prepare an erosion and stormwater control plan for review and approval by the City Engineer (CMC § 13.12.050).
2. Prior to commencement of grading, demolition or construction activities the developer shall obtain City approval of a construction and demolition recycling plan (CMC § 15.80.040).
3. Prior to performing any work in the public right of way, the developer shall obtain an encroachment permit from the City Engineer.
4. Prior to any grading or construction, the developer shall obtain a Stormwater Permit from the City Engineer.
5. An administrative use permit from the Community Development Director is required for any outdoor seating.
6. A master sign plan must be approved by the Planning Commission prior to installation of any signage.
7. A tree removal permit is required prior to removing any trees with a single or multiple trunk diameter of six inches or greater (CMC §15.70.020).
8. All grading, construction, and other work shall occur only between 7:00 a.m. and 5:00 p.m. Monday through Friday. Any such work beyond these hours and days is strictly prohibited unless previously authorized in writing by the City Engineer (CMC §15.01.010) located at 1005 Oak Street, 925-672-9700.
9. The developer shall obtain the necessary building permits from the Contra Costa County Building Inspection Department.
10. The developer shall comply with all applicable state, county, and city codes, regulations, and adopted standards.
11. Additional requirements may be imposed by the Contra Costa County Fire Protection District. Before proceeding with the project, it is advisable to check with the Fire District located at 2010 Geary Road, Pleasant Hill, 925-930-5500.
12. Development impact and related fees (including, but not limited to, community facilities development, off-site arterial improvement, childcare, parkland dedication, open space in-lieu, and habitat conservation fees) shall be paid per applicable City Code regulations and resolution.

**SUBJECT: PAVEMENT MANAGEMENT PROGRAM BUDGET OPTIONS REPORT AND
2010 PAVEMENT REHABILITATION PROJECT DIRECTION (CIP PROJECT
NO. 10409)**

RECOMMENDATION

Provide direction to Staff regarding the 2010 Neighborhood Street Pavement Rehabilitation Project.

BACKGROUND

In order to qualify for state and federal funding of certain street projects, we are required to maintain an acceptable pavement management program which rates the condition of our streets and provides recommended scenarios for street maintenance and rehabilitation activities. As in 2007, and using grant funds provided by the Metropolitan Transportation Commission (MTC), our streets were recently surveyed and our Pavement Management Program, provided and certified by MTC, updated. Fortunately, for continuity, we were assigned the same consultant as in 2007. Our consultant, Asset Management Specialized Consulting (AMSC), again issued a "budget options" report for use in deciding upon a pavement treatment strategy.

Report Findings

The condition of the pavement is indicated by a Pavement Condition Index (PCI) which has the following ranges:

PCI = 70 – 100:	Very Good
PCI = 50 – 69:	Good
PCI = 25 – 49:	Poor
PCI = 00 – 24:	Very Poor/Failed

The current weighted City-wide PCI was determined to be 76 (very good), which is exactly the same as in 2007. This PCI again places the City fifth in the County, behind Brentwood, Contra Costa County, Oakley and Concord.

The current average PCI for the City (76) is considered in the "Very Good" category but falls short of the optimal PCI range of 80 to 85. If the City were to perform no treatments over the next five years, the average PCI would drop to 67 ("Good" category). In addition, without any treatment, the rate of deterioration would accelerate significantly along with the cost of rehabilitation. In order to reach the optimal PCI of 84 by the end of the next five-year cycle, the City would be required to expend a total of almost \$5.3 million (up from \$4.5 million in 2008) with an initial expenditure of \$1.06 million this coming fiscal year (2010/11). The program-recommended pavement treatments are split between "Preventative Maintenance" (crack sealing and slurry sealing) and "Pavement Rehabilitation" (thin/thick overlays). Since we are currently anticipating a total expenditure of approximately \$2.4 million for pavement treatment over the next five years, the goal of reaching the optimal PCI of 84 is not possible.

The report presented four budget scenarios for consideration. A constant 14% preventative maintenance split was used along with a 5% interest and/or inflation factor. The four options are:

Current Budget
Constant PCI
5 Point PCI Increase
Needs Evenly Distributed Over 5 Years

Option 1 – Current Budget

This option uses the City's previously anticipated pavement treatment budget for the next five years (\$600k in FY 2010 and \$400k in each FY thereafter – the recently approved CIP budget actually provides approximately \$800k for FY 2010/11). Under this scenario, our City-wide PCI would rise to 78 after this year's work and then decrease to 75 at the end of the five-year period. There would also be a slight increase in the roads classified in the "Poor" and "Very Poor/Failed" categories as shown in the following table:

Rating	PCI Range	% Before FY 2008	% After FY 2012
Very Good	70 – 100	67.3	74.9
Good	50 – 69	17.6	8.1
Poor	25 – 49	14.9	14.7
Very Poor/Failed	0 – 24	0.2	2.3

See attachment for the program-recommended 2010/11 work plan.

Option 2 – Constant PCI

As implied by its title, the goal of this option is to maintain the current City-wide PCI of 76. This option would require a total five-year budget of \$2.6 million with expenditures of \$600k in FY 2010 \$500k annually thereafter. The PCI category changes would be as shown in the following table:

Rating	PCI Range	% Before FY 2008	% After FY 2012
Very Good	70 – 100	67.3	77.6
Good	50 – 69	17.6	7.3
Poor	25 – 49	14.9	12.9
Very Poor/Failed	0 – 24	0.2	2.3

See attachment for program-recommended 2010/11 work plan.

Option 3 – 5 Point PCI Increase

The goal of this option is to increase the overall PCI from 76 to 81 immediately and then maintain that higher PCI for the remainder of five-year period. This option would require a five-year budget of \$4.2 million with expenditures of \$1.5 and \$0.8 million in FY 2010 and 2011 respectively. For the remaining years, the annual expenditures would be \$650,000, \$650,000 and \$600,000. The PCI category changes would be as shown in the following table:

Rating	PCI Range	% Before FY 2008	% After FY 2012
Very Good	70 – 100	67.3	87.3
Good	50 – 69	17.6	6.1
Poor	25 – 49	14.9	4.4
Very Poor/Failed	0 – 24	0.2	2.3

Option 4 – Needs Evenly Distributed Over 5 Years

This option calls for funding the full current needs amount (approximately \$5.3 million) in equal installments over the next five years (\$1.06 million per year). This approach raises the City-wide PCI from 76 to 84 and reduces the backlog of unfunded work from the current \$2.3 million to \$139k. The PCI category changes would be as shown in the following table:

Rating	PCI Range	% Before FY 2008	% After FY 2012
Very Good	70 – 100	67.3	87.3
Good	50 – 69	17.6	6.1
Poor	25 – 49	14.9	4.4
Very Poor/Failed	0 – 24	0.2	2.3

Since adequate funding is not available for Options 3 and 4, we did not include the recommended work plans with this report.

Staff Recommendation

Since we started constructing pavement rehabilitation projects in 2000, the City Council, recognizing the prior lack of maintenance to our local residential streets, has chosen to focus on pavement rehabilitation starting with the streets having the lowest PCIs and those impacted by the Redevelopment Agency's sewer construction projects in the 1990's. Due to the Council's determination to dedicate as much funds as possible to pavement work, we have been able to accomplish quite a bit of pavement restoration and have significantly improved our residential streets.

In 2008, Staff recommended that the pavement rehabilitation work be focused on the overlay of portions of our major arterials which were beginning to show signs of deterioration. Last year, we were able to overlay more of the major arterials using federal stimulus money and this year we will be overlaying the 2-lane portion of Marsh Creek Road using Measure J project funds.

With our arterial street system in a very good condition, staff recommends that we again dedicate our street maintenance funds to the treatment of local streets for the next few years. Since we are proposing to treat our worst streets, the treatments may include both complete reconstruction (grinding of all existing pavement, regrading, and repaving with 2-1/2" of asphalt) or a 2" asphalt overlay on top of pavement reinforcing fabric. In addition, we have identified approximately 3,000 square feet of potholes on streets not proposed for treatment that will need to be repaired.

For the first time, we are also proposing to begin treating some of the streets within the Oakhurst Development. We have purposely held off doing these streets in the past due to the ongoing movement within the development. That movement is, theoretically, coming to an end and the condition of some of the streets have dropped them towards the bottom of the PCI list. As explained below, staff is recommending the cost of the Oakhurst street treatments come from sources dedicated to the Oakhurst Development, such as lawsuit settlement proceeds and Oakhurst Assessment District bond refund interest earnings.

Depending upon the bid prices received, Staff estimates that as many as 35 streets (28 non-Oakhurst and 7 Oakhurst streets) may receive treatment. See the attached recommendation list.

PCI Impact

Due to the additional funding proposed, the recommended approach will have a more significant impact on the overall City-wide PCI as the "Option 1 – Current Budget" scenario in the Budget Options report. That is, this work will raise the current PCI from 76 to 80 upon completion of the work. Assuming future funding remains as projected, the PCI will then slowly deteriorate back down to approximately 78 over the following four years.

FISCAL IMPACT

The FY 2010-11 approved funding sources and available funds are as follows:

Gas Tax	\$109,000
Measure J	\$525,000
Prop. 42	<u>\$208,000</u>
Total	\$842,000

In order to fund the treatment of the streets in the Oakhurst Development (\$165,000), Staff recommends the City Council allocate \$55,000 from the Oakhurst Assessment District bond refund interest and \$110,000 from the Presley lawsuit settlement proceeds (current balance approximately \$217,000). Each of these monies are restricted for use in the Oakhurst Development.

CONCLUSION

In conclusion, Staff recommends the Council authorize the following:

- 1) The preparation of re-pavement treatment specifications and plans for the 35 streets shown on the attached recommendation list;
- 2) The transfer and utilization of \$55,000 from the Oakhurst Assessment District bond interest refund and \$110,000 from the Presley lawsuit settlement proceeds; and
- 3) The advertisement for bids for the described construction.

By this action staff expects the Project can go to competitive bid on 8/2/10, Council award of contract on 9/6/10, and initiation of the Neighborhood Street Re-pavement Project by 9/20/10.

Agenda Date: 7-6-10

Agenda Item: 9b

Date: July 6, 2010

Subject: "Do the Right Thing" – A community-wide character development program

Recommendation:

Discuss potential City involvement and role in a community-wide character development program.

Background:

Representatives (both administrators and parent faculty club members) from Mt. Diablo Elementary, Diablo View Middle School, and Clayton Valley High School along with CBCA leadership, Clayton Police Department, and other community members have met to discuss and formulate a plan to encourage character development in the community.

A good example of a community character development program is the city of Pleasanton's "Community of Character" which has been in existence for approximately 10 years. The program consists of 6 character traits that are each emphasized for a time period throughout the year. The program is supported by the city, the school district, and the business community. For more information on Pleasanton program visit its website – communityofcharacter.org or the Pleasanton city's website.

By focusing on 6 traits we can use a common language throughout the community. The students are seeing a consistent message at school and in the community.

The committee came up with the following traits:

Responsibility – August/September

- Doing what I am supposed to do
- Always doing my best
- Being accountable for my actions

Respect – October

- Using good manners, not bad language
- Being considerate, honoring the feelings of others
- Dealing peacefully with anger, insults and disagreements

Kindness – November/December

- Being kind to myself, others and the environment
- Helping others in need
- Being forgiving

Self-discipline – January/February

- Practicing self-control
- Setting goals and working toward them
- Striving for personal improvement

Integrity – March/April

- Being reliable: doing what I say I'll do
- Telling the truth, even when it's not easy
- Building a good reputation

Courage – May/June/July

- Standing for what is right, even if I stand alone
- Resisting negative peer pressure
- Being true to myself

The program is being called “Do the Right Thing”. The intent of the program is not to replace teaching of character in the home. The intent is to provide a consistent message throughout the community to assist not only our students but all of us to develop or strengthen good character.

The CBCA has expressed interest in being a part of the program. They are looking at funding promotional material and hosting the recognition of students or individuals that exemplify the traits. Pleasanton indicated that a key to their success was having the involvement and support of their Chamber of Commerce.

The Clayton Pioneer has expressed a willingness to highlight those students or individuals that have exemplified the current trait.

Possible City Involvement:

In light of the City's limited budget and limited human resources, the City's involvement could be the following:

1. Place banners at the City entry points for the first week of each month a trait is emphasized. (The City would not buy the banners, just display them.)
2. At each council meeting the current month's trait can be mentioned. A quote pertaining to the trait could be included in the agenda packet.
3. Council members, Planning Commission members, and Trails and Landscape Committee members could agree to exemplify the 6 traits.
4. Candidates for City Council could also agree to exemplify the traits
5. Key City employees could be evaluated each year on how they exemplified or promoted the 6 traits.
6. “Do the Right Thing” could be displayed on the police cars on each side of the trunk.

7. Recognize individuals that have exemplified good character with a certificate at a Council meeting.
8. Have at least one Council member be part of the on-going committee.
9. Have the police department represented on the committee – either the chief or other officer.

Summary:

The schools, the business community, and the City are the three essential components to making a successful community-wide character development program. With little cost or time commitment the City can play a key role in the success of “Do the Right Thing.”
